

TIFIA Credit Program Overview

***Transportation
Infrastructure
Finance and
Innovation
Act (TIFIA)***

Updated July 2016

Background on TIFIA

- **Strategic goal** – to leverage limited Federal resources and stimulate capital market investment in transportation infrastructure by **providing credit assistance in the form of direct loans, loan guarantees, and standby lines of credit** (rather than grants) to projects of national or regional significance.
- **Key objectives**
 - Facilitate projects with significant public benefits
 - Encourage new revenue streams and private participation
 - Fill capital market gaps for secondary/subordinate capital
 - Be a flexible, “patient” investor willing to take on investor concerns about investment horizon, liquidity, predictability and risk
 - Limit Federal exposure by relying on market discipline

Background on TIFIA (continued)

- **Major requirements**
 - **Minimum Anticipated Project Costs** –
 - \$10 million for Transit-Oriented Development, Local, and Rural Projects
 - \$15 million for Intelligent Transportation System Projects
 - \$50 million for all other eligible Surface Transportation Projects
 - **TIFIA Credit Assistance Limit** – Credit assistance limited to 33 percent of reasonably anticipated eligible project costs (unless the sponsor provides a compelling justification for up to 49 percent)
 - **Investment Grade Rating** – Senior debt and TIFIA loan must receive investment grade ratings from at least two nationally recognized credit rating agencies (only one rating required if less than \$75 million)
 - **Dedicated Repayment Source** – The project must have a dedicated revenue source pledged to secure both the TIFIA and senior debt financing
 - **Applicable Federal Requirements** – Including, but not limited to: Civil Rights, NEPA, Uniform Relocation, Buy America, Titles 23 and 49
- **Rolling application process** – Applicants must submit detailed letters of interest when a project is able to provide sufficient information to satisfy statutory eligibility requirements, such as creditworthiness and readiness to proceed; after invitation from the TIFIA Joint Program Office, a formal application is required
