

BUILD AMERICA BUREAU

 U.S. DEPARTMENT OF TRANSPORTATION

Rural and Tribal Assistance Pilot Program
Is my project in an Urban Area?

TIGERweb Mapping Tool

1. Go to the U.S. Census mapping tool TIGERweb:

https://tigerweb.geo.census.gov/tigerwebmain/TIGERweb_main.html

The screenshot displays the TIGERweb interface. At the top left is the United States Census Bureau logo. Below it, the text "You are here: tigerweb.geo.census.gov > TIGERweb Applications" is shown. The main heading is "TIGERweb". A navigation bar contains buttons for "Home", "TIGERweb Applications", "WMS", "REST Services", "Data Files", and "TIGERweb Geography". On the left, a "Contact Us" box provides an email address (geo.tigerweb@census.gov) and a link to sign up for updates. The central map shows a geographic area with various colored overlays representing different data layers. A legend on the left side of the map lists categories such as "Labels", "Transportation (Roads and Railroads)", "RURAL USAs, and ZCTAs", "Tribal Census Tracts and Block Groups", "Census Tracts and Blocks", "Military and Other Special Land Use Areas", "School Districts", "Places and County Subdivisions", "American Indian, Alaska Native, and Native Hawaiian Areas", "Legislative Areas", "Census Regions and Divisions", "Urban Areas", "Metropolitan and Micropolitan Statistical Areas and Related Statistical Areas", "Hydrography", and "States and Counties". A data table on the right side of the map displays columns for "Inco" and "GEO" with numerical values. The text "MAP SERVICES" and "APPLICATIONS" is overlaid on the map area.

Inco	GEO
8	01001
	01002
	01004
	01006
9	01008
	01005
5	01011
	01012
34110	27890100192662 01013
	27890100192663 01014

Select Applications

2. Select TIGERweb Applications Tab

The screenshot shows the TIGERweb website interface. At the top, there is a header with the United States logo and the text "An official website of the United States government". Below this is the "United States Census Bureau" logo. The main navigation bar includes tabs for "Home", "TIGERweb Applications", "WMS", "REST Services", "Data Files", and "TIGERweb Geography". A red arrow points to the "TIGERweb Applications" tab. On the left side, there is a "Contact Us" section with the email address "geo.tigerweb@census.gov" and a link to sign up for updates. The main content area features a map of a region with various geographic features and labels. The map is titled "TIGERweb" and "Geography Division". A legend on the left side of the map lists various data layers, including "Labels", "Transportation (Roads and Railroads)", "PUMA, UGA, and ZCTA", "Tribal Census Tracts and Block Groups", "Census Tracts and Blocks", "Military and Other Special Land Use Areas", "School Districts", "Places and County Subdivisions", "American Indian, Alaska Native, and Native Hawaiian Areas", "Legislative Areas", "Census Regions and Divisions", "Urban Areas", "Metropolitan and Micropolitan Statistical Areas and Related Statistical Areas", "Hydrography", and "States and Counties". The map also displays "MAP SERVICE" and "APPLICATIONS" text.

Select Decennial Application

3. Select “TIGERweb Decennial” on the left side of page.

The screenshot displays the TIGERweb application interface. At the top left is the United States Census Bureau logo. Below it, the breadcrumb path reads "You are here: tigerweb.geo.census.gov > TIGERweb Applications". The main heading is "TIGERweb", followed by a navigation bar with buttons for "Home", "TIGERweb Applications", "WMS", "REST Services", "Data Files", and "TIGERweb Geography".

The left sidebar, titled "TIGERweb Applications", contains three sections:

- TIGERweb**
 - Contains:
 - Current (BAS 2023)
 - ACS 2022
 - ACS 2021
 - 2020 Census (adjusted boundaries)
 - Current Physical Features
- TIGERweb Decennial**
 - Contains:
 - 2020 Census
 - Census 2010 (adjusted boundaries)
 - Census 2000 (adjusted boundaries)
 - 2020 Census Physical Features
- TIGERweb Economic Census**
 - Contains:
 - 2017 Economic Census
 - 2012 Economic Census

A red arrow points from the text above to the "TIGERweb Decennial" section in the sidebar.

The main map area shows a map of the Washington, DC region with various Census Tracts (CSAs) labeled, such as "Pittsburgh-New Castle-Weirton CSA", "Johnstown-Somerset CSA", "Harrisburg-York-Lebanon CSA", "Morgantown-Fairmont CSA", "Washington-Baltimore-Arlington CSA", "Charleston-Huntington-Ashland CSA", and "Harrisonburg-Staunton-Waynesboro CSA". The map includes a search bar at the top right with the placeholder text "Street, City, State, Zip". On the left side of the map, there are controls for "Layers", "Legend", and "Task Results". Below these controls is a "select Vintage:" dropdown menu currently set to "Current". A list of map layers is visible, including "Labels", "Transportation (Roads and Railroads)", "PUMAs, UGAs, and ZCTAs", "Tribal Census Tracts and Block Groups", "Census Tracts and Blocks", "Military and Other Special Land Use Areas", "School Districts", "Places and County Subdivisions", "American Indian, Alaska Native, and Native Hawaiian Areas", "Legislative Areas", "Census Regions and Divisions", and "Urban Areas".

Project Area Address

4. Enter an address located in the project area.

Tips For Entering an Address

- Must be an actual street address.
- Find an address in Google Maps before entering.
- If the project does not have a real address, use a real address that is near the project.
- If the address does not work, try another address.

Project Address

5. Enter project address and then select magnifying glass icon.
Project is located at 435 Wall St, Windsor, CA 95492.

6. Select address in caps.

Select The Correct Function

7. Select the layers icon.

The screenshot displays the TIGERweb Decennial web application. At the top, there is a navigation bar with icons for Layers, Legend, and Task Results. A red arrow points to the Layers icon. To the right of the navigation bar, the application title "TIGERweb Decennial" and "United States Census Bureau" logo are visible, along with a search bar containing "435 WALL ST, WINDSOR, CA". Below the navigation bar, there is a vertical toolbar with icons for home, close, and zoom. The main content area is divided into three sections: "Identify Results", "Query Results", and "Geocoder Results". The "Geocoder Results" section is expanded, showing search and matched addresses, coordinates, and Tiger Line information. The map area shows a view of Sonoma and California with a scale bar at the bottom indicating a zoom level of 18 and a scale of 1:2,257.

Select the Layers

approved by national authorities, of the veterinary drugs under practical conditions.

An ADI is an estimate made by the Joint FAO/WHO Expert Committee on Food Additives (JECFA) of the amount of a veterinary drug, expressed on a body weight basis, which can be ingested daily in food over a lifetime without appreciable health risk.

The CCRVDF is hosted by the United States of America, and the meeting is attended by the United States as a member country of the Codex Alimentarius.

Issues to Be Discussed at the Public Meeting

The following items on the Agenda for the 26th Session of the CCRVDF will be discussed during the public meeting:

- Matters referred by CAC and other subsidiary bodies
- Matters of interest arising from FAO/WHO including JECFA

- Other business and future work

Public Meeting

At the public meeting on January 19, 2023, draft U.S. positions on the agenda items will be described and discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to Dr. Jonathan Greene, U.S. Delegate for the 26th Session of the CCRVDF (see **ADDRESSES**). Written comments should state that they relate to activities of the 26th Session of the CCRVDF.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, the U.S. Codex Office will announce this **Federal Register** publication on-line through the USDA Codex web page located at: <http://www.usda.gov/codex>, a link that also offers an email subscription service providing access to information related

Mary Frances Lowe,
U.S. Manager for Codex Alimentarius.

BILLING CODE P

DEPARTMENT OF COMMERCE

Census Bureau

[Docket Number: 221130-0255]

RIN 0607-XC067

2020 Census Qualifying Urban Areas and Final Criteria Clarifications

AGENCY: Census Bureau, Department of Commerce.

ACTION: Notice, technical clarifications.

SUMMARY: The Bureau of the Census (Census Bureau) delineates urban areas after each decennial census for the purpose of tabulating and presenting data for the urban and rural population and housing within the United States,

Search for Urban Area

18. Press and hold either Ctrl key, then press the F key.

19. Type Santa Rosa in box.

The screenshot shows a PDF document viewer with a search bar in the top right corner containing the text "Santa Rosa". The document is a page from the Federal Register, dated December 29, 2022, with the notice number 80114. The text on the page includes:

80114 Federal Register / Vol. 87, No. 249 / Thursday, December 29, 2022 / Notices

(b) to recommend Maximum Residue Limits (MRLs) for veterinary drugs;

(c) to develop codes of practice as may be required; and,

(d) to consider methods of sampling and analysis for the determination of veterinary drug residues in foods.

A veterinary drug is defined as any substance applied or administered to any food producing animal, such as meat or milk producing animals, poultry, fish, or bees, whether used for therapeutic, prophylactic or diagnostic purposes, or for modification of physiological functions or behavior.

A Codex Maximum Residue Limit (MRL) for residues of veterinary drugs is the maximum concentration of residue resulting from the use of a veterinary drug (expressed in mg/kg or ug/kg on a fresh weight basis) that is recommended by the Codex Alimentarius Commission

- Matters of interest arising from the Joint FAO/International Atomic Energy Agency (IAEA) Centre
- Matters of interest arising from the World Organisation for Animal Health (WOAH, formerly OIE), including the Veterinary International Conference on Harmonization (VICH)
- MRLs for veterinary drugs in foods
 - MRLs for Ivermectin (sheep, pigs and goats—fat, kidney, liver and muscle)
 - MRLs for Ivermectin (pigs, sheep and goats) and Nicarbazin (chicken)
- Extrapolation of MRLs for veterinary drugs in foods
 - Extrapolated MRLs for different combinations of compounds/ commodities
 - Approach for the extrapolation of MRLs for residues of veterinary drugs for off-homologous

to Codex. Customers can add or delete their subscriptions themselves and have the option to password protect their accounts.

USDA Non-Discrimination Statement

20. The Santa Rosa Urban Area (UA) is highlighted .

21. The Urban Area has a population of 297,329

What does this Mean?

22. The project located in an Urban Area.
23. The Urban Area has a population of 297,329.
24. Because the project is in an Urban Area with a population greater than 150,000 it is not considered Rural.
25. Projects in an Urban Area with a population less than 150,000 would be considered Rural.
26. Projects not located in Urban Areas are considered Rural.
27. Urban areas can be made up of several independent cities.
