American Airlines / February 2015

DOT PET INCIDENT REPORT

Carrier and Flight Number

American Airlines Flight #957 Tag # 420458

Date and Time of the Incident

115 February 2015 @ 23:54

Description of the Animal, Including Name

Tabby cat, Name: Blond

Narrative Description of Incident

Upon arrival, a fleet service clerk offloading the flight discovered that one of the kennels was empty. The clerk reported that he then saw the cat loose in the cargo compartment of the aircraft. Before the clerk could secure the cat, the cat escaped from the cargo compartment and ran across the AOA.

Narrative Description of Cause of the Incident

A subsequent investigation determined that the kennel that contained the cat did not have the required zippers in place to hold the door of the kennel closed.

Narrative Description of any Corrective Action Taken in Response to Incident

Local Management is reviewing procedures to ensure that kennels are secured correctly.
