***Updated Information for Consumers Regarding the  
Cessation of Operations by Southern Sky Air Tours  
d/b/a Myrtle Beach Direct Air and Tours***

(as of April 12, 2013)

This information supplements the Transportation Facts issued on March 20, 2012. On or about March 13, 2012, Southern Sky Air Tours, d/b/a Myrtle Beach Direct Air and Tours (Direct Air) — a public charter operator — ceased operations. Direct Air has subsequently filed for bankruptcy protection in the U.S. Bankruptcy Court for the District of Massachusetts (Worcester) (Case no. 12-40944).

Please be aware that on March 4, 2013, the bankruptcy trustee for Direct Air filed a motion for an order approving the settlement of certain claims to the funds held in the depository account at Valley National Bank. For additional information and to obtain a copy of the motion and all notices attached to the motion, including hearing date and objection deadline, please visit <http://www.pbl.com/resources.php?ArticleID=236>.
