

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation on July 21, 2020

NOTICE OF ACTION TAKEN -- DOCKET DOT-OST-2020-0037

On March 27, 2020, the President signed the Coronavirus Aid, Recovery, and Economic Security Act (CARES Act) into law. Sections 4005 and 4114(b) of the CARES Act authorize the Secretary of the U.S. Department of Transportation (Secretary) to require, "to the extent reasonable and practicable," an air carrier receiving financial assistance under the act to maintain scheduled air transportation service as the Secretary deems necessary to ensure services to any point served by that air carrier before March 1, 2020 (Service Obligation). By Order 2020-4-2, the U.S. Department of Transportation established the parameters for implementation of the authority granted to the Secretary under the CARES Act, including an exemption process as described at pages 9-10 and in Appendix D of that order. This serves as notice to the public of an action taken by a Department official with regard to exemption(s) from Order 2020-4-2. No additional confirming order will be issued in this matter.

Applicant: **United Airlines, Inc. (United)**¹

XX Service Level Exemption

Date Filed: **July 6, 2020**

United requests that the Department extend through August 5, 2020 its exemption from its Service Obligation under the provisions of Order 2020-4-2, in order to temporarily suspend service at Aguadilla, Puerto Rico (BQN).

United states that BQN recently informed the carrier that the airport will remain closed until at least August 5, 2020 to all Part 121 (14 CFR Part 121) passenger operations from locations that do not originate on the island. The carrier also states that an updated Federal Aviation Administration (FAA) Notice to Airmen (NOTAM), effective July 1, 2020, extends the closure through August 5, 2020.²

XX Waiver from the 10-business day advance filing requirement for the covered carrier's proposed service alteration date.

Responsive pleadings: None

XX Holder's certificate(s) of public convenience and necessity
XX Standard exemption conditions (attached)

Basis for approval: In its prior request in April, United sought to suspend service at Aguadilla through July 6, 2020. By Notice of Action Taken dated April 25, 2020, the Department granted United's request, noting that it would not be reasonable or practicable for the carrier to serve Aguadilla considering that the Governor of Puerto Rico requested that the FAA permit flight restrictions to divert all scheduled and unscheduled commercial carrier passenger flights to Puerto Rico to San Juan Luis Muñoz Marín International Airport (SJU) for screening, and the FAA did not object. Because United only requested to suspend service through July 6, 2020, the Department limited the term of the exemption accordingly.

For the reasons set forth justifying the carrier's initial request to suspend service at Aguadilla, and in light of the updated Notice to Airmen requiring—through August 5, 2020—incoming passenger Part 121 flights to Puerto Rico to first land at SJU for screening,⁴ we find that granting United's request to extend its exemption at Aguadilla is warranted through August 5, 2020 and consistent with the disposition of similar requests by other carriers.⁵

Finally, we grant United's request for a waiver of the 10-business day advance filing requirement for exemptions under Order 2020-4-2, so that its proposed schedule changes can be implemented promptly.

We may amend, modify, or revoke this exemption at any time without hearing at our discretion.

Persons entitled to petition the Department for reconsideration of the action set forth in this Notice under the Department's regulations, 14 CFR § 302.14, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for reconsideration will not alter such effectiveness.

⁴ United states that FAA “granted Puerto Rico’s request to close BQN to all Part 121 passenger operations from locations that do not originate on the island,” and cites certain NOTAMs as further evidence of such closure. In fact, the FAA has permitted the Puerto Rico government to require certain flights to first land at SJU for screening, but FAA has not granted any request related to closure of BQN.

⁵ See Notices of Action Taken dated April 16, 2020 (Spirit Airlines and JetBlue).
