GENERAL TERMS AND CONDITIONS

This agreement is between the United States Department of Transportation (the “**USDOT**”) and the entity identified in field 1 of the agreement cover page (that entity, the “**Recipient**”).

Subtitle B of Title VII the American Rescue Plan Act of 2021, Pub. L. No. 117-2, titled “Aviation Manufacturing Jobs Protection,” appropriated funds to USDOT for a payroll support program (the “**AMJP Program**”). As further specified in that subtitle, the funds are available to eligible employers involved in aviation manufacturing for the continuation of employee wages, salaries, and benefits and to facilitate the retention, rehire, or recall of employees.

The USDOT published the “Process for Eligible Businesses Requesting Support Under the Aviation Manufacturing Jobs Protection (AMJP) Program,” 86 Fed. Reg. 31,573 (June 14, 2021), to solicit applications for Federal financial assistance. The Recipient submitted an application for assistance.

This agreement reflects the selection of the Recipient to receive an award under the AMJP Program.

The parties therefore agree to the following:

- (c) The USDOT may make a final determination of noncompliance only:
 - (1) after considering the Recipient's response under section 13.1(b); or
 - (2) if the Recipient fails to respond under section 13.1(b), after the time for that response has passed.
- (d) To make a final determination of noncompliance, the USDOT must provide a notice to the Recipient that states the bases for that determination.

13.2 Remedies.

- (a) If the USDOT makes a final determination of noncompliance under section 13.1, the USDOT may impose a remedy, including:
 - (1) additional conditions on the award;
 - (2) any remedy permitted under 2 C.F.R. 200.339–200.340, including withholding of payments; disallowance of previously reimbursed costs, requiring refunds from the Recipient to USDOT; suspension or termination of the award; or suspension and disbarment under 2 C.F.R. part 180; or
 - (3) any other remedy legally available.
- (b) To impose a remedy, the USDOT must provide a notice to the Recipient that describes the remedy, but the USDOT may make the remedy effective before the notice is effective.
- (c) If the USDOT determines that it is in the public interest, the USDOT may impose a remedy, including all remedies described in section 13.2(a), before making a final determination of noncompliance under section 13.1. If it does so, then the notice provided under section 13.1(d) must also state whether the remedy imposed will continue, be rescinded, or modified.
- (d) In imposing a remedy under this section 13.2 or making a public interest determination under section 13.2(c), the USDOT may elect to consider the interests of only the USDOT.
- (e) The Recipient acknowledges that amounts that the USDOT requires the Recipient to refund to the USDOT due to a remedy under this section 13.2 constitute a debt to the Federal Government that the USDOT may collect under 2 C.F.R. 200.346 and the Federal Claims Collection Standards (31 C.F.R. parts 900–999).

13.3 Waiver of Judicial Review. The Recipient waives any right to judicial review of a final determination of noncompliance made under section 13.1 and any right to judicial review of a remedy imposed under section 13.2.

- 13.4 Other Oversight Entities.** Nothing in this article 13 limits either party's authority to report activity under this agreement to the United States Department of Transportation Inspector General or other appropriate oversight entities.

ARTICLE 14

AGREEMENT TERMINATION AND CLOSEOUT

14.1 USDOT Termination.

- (a) The USDOT may terminate this agreement and all obligations on the USDOT under this agreement if any of the following occur:
 - (1) the Recipient fails to comply with the terms and conditions of this this agreement; or

- (b) In terminating this agreement under this section 14.1, the USDOT may elect to consider only the interests of the USDOT.
- (c) This section 14.1 does not limit the USDOT's ability to terminate this agreement as a remedy under section 13.2.
- (d) The Recipient, by notice, may request that the USDOT terminate the agreement under this section 14.1.

- 14.2 Other Remedies.** The termination authority under this article 14 supplements and does not limit the USDOT's remedial authority under article 13 or 2 C.F.R. part 200, including 2 C.F.R. 200.339–200.340.

- 14.3 Non-Terminating Events.** The end of the Period of Performance does not terminate this agreement or the Recipient's obligations under this agreement.

- 14.4 Closeout Termination.** This agreement terminates on Closeout.

- 14.5 Closeout.** In this agreement, "Closeout" means the event when the USDOT notifies the Recipient that the award is closed out. Closeout will not occur until after:

- (1) the Recipient submits the report required under section 6.7(a);
- (2) the USDOT makes any final payment to the Recipient; and
- (3) the Recipient refunds to USDOT any amounts required under section 6.7(c).

Under 2 C.F.R. 200.344, Closeout should occur no later than one year after the end of the Period of Performance.

- 14.6 Post-Termination Adjustments.** The Recipient acknowledges that under 2 C.F.R. 200.345–200.346, termination of the agreement does not extinguish the USDOT’s authority to disallow costs, including costs that USDOT reimbursed before termination, and recover funds from the Recipient.

ARTICLE 15 AGREEMENT MODIFICATIONS

- 15.1 Bilateral Modifications.** The parties may amend, modify, or supplement this agreement by mutual agreement in writing signed by the USDOT and the Recipient. Either party may request to amend, modify, or supplement this agreement by notice to the other party.

**TERM E.1
CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER
RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS**

2 C.F.R. Parts 180 and 1200

By entering into this agreement under the AMJP Program, the Recipient is providing the assurances and certifications for First Tier Participants, as set out below.

1. Instructions for Certification – First Tier Participants:

- a. The prospective first tier participant is providing the certification set out below.
- b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The prospective first tier participant shall submit an explanation of why it cannot provide the certification set out below, to be included in Attachment D to the AMJP Agreement. The certification or explanation will be considered in connection with the USDOT's determination whether to enter into this transaction. However, failure of the prospective first tier participant to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.
- c. The certification in this clause is a material representation of fact upon which reliance was placed when the contracting agency determined to enter into this transaction. If it is later determined that the prospective participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the contracting agency may terminate this transaction for cause of default.
- d. The prospective first tier participant shall provide immediate written notice to the contracting agency to whom this proposal is submitted if any time the prospective first tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- e. The terms "covered transaction," "civil judgment," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 C.F.R. Parts 180 and 1200. "First Tier Covered Transactions" refers to any covered transaction between a Recipient or subrecipient of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a Recipient or subrecipient of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers to any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

f. The prospective first tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

g. The prospective first tier participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions,” provided by the department or contracting agency, entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold.

h. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the System for Award Management website (<https://www.sam.gov/>), which is compiled by the General Services Administration.

i. Nothing contained in the foregoing shall be construed to require the establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of the prospective participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

j. Except for transactions authorized under paragraph (f) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – First Tier Participants:

a. The prospective first tier participant certifies to the best of its knowledge and belief that, except as documented in Attachment D to the AMJP Agreement, it and its principals:

(1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency;

(2) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment, including a civil settlement, rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public

(Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (a)(2) of this certification; and

(4) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

b. Where the prospective participant is unable to certify to any of the statements in this certification, such prospective participant shall provide an explanation to USDOT for documentation in Attachment D to the AMJP Agreement.

TERM E.2
REQUIREMENTS REGARDING DELINQUENT TAX LIABILITY OR A FELONY
CONVICTION UNDER ANY FEDERAL LAW

As required by sections 744 and 745 of Title VII, Division E of the Consolidated Appropriations Act, 2021 (Pub. L. 116-260), and implemented through USDOT Order 4200.6, the funds provided under this award shall not be used to enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that:

- (1) Has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless a Federal agency has considered suspension or debarment of the corporation and made a determination that suspension or debarment is not necessary to protect the interests of the Government; or
- (2) Was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless a Federal agency has considered suspension or debarment of the corporation and made a determination that suspension or debarment is not necessary to protect the interests of the Government.

The Recipient therefore agrees:

1. **Definitions.** For the purposes of this term G.2, the following definitions apply:

“**Felony Conviction**” means a conviction within the preceding 24 months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the United States Code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 U.S.C. 3559.

“**Tax Delinquency**” means an unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

 - (1) the Recipient does not have a Tax Delinquency; and
 - (2) the Recipient does not have a Felony Conviction.
3. **Mandatory Notice.** The Recipient shall immediately notify USDOT if the certification under section 2 becomes inaccurate after the date of this agreement.

TERM E.3

For clarification purposes, they may expand upon the definitions in the executive order.

The term does not include the use of a cell phone or other electronic device for the limited purpose of entering a telephone number to make an outgoing call or answer an incoming call, unless this practice is prohibited by State or local law. The term also does not include glancing at or listening to a navigational device that is secured in a commercially designed holder affixed to the vehicle, provided that the destination and route are programmed into the device either before driving or while stopped in a location off the roadway where it is safe and legal to remain stationary.

For the purpose of this term E.3, the “**Government**” includes the United States Government and State, local, and tribal governments at all levels.

(b) *Workplace Safety.* In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving (Oct. 1, 2009) and DOT Order 3902.10, Text Messaging While Driving (Dec. 30, 2009), the Recipient, subrecipients, contractors, and subcontractors are encouraged to:

You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the USDOT. You must keep records, reports, and submit the material for review upon request to USDOT, or its designee in a timely, complete, and accurate way.
