

**AVIATION MANUFACTURING JOBS PROTECTION (AMJP) PROGRAM****Eligible applicants as of November 5, 2021** *(omitting applicants who subsequently declined their awards).*

All applicants subject to continued verification, audits and other compliance reviews. Amounts subject to reduction if recipient incurs lower actual allowable costs.

**NOTE:** States reflect only the "Primary Business Address" that each applicant identified. They do not necessarily reflect where the affected employees are located.

**"Estimated Jobs Protected" reflects each applicant's** designated EEG (Eligible Employee Group), based on data submitted by the applicants and subsequent verification, clarifications or corrections. These figures are subject to continuing disclosure and potential modification. In some cases, they may include positions that are currently vacant.

PACIFIC PROPELLER INTERNATIONAL LLC	Washington	\$437,585	20

**AVIATION MANUFACTURING JOBS PROTECTION (AMJP) PROGRAM****Eligible applicants as of November 5, 2021** (omitting applicants who subsequently declined their awards).

All applicants subject to continued verification, audits and other compliance reviews. Amounts subject to reduction if recipient incurs lower actual allowable costs.

**NOTE:** States reflect only the "Primary Business Address" that each applicant identified. They do not necessarily reflect where the affected employees are located.

**"Estimated Jobs Protected" reflects each applicant's** designated EEG (Eligible Employee Group), based on data submitted by the applicants and subsequent verification, clarifications or corrections. These figures are subject to continuing disclosure and potential modification. In some cases, they may include positions that are currently vacant.
