- I certify that I am employed by the U.S. Federal Government
- I certify that I am not named on a federally subsidized parking permit with any other federal agency.
- I certify that I am eligible for a public transportation fare benefit, will use it for my daily commute to and from work by public transit or vanpool, and will not give, sell, or transfer it to anyone else.
- I certify that in any given month, I will not use the Government-provided transit benefit in excess of the statutory limit. If my commuting costs per month on public transit exceed the month statutory limit, then I will supplement those additional costs with my own funds rather than use a Government-provided transit benefit designated for use in a future month.
- I certify that I will not claim the transit benefit in excess of my actual monthly commuting expense. If at anytime during a given month I am out of work due to sickness, vacation or any other reason, on official travel, or use a private vehicle for commuting, I will claim less and adjust the amount of my transit benefit the following month if appropriate.
- I certify that my parking fees are not included in the computation of the daily, weekly or monthly commuting costs for my transit benefit.

Note: *The agency used in the email for the username will determine the agency names displayed in the Agency dropdown.*

Note: This page can also be accessed by hovering over the Admin menu option and clicking the Add New User sub-menu option. In most cases <u>all users should create their own profile</u> using the Registration

process on the login page. When an Admin creates a new user, they also create a communication chain to inform and educate the user to obtain the password through their official government email address. This slows the process and defeats the control point of the user providing all certified information.
