## FY 2022 Reconnecting Communities Pilot (RCP) Discretionary Grant Program

# **Key Information Table Instructions**

- \*\*DO NOT CHANGE FILLABLE PDF FILE TYPE OF THIS DOCUMENT WHEN SUBMITTING TO AVOID PROCESSING ERRORS\*\*
- \*\*DO NOT SAVE AS A LOCKED PDF TO AVOID PROCESSING ERRORS\*\*
- \*\*DO NOT COPY/PASTE THIS TABLE INTO A NEW DOCUMENT TO AVOID PROCESSING ERRORS \*\*

Instructions to the Applicant: Please complete this form in its entirety based on your grant application type: Planning Grant or Capital Construction Grant. Submit the file as a separate, unlocked attachment in grants.gov at the time of your application submission. All of the terminology included here is explained in further detail in the NOFO and FAQs. Please consult those resources as you develop your responses.

### Reconnecting Communities Pilot (RCP) Discretionary Grant Program FY2022

### ii. Key Information Table

Lead applicant name and organization type. (Please select one.)*	☐ State ☐ Unit of local government ☐ Federally recognized Tribal government ☐ Metropolitan Planning Organization ☐ Nonprofit organization ☐ Facility Owner (For Capital)
	Construction grant applicants only)
If a joint application, please provide organizational names of sub-recipients that will receive funds and other key partners.	
Indicate the annual budget and staffing of lead applicant organization and partner organization(s), if applicable. For non-profits, also indicate how long your organization has been in operation.	
Does the lead applicant have experience delivering Federally funded projects? If yes, please indicate granting Federal agency.	
Application type: (Please select one.)	☐ Planning Grant ☐ Capital Construction Grant
If interested in receiving DOT technical assistance, which of the following topics are of most interest for your organization? (Please select all that apply.)	☐ Transportation Planning ☐ Community Engagement ☐ Environmental Compliance and Permit Approvals ☐ Equitable Economic Revitalization ☐ Place-Making and Urban Design ☐ Community Stabilization ☐ Data, Performance, and Mapping ☐ Location-efficient Affordable Housing ☐ Other

#### \*For Capital Construction Grant applications:

Although other Planning grant-eligible entities may serve as the lead applicant, the Facility Owner is the only eligible direct recipient and may ultimately choose to administer the award through a sub-recipient. See FAQs for more information.

What is the Eligible Facility Type that creates a barrier, that your application intends to address?       □ Interstate highway       □ State highway         (Please select all that apply.)       □ Other street or road       □ Bridge or viaduct         Note - Eligible facilities are highways or other transportation facilities that create a barrier to community connectivity. This includes barriers to mobility, access, or economic development, due to high speeds, grade separations, or other design factors. See FAQs for more information.       □ Airport       □ Port         □ Gas pipeline       ○ Cher infrastructure – please describe     Location of eligible facility and project area:  State and County, place name of the city, town, or jurisdiction.  Provide Census FIPS codes or other geographic code identifiers for the facility location and project area.  Provide geographic coordinates for the facility (bounding box comprised of four pairs of coordinates that create a rectangle around the facility).  Are the eligible facility and project area located in an economically disadvantaged community? See Section H - Definitions.  Please select one.)  Is the project located in a rural area? See  Section H - Definitions.  □ Yes □ No
intends to address?         (Please select all that apply.)       □ Arterial roadway         Note - Eligible facilities are highways or other transportation facilities that create a barrier to community connectivity. This includes barriers to mobility, access, or economic development, due to high speeds, grade separations, or other design factors. See FAQs for more information.       □ Rail         Location of eligible facility and project area: State and County, place name of the city, town, or jurisdiction.       □ Cas pipeline Other infrastructure – please describe         Provide Census FIPS codes or other geographic code identifiers for the facility (bounding box comprised of four pairs of coordinates that create a rectangle around the facility).       □ Yes         Are the eligible facility and project area located in an economically disadvantaged community? See Section H - Definitions. (Please select one.)       □ Yes         Is the project located in a rural area? See       □ Yes

Management Plan? be in such plan by the time of obligation of
(Please select one and provide a link or include   the award.)

For Planning Grant applicants and Capital Construction Grant applicants: Name of the Facility Owner(s) of the eligible facility creating the barrier, if not the Lead Applicant. Note – The NOFO defines "Eligible facility" as a highway or other transportation facility that creates a barrier to community connectivity, including barriers to mobility, access, or economic development, due to high speeds, grade separations, or other design factors.  For Capital Construction Grant applicants: If the lead applicant is not the Facility Owner, does the application include a Facility Owner endorsement? (Please select one.) Note - In its endorsement, the Facility Owner should explicitly acknowledge an understanding of the proposed project and the intent to carry out a construction action on the facility that it owns. The Facility Owner should also acknowledge an understanding that if DOT makes the award, the Facility Owner agrees to act as the recipient and administer the award. The Facility Owner may ultimately choose to administer the award through a sub-recipient. See FAQs for more information.	□ Yes □ No
RCP Project Type: What type of transportation facility construction is proposed to reconnect your community, if known?  (Select multiple as appropriate.)	<ul> <li>□ Pedestrian – Bicycle</li> <li>□ Transit</li> <li>□ Road</li> <li>□ Eligible Facility Removal</li> <li>□ Bridge, Tunnel, Cap, Deck or Lid</li> <li>□ Rail</li> <li>□ Other infrastructure – please describe</li> </ul>
Total Reconnecting Communities grant request amount.  Note: For Planning, the maximum RCP grant award is \$2 million. For Capital Construction, the minimum RCP grant award is \$5 million.
