

DOT HQs Bicycle Commuter Services

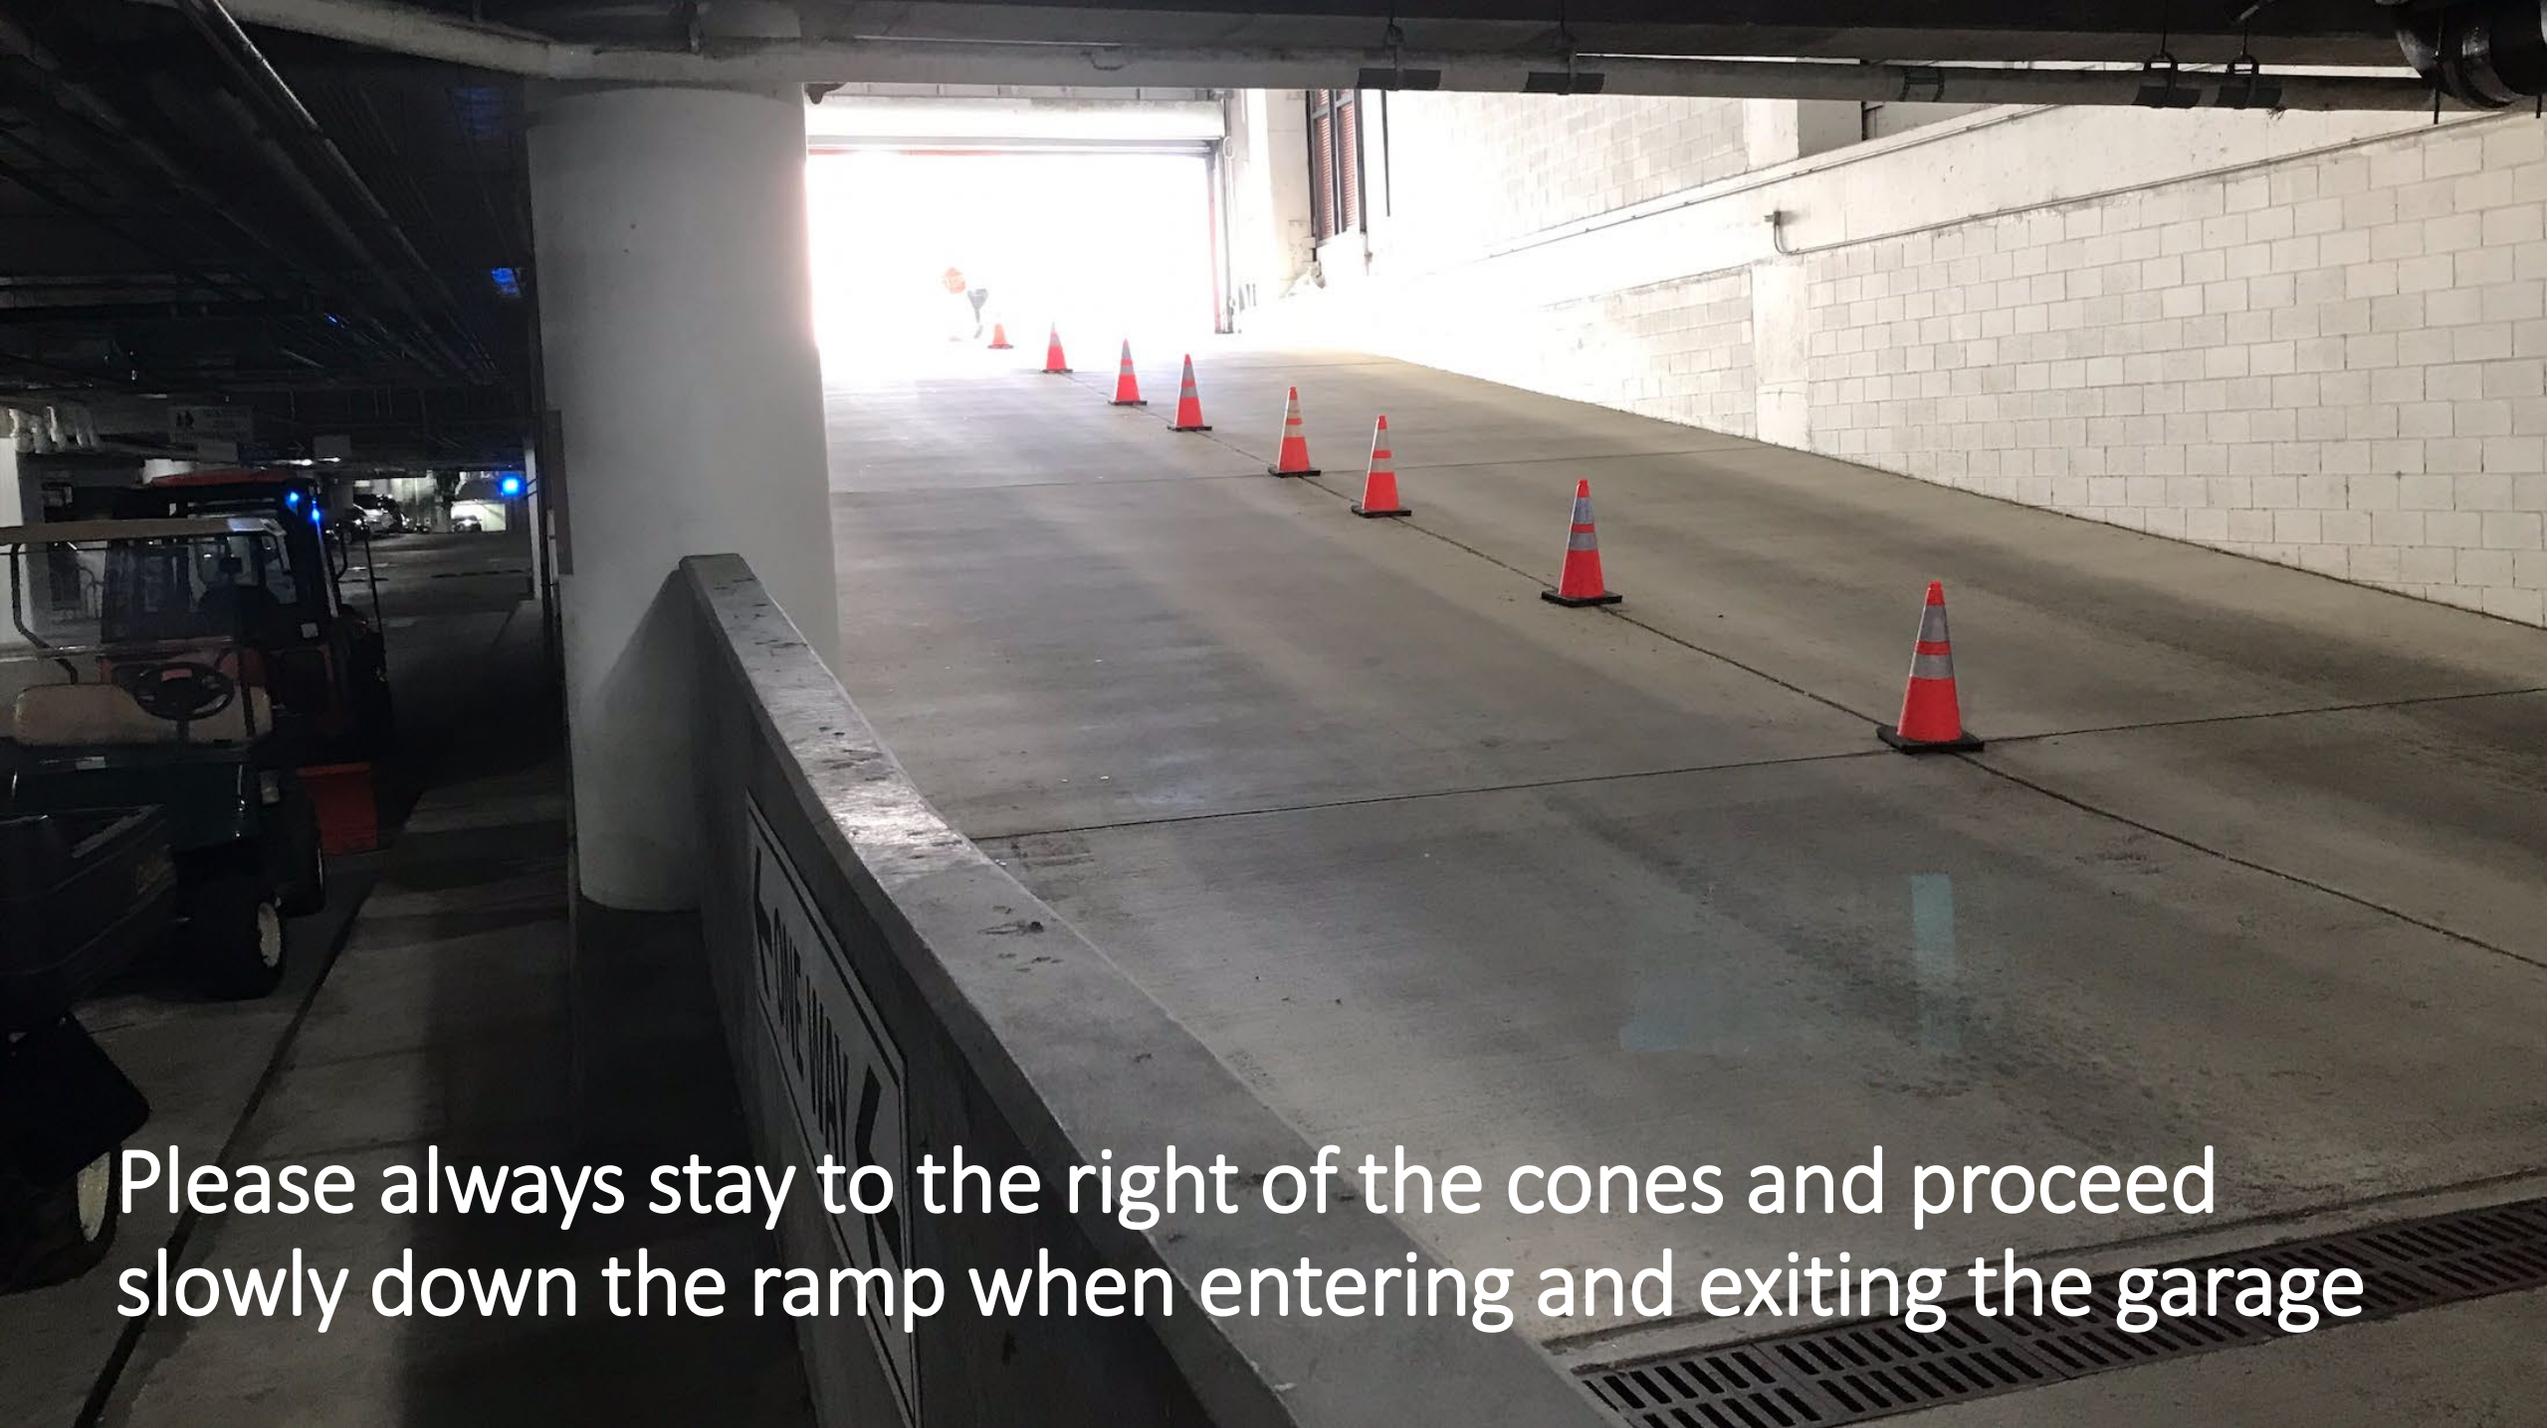

- Garage procedures and accommodations
- Registration process with the parking office
- New Bicycle Benefit Policy
- Q&A

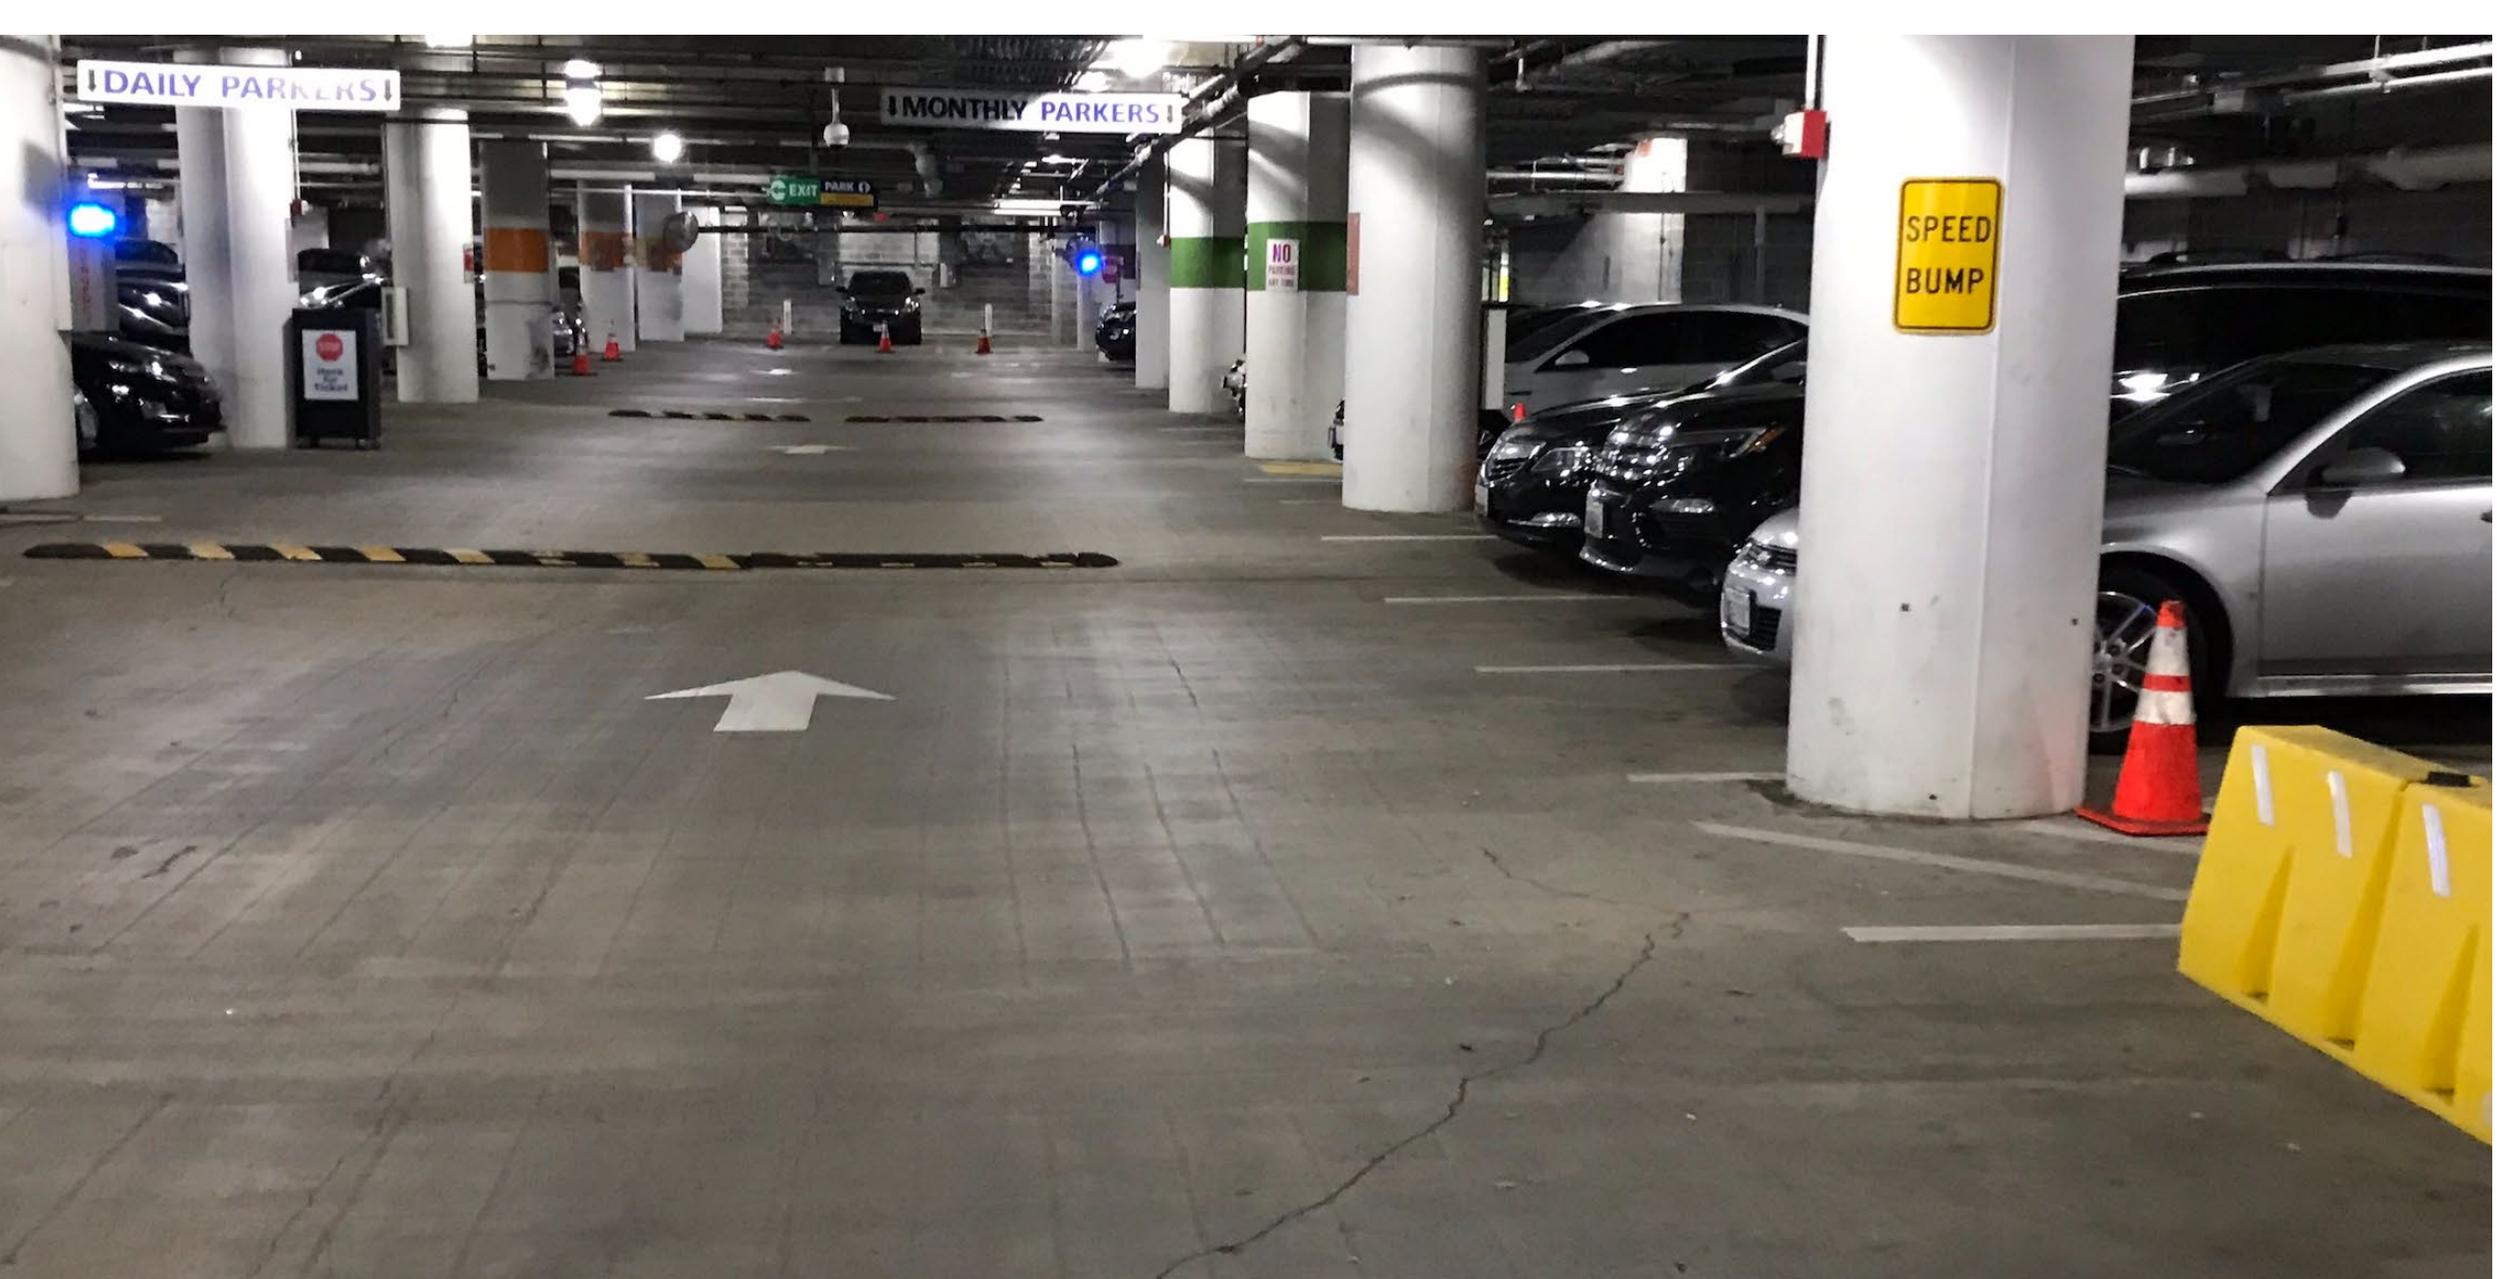

Vehicle Entrance only

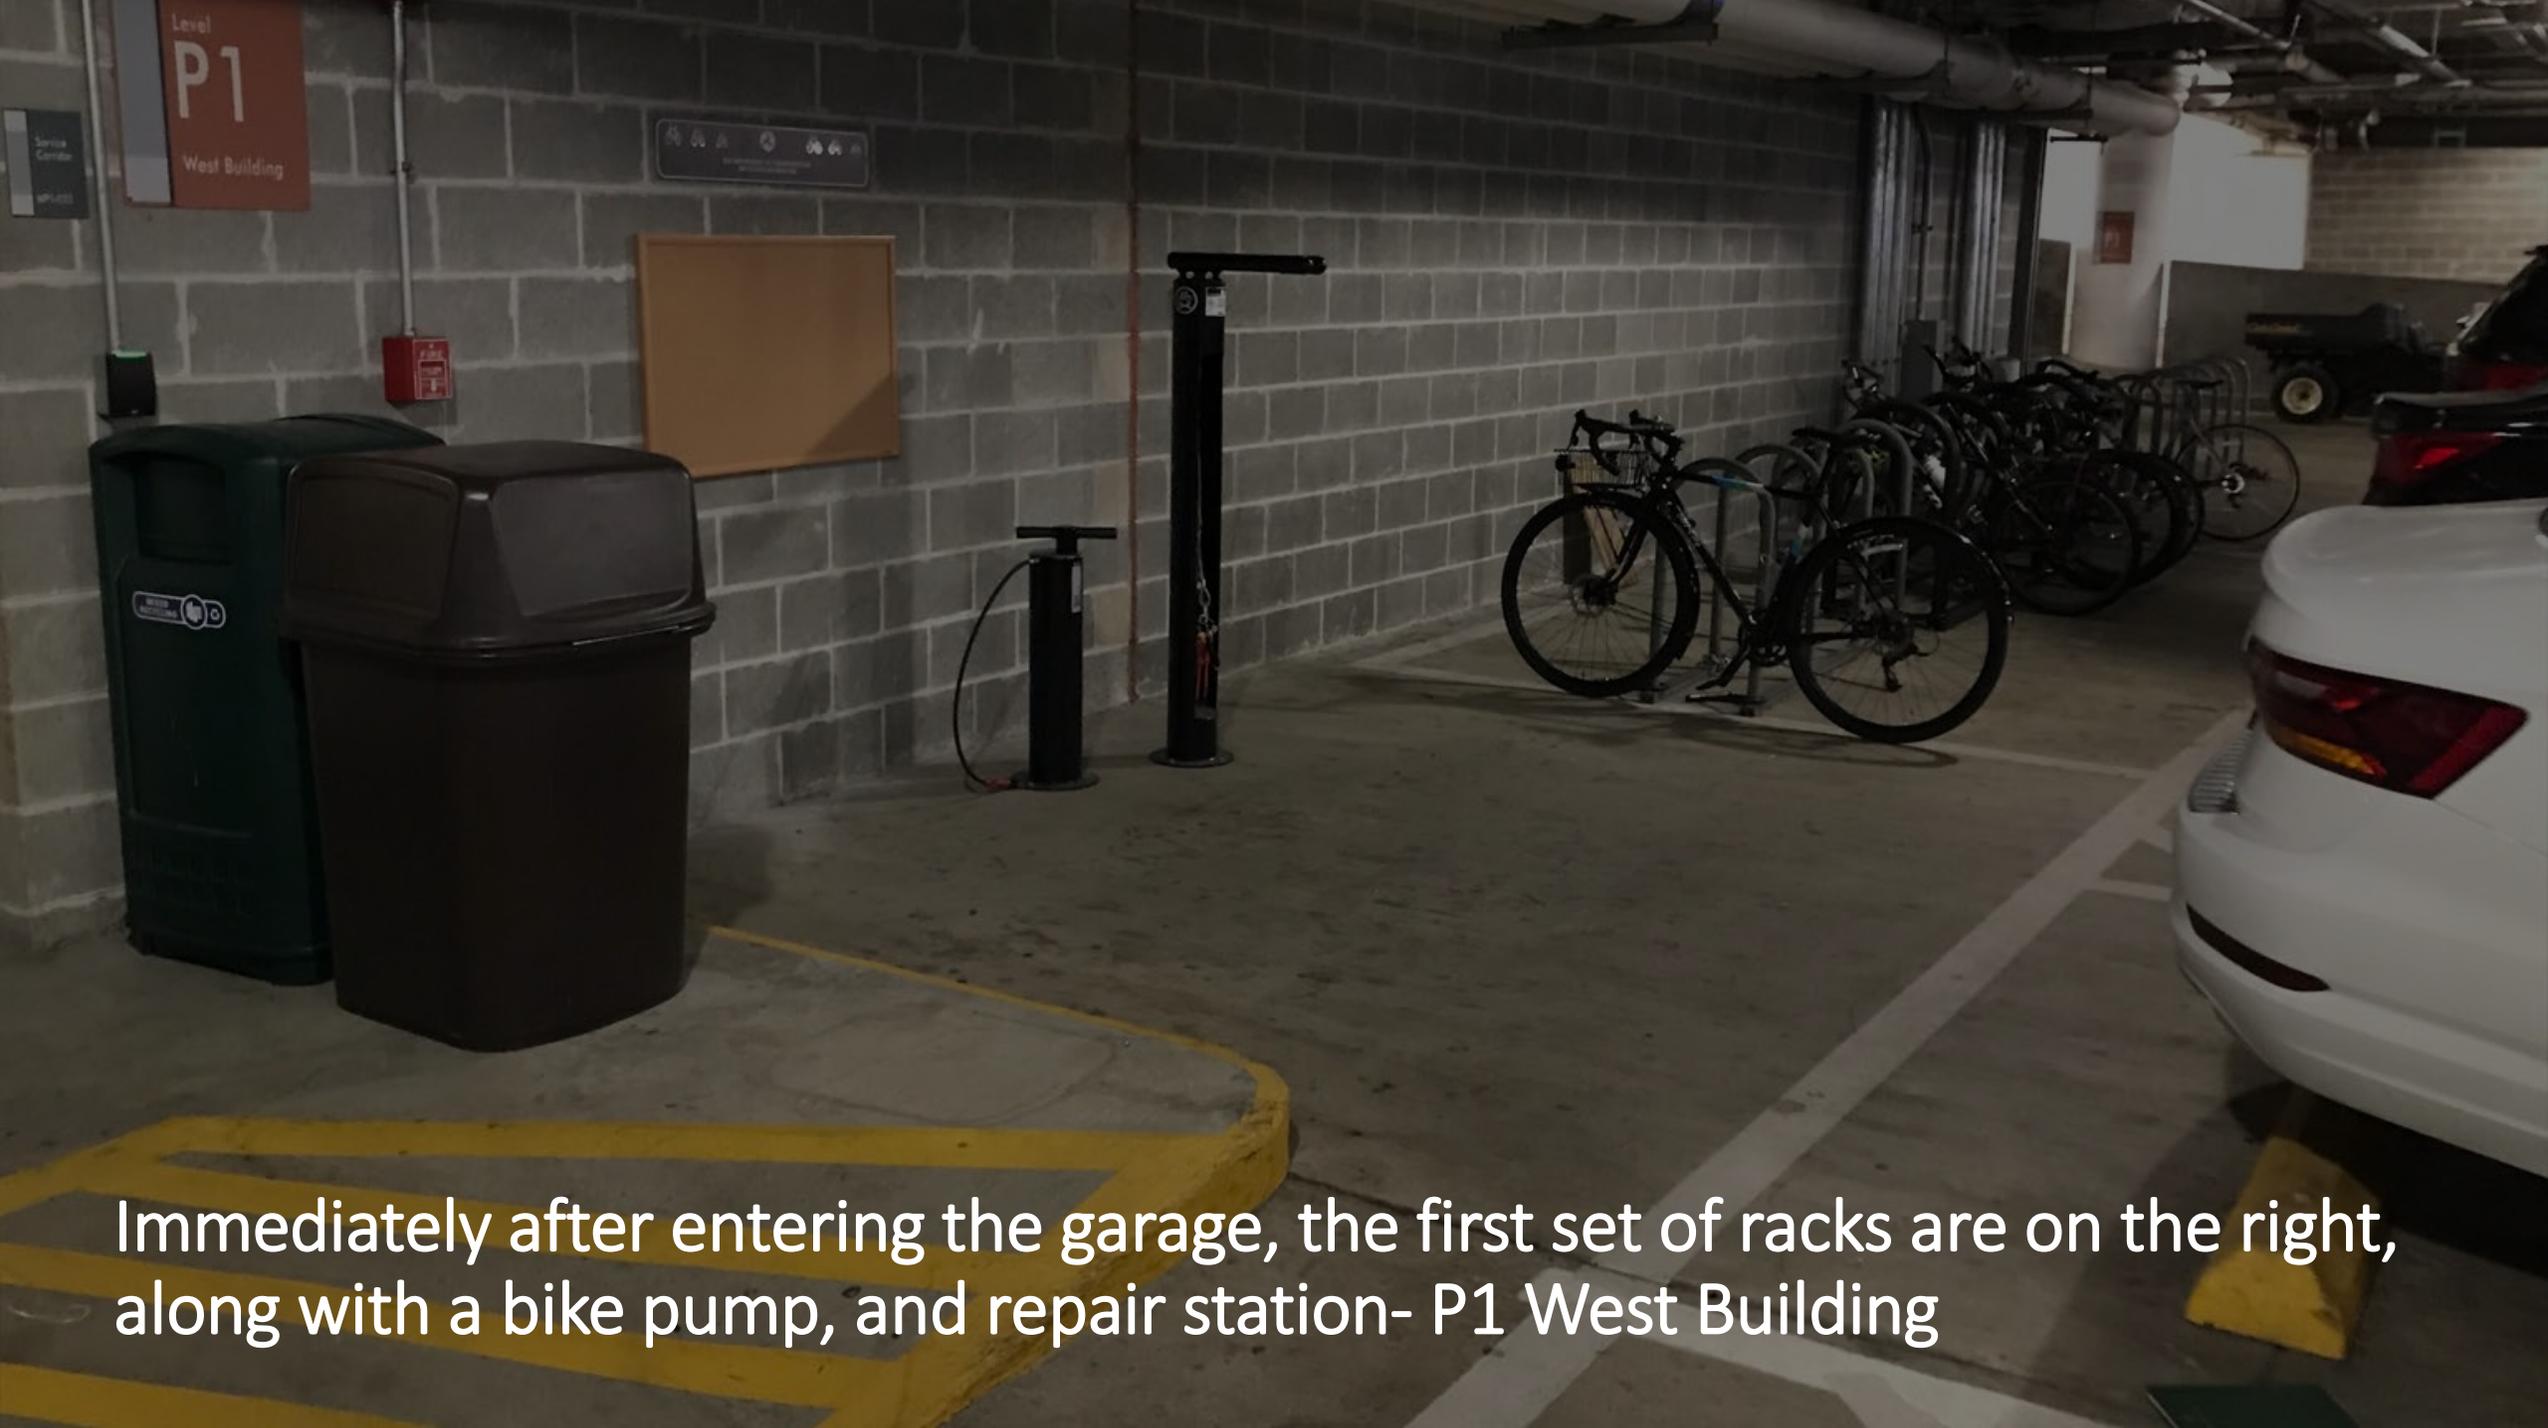

Bicycle commuters use sidewalks and present PIV cards to the security guard at the entrance of the garage.

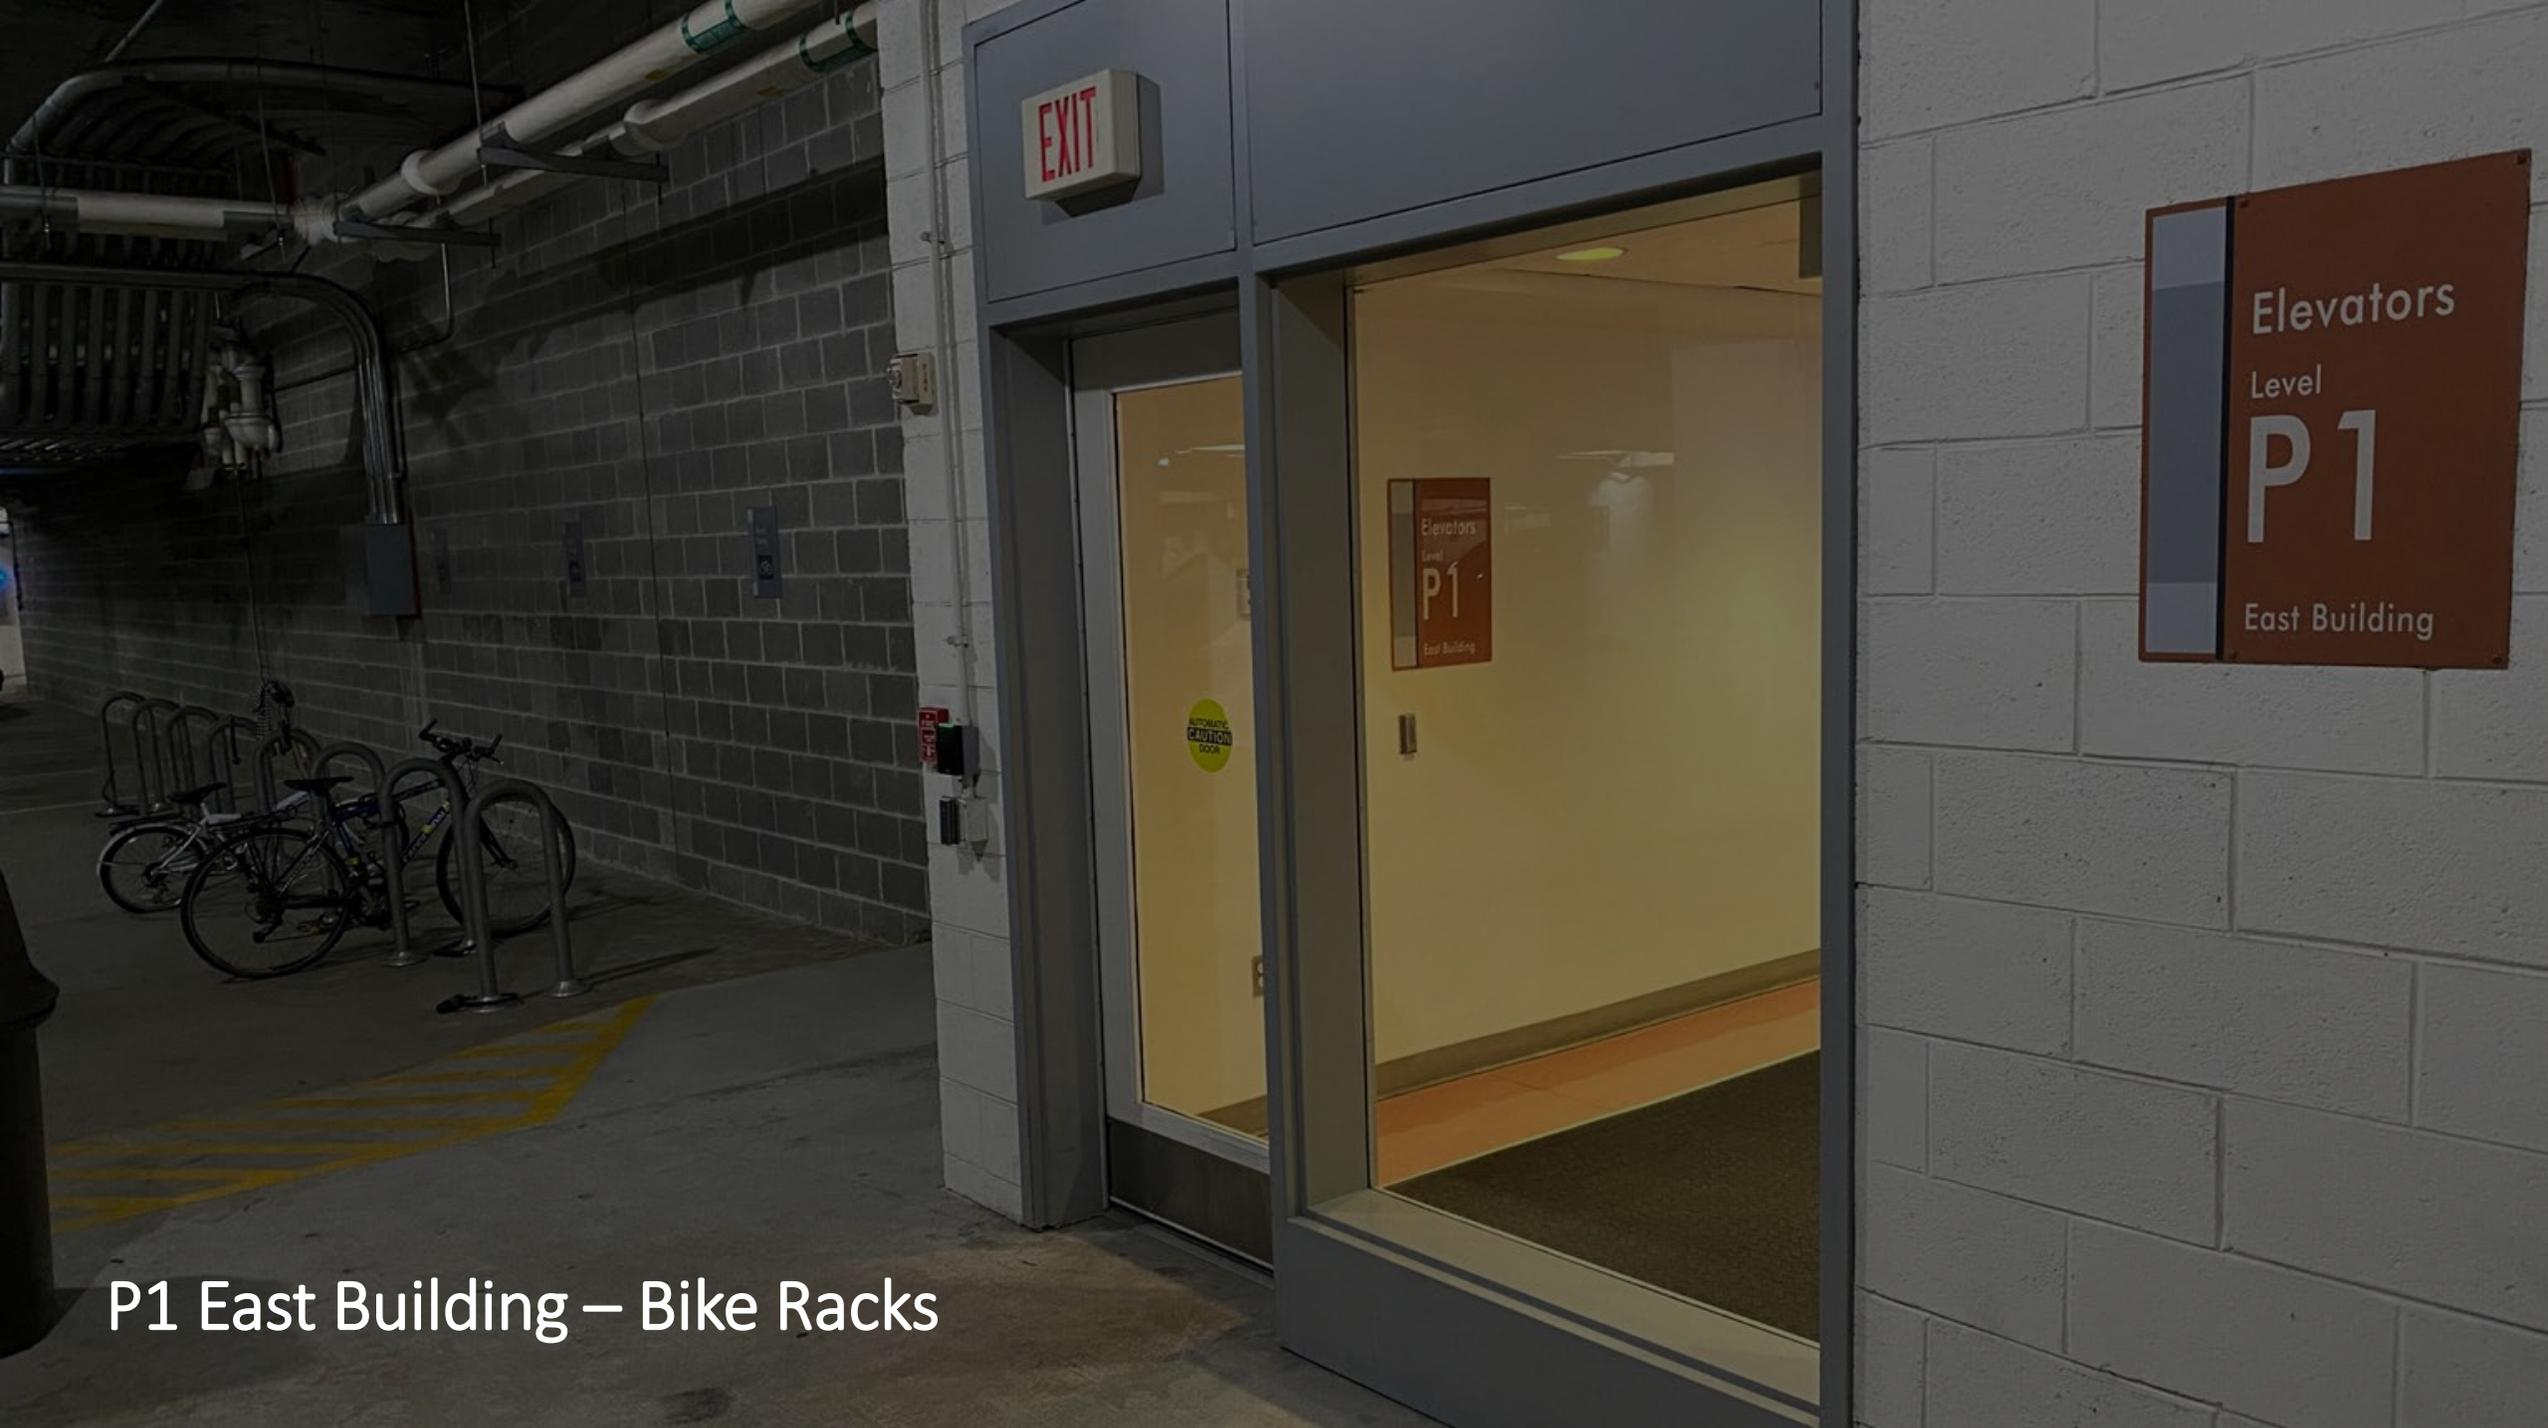

Please always stay to the right of the cones and proceed slowly down the ramp when entering and exiting the garage

Once inside the garage, follow the arrows

Immediately after entering the garage, the first set of racks are on the right, along with a bike pump, and repair station- P1 West Building

Name and Bike are registered

Thank you, your application has been submitted. You will be notified of your application status within 5-7 business days. Applications are valid until the next parking recertification. Parking recertification's are conducted on an annual basis. Monthly permits must be purchased and displayed by the 1st business day of the new month. Daily customers are required to pay on the same day in which the permit was issued. Please contact the Parking Transit Office at parking.transitoffice@dot.gov with any questions or concerns.
