

1. LINKING THE WEB APPLICATIONS TO LOGIN.GOV

Participants will need to have an account with the Transit Benefit Program prior to linking the accounts. Refer to the Transit Benefit Applicant Guide for instructions on registration.

1.1 Linking an Existing User Account

The Login.gov functionality must be enabled for the participant's agency to link an account to Login.gov. The below steps give instructions for linking the Transit Benefit Web Application.

Use the following steps to link an account:

1. Enter the URL: <https://transitapp.ost.dot.gov>. The Transit System Login page is displayed.
2. Enter the username entered when the account was registered in the User Name textbox.
3. Click the **Continue to Login** button. The Login page displays.
