

Appendix C

Level 1 and Level 2 EV Charging Parking Spaces

DOT HQ Parkers that apply for Electric Vehicle (EV) parking permits will have the option to purchase Level 1 and Level 2 EV Charging Permits. These permits are provided on a first come first serve basis on the DOT Headquarters Parking Reservation Web Page. [DOT | Pass \(usedirect.com\)](#) The daily electricity fee is included in the permit cost.

- A. Level 1 EV charging permits allow parkers to park in designated Level 1 EV Parking Only spaces located throughout the DOT HQ Garage. Electrical outlets are accessible at each space. Parker must have their own charger.
- B. Level 2 EV charging permits allow employees to park in designated Level 2 EV Parking Only spaces located throughout the P1 level of the DOT HQ Garage. Level 2 chargers are provided at each space.
- C. Accessible Level 2 Charging Zone B Daily Permits allow approved persons with disabilities to park in the Accessible Level 2 Charging spaces located in Accessible Zone B.

Parked vehicles in a Level 2 EV parking space without the proper permit will receive a Parking Warning. Multiple warnings could result in parking privileges being revoked.
