DOT HQs Garage Announcement

BULLETIN #: TSB-2023-08 **DATE:** July 27, 2023

SUBJECT: HQs Garage Electric Vehicle (EV) Level-2 Charging Stations

PURPOSE: Coming Soon- EV Level-2 charging in the DOT Headquarters Parking Garage for privately owned vehicles

INFORMATION:

HQs personnel who own electric vehicles and are registered to park in the HQs garage will soon have the option to charge their car batteries using Level (2) charging units. Permitholders will have access to Level (2) charging units that double the EV battery charging capability currently offered in the HQs garage.

Permits are available for purchase on a first come first serve basis at- DOT | Pass (usedirect.com)
For more information on the HQs EV charging program, please visit Parking Policy - https://www.transportation.gov/transerve/appendix-c-level-1-and-level-2-ev-charging-parking-spaces

Level (2) charging will be located in designated areas of the garage identified by signs:

ACTION: Beginning July 31, 2023, HQs personnel with registered EVs will have the option to purchase Level-2 charging daily permits. These permits provide access to designated parking spaces with installed Level 2 charger units. EV owners are responsible for connecting their vehicles to charger units.

EXPIRATION DATE: This bulletin will remain in effect until cancelled.

CONTACT: If you have questions regarding this bulletin, please contact the Parking and Transit Benefit Office at (202) 366-1398 or Parking.TransitOffice@dot.gov.
