GENERAL TERMS AND CONDITIONS

The Infrastructure Investment and Jobs Act, Pub. L. No. 117-58 (Nov. 15, 2021) (the “**IJA**”) made funds available to the United States Department of Transportation (the “**USDOT**”) for fiscal year 2022 to carry out 23 U.S.C. 117 by providing Federal financial assistance for projects of national or regional significance. The USDOT program administering those funds is the INFRA program.

On March 22, 2022, the USDOT posted a funding opportunity at Grants.gov with funding opportunity title “INFRA Grants” and funding opportunity number NSMFHP-22-INFRA-22. The notice of funding opportunity posted at Grants.gov, as amended on May 18, 2022, (the “**NOFO**”) solicited applications for Federal financial assistance under the fiscal year 2022 INFRA program. Because the NOFO also made funding available for two other programs, DOT also collected INFRA applications under funding opportunity numbers NIPA-22-MEGA-22 and RSTGP-22-RURAL-22. On September 15, 2022, the USDOT announced application selections under the NOFO for the INFRA program.

These general terms and conditions are incorporated by reference in a project-specific agreement under the fiscal year 2022 INFRA program. The term “Recipient” is defined in the project-specific portion of the agreement. The project-specific portion of the agreement includes schedules A through J. The project-specific portion of the agreement may include special terms and conditions in project-specific articles.

ARTICLE 1 PURPOSE

- 1.1 Purpose.** The purpose of this award is to fund an eligible project of national or regional significance to help achieve the goals identified at 23 U.S.C. 117(a)(2). The parties will accomplish that purpose by achieving the following objectives:
- (1) timely completing the Project; and
 - (2) ensuring that this award does not substitute for non-Federal investment in the Project, except as proposed in the Technical Application, as modified by schedule D.

ARTICLE 2 USDOT ROLE

2.1 Division of USDOT Responsibilities.

- (a) The Office of the Secretary of Transportation is responsible for the USDOT’s overall administration of the INFRA program, the approval of this agreement, and any modifications to this agreement under section 15.1.

- (b) The Federal Railroad Administration (the “**FRA**”) will administer this agreement on behalf of the USDOT. In this agreement, the “**Administering Operating Administration**” means the FRA.

ARTICLE 3 RECIPIENT ROLE

3.1 Statements on the Project. The Recipient states that:

- (1) all material statements of fact in the Technical Application were accurate when that application was submitted; and
- (2) schedule E documents all material changes in the information contained in that application.

3.2 Statements on Authority and Capacity. The Recipient states that:

- (1) it has the authority to receive Federal financial assistance under this agreement;
- (2) it has the legal authority to complete the Project;
- (3) it has the capacity, including institutional, managerial, and financial capacity, to comply with its obligations under this agreement;

- (4) not less than the difference between the total eligible project costs listed in section 3 of schedule D and the INFRA Grant Amount listed in section 1 of schedule D is committed to fund the Project;
- (5) it has sufficient funds available to ensure that infrastructure completed or improved under this agreement will be operated and maintained in compliance with this agreement and applicable Federal law; and
- (6) the individual executing this agreement on behalf of the Recipient has authority to enter this agreement and make the statements in this article 3 and in section 20.7 on behalf of the Recipient.

3.3 USDOT Reliance. The Recipient acknowledges that:

- (1) the USDOT relied on statements of fact in the Technical Application to select the Project to receive this award;
- (2) the USDOT relied on statements of fact in both the Technical Application and this agreement to determine that the Recipient and the Project are eligible under the terms of the NOFO;
- (3) the USDOT relied on statements of fact in both the Technical Application and this agreement to establish the terms of this agreement; and
- (4) the USDOT's selection of the Project to receive this award prevented awards under the NOFO to other eligible applicants.

3.4 Project Delivery.

- (a) The Recipient shall complete the Project under the terms of this agreement.
- (b) The Recipient shall ensure that the Project is financed, constructed, operated, and maintained in accordance with all Federal laws, regulations, and policies that are applicable to projects of the Administering Operating Administration.

3.5 Rights and Powers Affecting the Project.

- (a) The Recipient shall not take or permit any action that deprive it of any rights or powers necessary to the Recipient's performance under this agreement without written approval of the USDOT.
- (b) The Recipient shall act promptly, in a manner acceptable to the USDOT, to acquire, extinguish, or modify any outstanding rights or claims of right of others that would interfere with the Recipient's performance under this agreement.

3.6 Notification of Changes to Key Personnel. The Recipient shall notify all USDOT representatives who are identified in section 5 of schedule A in writing within 30

calendar days of any change in key personnel who are identified in section 4 of schedule A.

ARTICLE 4

AWARD AMOUNT, OBLIGATION, AND TIME PERIODS

- 4.1 Federal Award Amount.** The USDOT hereby awards an INFRA Grant to the Recipient in the amount listed in section 1 of schedule D as the INFRA Grant Amount.
- 4.2 Federal Funding Source.**
- (a) If section 3 of schedule F identifies the Funding Source as “Trust Fund,” then the INFRA Grant is from INFRA program funding that was made available at IJJA div. A § 11101(a)(5)(A).
 - (b) If section 3 of schedule F identifies the Funding Source as “General Fund,” then the INFRA Grant is from INFRA program funding that was appropriated in IJJA div. J for fiscal year 2022.
 - (c) If section 3 of schedule F contains a table that lists separate amounts for “Trust Fund” and “General Fund,” then the amount listed for “Trust Fund” is from INFRA program funding that was made available at IJJA div. A § 11101(a)(5)(A) and the amount listed for “General Fund” is from INFRA program funding that was appropriated in IJJA div. J for fiscal year 2022.
- 4.3 Federal Obligations.** This agreement obligates for the budget period the amount listed in section 1 of schedule D as the INFRA Grant Amount.
- 4.4 Budget Period.** The budget period for this award begins on the date of this agreement and ends on the budget period end date that is listed as the “Federal Funding Period” in ¶ 5 on the agreement cover sheet. In this agreement, “budget period” is used as defined at 2 C.F.R. 200.1.
- 4.5 Period of Performance.** The period of performance for this award is listed as the “Project Performance Period” in ¶ 4 on the agreement cover sheet. In this agreement, “period of performance” is used as defined at 2 C.F.R. 200.1.

ARTICLE 5

STATEMENT OF WORK, SCHEDULE, AND BUDGET CHANGES

- 5.1 Notification Requirement.** The Recipient shall notify all USDOT representatives who are identified in section 5 of schedule A in writing within 30 calendar days of any change in circumstances or commitments that adversely affect the Recipient’s plan to complete the Project. In that notification, the Recipient shall describe the change and what actions

the Recipient has taken or plans to take to ensure completion of the Project. This notification requirement under this section 5.1 is separate from any requirements under this article 5 that the Recipient request modification of this agreement.

5.2 Scope and Statement of Work Changes. If the Project’s activities differ from the activities described in schedule B, then the Recipient shall request a modification of this agreement to update schedule B.

5.3 Schedule Changes. If one or more of the following conditions are satisfied, then the Recipient shall request a modification of this agreement to update schedule C:

- (1) a completion date for the Project or a component of the Project is listed in section 2 of schedule C and the Recipient’s estimate for that milestone changes to a date that is more than six months after the date listed in section 2 of schedule C;
- (2) a schedule change would require the budget period to continue after the end of the budget period defined in section 4.4; or
- (3) a schedule change would require the period of performance to continue after the end of the period of performance defined in section 4.5.

For other schedule changes, the Recipient shall follow the applicable procedures of the Administering Operating Administration and document the changes in writing.

5.4 Budget Changes.

- (a) The Recipient acknowledges that if the cost of completing the Project increases:
 - (1) that increase does not affect the Recipient’s obligation under this agreement to complete the Project; and
 - (2) the USDOT will not increase the amount of this award to address any funding shortfall.
- (b) The Recipient shall request a modification of this agreement to update schedule D if, in comparing the Project’s budget to the amounts listed in the “Project Budget by Source” table in section 3 of schedule D:
 - (1) the “Non-Federal Funds” project contribution amount decreases; or
 - (2) the total eligible project costs amount decreases.
- (c) For budget changes that are not identified in section 5.4(b), the Recipient shall follow the applicable procedures of the Administering Operating Administration and document the changes in writing.
- (d) If there are Project Cost Savings, then the Recipient may propose to the USDOT, in writing consistent with the Administering Operating Administration’s requirements, to

include in the Project specific additional activities that are within the scope of this award, as defined in section 1.1 and schedule B, and that the Recipient could complete with the Project Cost Savings.

In this agreement, “**Project Cost Savings**” means the difference between the actual eligible project costs and the total eligible project costs that are listed in the “Project Budget by Source” table in section 3 of schedule D, but only if the actual eligible project costs are less than the total eligible project costs that are listed in the “Project Budget by Source” table in section 3 of schedule D. There are no Project Cost Savings if the actual eligible project costs are equal to or greater than the total eligible project costs that are listed in the “Project Budget by Source” table in section 3 of schedule D.

(e) If there are Project Cost Savings and either the Recipient does not make a proposal under section 5.4(d) or the USDOT does not accept the Recipient’s proposal under section 5.4(d), then:

- (1) in a request under section 5.4(b), the Recipient shall reduce the Federal Share by the Project Cost Savings; and
- (2) if that modification reduces this award and the USDOT had reimbursed costs exceeding the revised award, the Recipient shall refund to the USDOT the difference between the reimbursed costs and the revised award.

In this agreement, “**Federal Share**” means the sum of the total “INFRA Funds” and “Other Federal Funds” amounts that are listed in section 3 of schedule D.

(f) The Recipient acknowledges that amounts that are required to be refunded under section 5.4(e)(2) constitute a debt to the Federal Government that the USDOT may collect under 2 C.F.R. 200.346 and the Federal Claims Collection Standards (31 C.F.R. parts 900–999).

5.5 USDOT Acceptance of Changes. The USDOT may accept or reject modifications requested under this article 5, and in doing so may elect to consider only the interests of the INFRA program and the USDOT. The Recipient acknowledges that requesting a modification under this article 5 does not amend, modify, or supplement this agreement unless the USDOT accepts that modification request and the parties modify this agreement under section 15.1.

ARTICLE 6

GENERAL REPORTING TERMS

6.1 Report Submission. The Recipient shall send all reports required by this agreement to all USDOT contacts who are listed in section 5 of schedule A and all USDOT contacts who are listed in section 2.2.

6.2 Alternative Reporting Methods. The Administering Operating Administration may establish processes for the Recipient to submit reports required by this agreement,

including electronic submission processes. If the Recipient is notified of those processes in writing, the Recipient shall use the processes required by the Administering Operating Administration.

- 6.3 Paperwork Reduction Act Notice.** Under 5 C.F.R. 1320.6, the Recipient is not required to respond to a collection of information that does not display a currently valid control number issued by the Office of Management and Budget (the “OMB”). Notwithstanding any other term of this agreement, the due date for any information collections required under this agreement, including the reporting requirements in article 7, is the later of (1) the due date stated with the requirement and (2) the 30th day after OMB approves that information collection.

ARTICLE 7 PROGRESS AND FINANCIAL REPORTING

7.1 Quarterly Project Progress Reports and Recertifications.

- (a) On or before the 30th day of the first month of each calendar year quarter and until the end of the period of performance, the Recipient shall submit to the USDOT a Quarterly Project Progress Report and Recertification that contains, for the previous quarter:
- (1) a complete FRA Form 34¹;
 - (2) a certification that the Recipient is in compliance with 2 C.F.R. 200.303 (Internal Controls) and 2 C.F.R. Part 200, Subpart F (Audit Requirements); and
 - (3) the certification required under 2 C.F.R. 200.415(a).

If the date of this agreement is in the final month of a calendar year quarter, then the Recipient shall submit the first Quarterly Project Progress Report and Recertification in the second calendar year quarter that begins after the date of this agreement.

- (b) On or before the 30th day of the first month of each calendar year quarter and until the end of the period of performance, the Recipient shall submit to the USDOT through GrantSolutions a Federal Financial Report (SF-425) covering the previous calendar year quarter.

7.2 Final Progress Reports and Financial Information. No later than 120 days after the end of the period of performance, the Recipient shall submit

- (1) a final Quarterly Project Progress Report and Recertification in the format and with the content described in section 7.1(a) for each Quarterly Project Progress Report and Recertification;

¹ FRA Form 34 is available at <https://railroads.dot.gov/grant-administration/reporting-requirements/fra-reports>

- (2) a final SF-425 through GrantSolutions;
- (3) a Final Performance Report FRA Form 33 as provided by FRA²; and
- (4) any other information required under the Administering Operating Administration's award closeout procedures.

ARTICLE 8 [RESERVED]

ARTICLE 9 NONCOMPLIANCE AND REMEDIES

9.1 Noncompliance Determinations.

- (a) If the USDOT determines that the Recipient may have failed to comply with the United States Constitution, Federal law, or the terms and conditions of this agreement, the USDOT may notify the Recipient of a proposed determination of noncompliance. For the notice to be effective, it must be written and the USDOT must include an explanation of the nature of the noncompliance, describe a remedy, state whether that remedy is proposed or effective at an already determined date, and describe the process through and form in which the Recipient may respond to the notice.
- (b) If the USDOT notifies the Recipient of a proposed determination of noncompliance under section 9.1(a), the Recipient may, not later than 7 calendar days after the notice, respond to that notice in the form and through the process described in that notice. In its response, the Recipient may:
 - (1) accept the remedy;
 - (2) acknowledge the noncompliance, but propose an alternative remedy; or
 - (3) dispute the noncompliance.

To dispute the noncompliance, the Recipient must include in its response documentation or other information supporting the Recipient's compliance.

- (c) The USDOT may make a final determination of noncompliance only:
 - (1) after considering the Recipient's response under section 9.1(b); or
 - (2) if the Recipient fails to respond under section 9.1(b), after the time for that response has passed.

² FRA Form 33 is available at <https://railroads.dot.gov/grant-administration/reporting-requirements/fra-reports>

- (d) To make a final determination of noncompliance, the USDOT must provide a notice to the Recipient that states the bases for that determination.

9.2 Remedies.

- (a) If the USDOT makes a final determination of noncompliance under section 9.1, the USDOT may impose a remedy, including:
 - (1) additional conditions on the award;
 - (2) any remedy permitted under 2 C.F.R. 200.339–200.340, including withholding of payments; disallowance of previously reimbursed costs, requiring refunds from the Recipient to the USDOT; suspension or termination of the award; or suspension and disbarment under 2 C.F.R. part 180; or
 - (3) any other remedy legally available.
- (b) To impose a remedy, the USDOT must provide a written notice to the Recipient that describes the remedy, but the USDOT may make the remedy effective before the Recipient receives that notice.
- (c) If the USDOT determines that it is in the public interest, the USDOT may impose a remedy, including all remedies described in section 9.2(a), before making a final determination of noncompliance under section 9.1. If it does so, then the notice provided under section 9.1(d) must also state whether the remedy imposed will continue, be rescinded, or modified.
- (d) In imposing a remedy under this section 9.2 or making a public interest determination under section 9.2(c), the USDOT may elect to consider the interests of only the USDOT.
- (e) The Recipient acknowledges that amounts that the USDOT requires the Recipient to refund to the USDOT due to a remedy under this section 9.2 constitute a debt to the Federal Government that the USDOT may collect under 2 C.F.R. 200.346 and the Federal Claims Collection Standards (31 C.F.R. parts 900–999).

- 9.3 Other Oversight Entities.** Nothing in this article 9 limits any party’s authority to report activity under this agreement to the United States Department of Transportation Inspector General or other appropriate oversight entities.

ARTICLE 10 AGREEMENT TERMINATION

10.1 USDOT Termination.

- (a) The USDOT may terminate this agreement and all of its obligations under this agreement if any of the following occurs:

- (1) the Recipient fails to obtain or provide any non-INFRA Grant contribution or alternatives approved by the USDOT as provided in this agreement and consistent with schedule D;
 - (2) a completion date for the Project or a component of the Project is listed in section 2 of schedule C and the Recipient fails to meet that milestone by six months after the date listed in section 2 of schedule C;
 - (3) the Recipient fails to meet a milestone listed in section 3 of schedule C by the deadline date listed in that section for that milestone;
 - (4) the Recipient fails to comply with the terms and conditions of this agreement, including a material failure to comply with the project schedule in schedule C even if it is beyond the reasonable control of the Recipient;
 - (5) circumstances cause changes to the Project that the USDOT determines are inconsistent with the USDOT's basis for selecting the Project to receive an INFRA Grant; or
 - (6) the USDOT determines that termination of this agreement is in the public interest.
- (b) In terminating this agreement under this section, the USDOT may elect to consider only the interests of the USDOT.
 - (c) This section 10.1 does not limit the USDOT's ability to terminate this agreement as a remedy under section 9.2.
 - (d) The Recipient may request that the USDOT terminate the agreement under this section 10.1.

10.2 Closeout Termination.

- (a) This agreement terminates on Project Closeout.
- (b) In this agreement, "**Project Closeout**" means the date that the USDOT notifies the Recipient that the award is closed out. Under 2 C.F.R. 200.344, Project Closeout should occur no later than one year after the end of the period of performance.

10.3 Post-Termination Adjustments. The Recipient acknowledges that under 2 C.F.R. 200.345–200.346, termination of the agreement does not extinguish the USDOT's authority to disallow costs, including costs that the USDOT reimbursed before termination, and recover funds from the Recipient.

10.4 Non-Terminating Events.

- (a) The end of the budget period described under section 4.4 does not terminate this agreement or the Recipient's obligations under this agreement.

- (b) The end of the period of performance described under section 4.5 does not terminate this agreement or the Recipient's obligations under this agreement.
- (c) The cancellation of funds under section 14.2 does not terminate this agreement or the Recipient's obligations under this agreement.

10.5 Other Remedies. The termination authority under this article 10 supplements and does not limit the USDOT's remedial authority under article 9 or 2 C.F.R. part 200, including 2 C.F.R. 200.339–200.340.

ARTICLE 11

MONITORING, FINANCIAL MANAGEMENT, CONTROLS, AND RECORDS

11.1 Recipient Monitoring and Record Retention.

- (a) The Recipient shall monitor activities under this award, including activities under subawards and contracts, to ensure:
 - (1) that those activities comply with this agreement; and
 - (2) that funds provided under this award are not expended on costs that are not allowable under this award or not allocable to this award.
- (b) If the Recipient makes a subaward under this award, the Recipient shall monitor the activities of the subrecipient in compliance with 2 C.F.R. 200.332(d).
- (c) The Recipient shall retain records relevant to the award as required under 2 C.F.R. 200.334.

11.2 Financial Records and Audits.

- (a) The Recipient shall keep all project accounts and records that fully disclose the amount and disposition by the Recipient of the award funds, the total cost of the Project, and the amount or nature of that portion of the cost of the Project supplied by other sources, and any other financial records related to the project.
- (b) The Recipient shall keep accounts and records described under section 11.2(a) in accordance with a financial management system that meets the requirements of 2 C.F.R. 200.301–200.303, 2 C.F.R. 200 subpart F, and title 23, United States Code, and will facilitate an effective audit in accordance with 31 U.S.C. 7501–7506.
- (c) The Recipient shall separately identify expenditures under the fiscal year 2022 INFRA program in financial records required for audits under 31 U.S.C. 7501–7506. Specifically, the Recipient shall:

- (1) list expenditures under that program separately on the schedule of expenditures of Federal awards required under 2 C.F.R. 200 subpart F, including “FY 2022” in the program name; and
 - (2) list expenditures under that program on a separate row under Part II, Item 1 (“Federal Awards Expended During Fiscal Period”) of Form SF-SAC, including “FY 2022” in column c (“Additional Award Identification”).
- 11.3 Internal Controls.** The Recipient shall establish and maintain internal controls as required under 2 C.F.R. 200.303.
- 11.4 USDOT Record Access.** The USDOT may access Recipient records related to this award under 2 C.F.R. 200.337.
- 11.5 Oversight Responsibilities.** This award is subject to the oversight requirements of title 23, United States Code.

ARTICLE 12 CONTRACTING AND SUBAWARDS

- 12.1 Minimum Wage Rates.** The Recipient shall include, in all contracts in excess of \$2,000 for work on the Project that involves labor, provisions establishing minimum rates of wages, to be predetermined by the United States Secretary of Labor, in accordance with 23 U.S.C. 113, that contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.
- 12.2 Buy America.**
- (a) Steel, iron, and manufactured products used in the Project are subject to 23 U.S.C. 313, as implemented by the Federal Highway Administration. The Recipient acknowledges that this agreement is neither a waiver of 23 U.S.C. 313(a) nor a finding under 23 U.S.C. 313(b).
 - (b) Construction materials used in the Project are subject to the domestic preference requirement at § 70914 of the Build America, Buy America Act, Pub. L. No. 117-58, div. G, tit. IX, subtit. A, 135 Stat. 429, 1298 (2021), as implemented by OMB, USDOT, and FHWA. The Recipient acknowledges that this agreement is neither a waiver of § 70914(a) nor a finding under § 70914(b).
 - (c) Under 2 C.F.R. 200.322, as appropriate and to the extent consistent with law, the Recipient should, to the greatest extent practicable under this award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. The Recipient shall include the requirements of 2 C.F.R. 200.322 in all subawards including all contracts and purchase orders for work or products under this award.

- 12.3 Small and Disadvantaged Business Requirements.** The Recipient shall comply with 49 C.F.R. part 26 (“Participation by disadvantaged business enterprises in Department of Transportation financial assistance programs”). For the purpose of 49 C.F.R. 26.3, that part applies to the Recipient.
- 12.4 Engineering and Design Services.** The Recipient shall award each contract or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping, or related services with respect to the project in the same manner that a contract for architectural and engineering services is negotiated under the Brooks Act, 40 U.S.C. 1101-1104 as implemented in 23 U.S.C. 112(b)(2), or an equivalent qualifications-based requirement prescribed for or by the Recipient and approved in writing by the USDOT.
- 12.5 Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment.** The Recipient acknowledges that Section 889 of Pub. L. No. 115-232 and 2 C.F.R. 200.216 prohibit the Recipient and all subrecipients from procuring or obtaining certain telecommunications and video surveillance services or equipment under this award.
- 12.6 Pass-through Entity Responsibilities.** If the Recipient makes a subaward under this award, the Recipient shall comply with the requirements on pass-through entities under 2 C.F.R. parts 200 and 1201, including 2 C.F.R. 200.331–200.333.
- 12.7 Subaward and Contract Authorization.** [Reserved]

ARTICLE 13

COSTS, PAYMENTS, AND UNEXPENDED FUNDS

- 13.1 Limitation of Federal Award Amount.** Under this award, the USDOT shall not provide funding greater than the amount obligated under section 4.3. The Recipient acknowledges that the USDOT is not liable for payments exceeding that amount, and the Recipient shall not request reimbursement of costs exceeding that amount.
- 13.2 Projects Costs.** This award is subject to the cost principles at 2 C.F.R. 200 subpart E, including provisions on determining allocable costs and determining allowable costs.
- 13.3 Timing of Project Costs.**
- (a) The Recipient shall not charge to this award costs that are incurred after the budget period.
 - (b) Except as permitted under section 13.3(d)–(e), the Recipient shall not charge to this award costs that were incurred before the date of this agreement.

- (c) This agreement hereby terminates and supersedes any previous USDOT approval for the Recipient to incur costs under this award for the Project. Section 5 of schedule D is the exclusive USDOT approval of costs incurred before the date of this agreement.
- (d) If section 5 of schedule D identifies a pre-award approval under 2 C.F.R. 200.458, then the Recipient may charge to this award, for payment from the INFRA Grant or other Federal amounts, costs that were incurred before the date of this agreement, were consistent with that approval, and would have been allowable if incurred during the budget period.
- (e) If the USDOT approves a request from the Recipient under 23 U.S.C. 117(k)(2) and section 5 of schedule D describes that approval, then the Recipient may charge to this award, for payment from non-Federal amounts, costs that were incurred before the date of this agreement, were consistent with that approval, and would have been allowable if incurred during the budget period.

13.4 Recipient Recovery of Federal Funds. The Recipient shall make all reasonable efforts, including initiating litigation, if necessary, to recover Federal funds if the USDOT determines, after consultation with the Recipient, that those funds have been spent fraudulently, wastefully, or in violation of Federal laws, or misused in any manner under this award. The Recipient shall not enter a settlement or other final position, in court or otherwise, involving the recovery of funds under the award unless approved in advance in writing by the USDOT.

13.5 Unexpended Federal Funds. Any Federal funds that are awarded at section 4.1 but not expended on allocable, allowable costs remain the property of the United States.

13.6 Timing of Payments to the Recipient.

- (a) Reimbursement is the payment method for the INFRA program.
- (b) The Recipient shall not request reimbursement of a cost before the Recipient has entered into an obligation for that cost.

13.7 Payment Method.

- (a) If the USDOT Payment System identified in section 6 of schedule A is “DELPHI eInvoicing,” then the Recipient shall use the DELPHI eInvoicing System (<https://www.dot.gov/cfo/delphi-einvoicing-system.html>) to request reimbursement under this award. If the Recipient requires access to that system, the Recipient shall contact the USDOT contact listed in section 5 of schedule A.
- (b) The USDOT may deny a payment request that is not submitted using the method identified in this section 13.7.

13.8 Information Supporting Expenditures.

- (a) If the USDOT Payment System identified in section 6 of schedule A is “Delphi eInvoicing System,” then when requesting reimbursement of costs incurred or credit for cost share incurred, the Recipient shall electronically submit the SF 270 (Request for Advance or Reimbursement) and shall submit supporting cost detail to document clearly all costs incurred. As supporting cost detail, the Recipient shall include a detailed breakout of all costs incurred by task and by Federal and Non-Federal funds. The Recipient shall classify all costs by task described in section 2 of schedule B and by Federal and non-Federal shares.
- (b) If the Recipient submits a request for reimbursement that the USDOT determines does not include or is not supported by sufficient detail, the USDOT may deny the request or withhold processing the request until the Recipient provides sufficient detail.

13.9 Reimbursement Request Timing Frequency. If the USDOT Payment System identified in section 6 of schedule A is “DELPHI eInvoicing,” the Recipient shall request reimbursement as needed to maintain cash flow sufficient to timely complete the Project. The Recipient shall not submit any single payment request exceeding \$99,999,999.99. The Recipient shall not submit a payment request exceeding \$50,000,000.00 unless the Recipient notifies the USDOT 5 days before submitting the request.
