1. OVERVIEW

1.1 Background

The Department of Transportation, Transportation Services Division (TRANServe), administers the Parking and Transit Benefits program. This system will serve as the publicly accessible interface for managing Transit benefits. TRANServe Services include purchasing and distributing transit fare media through the TRANServe Debit Card via Economy Act agreements and the authority of the Administrative Working Capital Fund (49 U.S.C. 327). The office currently supports 276 Agencies and sub-divisions, proving timely and efficient transit benefit service to over 200,000 customers, 60,000 of whom use the online Transit Application.

TRANServe has redesigned the current Transit Web Application into a "new" user friendly, mobile site designed specifically for mobile devices. The mobile version of the Web Application has been optimized for smaller screens found on mobile phones and tablets. This will allow federal government workers to apply for the transit benefit, request information, withdraw from the program and recertify using a mobile device. Further, TRANServe TBMs, Admins, first, second, and third level approvers will be able to view, update, approve, or disapprove applications from a mobile device from anywhere and at any time.

1.2 Purpose

Participants are required to recertify their transit benefits needs once per year. When participants are added to the program, notifications are sent via email. This email will contain the status of the online account. If the account is current the email will display the date the current recertification will expire. If the account is in suspended status the email will instruct the participant to submit an application.

Suspended Transit Benefit Account

Your Current Application Status: Change Request Completed (01/29/2021) Your current transit benefit certification will expire on Feb 28, 2021. Failure to recertify by the expiration date will result in the suspension of your transit benefits.

If the account is suspended the participant will need to submit via the Certify/Enroll/Change page. The available reasons for certification are Annual Certification/Recertification and New Transit Benefit Participant. Selecting Annual Certification will need to be fully processed to finalize the reactivation. An email will be sent to the participant with the next recertification date.
