1. OVERVIEW

1.1 Background

The Department of Transportation, Transportation Services Division (TRANServe), administers the Parking and Transit Benefits program. This system will serve as the publicly accessible interface for managing Transit benefits. TRANServe Services include purchasing and distributing transit fare media through the TRANServe Debit Card via Economy Act agreements and the authority of the Administrative Working Capital Fund (49 U.S.C. 327). The office currently supports 276 Agencies and sub-divisions, proving timely and efficient transit benefit service to over 200,000 customers, 60,000 of whom use the online Transit Application.

TRANServe has redesigned the current Transit Web Application into a “new” user friendly, mobile site designed specifically for mobile devices. The mobile version of the Web Application has been optimized for smaller screens found on mobile phones and tablets. This will allow federal government workers to apply for the transit benefit, request information, withdraw from the program and recertify using a mobile device. Further, TRANServe TBMs, Admins, first, second, and third level approvers will be able to view, update, approve, or disapprove applications from a mobile device from anywhere and at any time.

1.2 Purpose

3.1.2 Annual Recertification

Participants are required to recertify their transit benefits needs once per year. When participants are added to the program, notifications are sent via email. This email will contain the status of the online account. If the account is current the email will display the date the current recertification will expire. If the account is in suspended status the email will instruct the participant to submit an application.

Your current transit benefit certification has expired.
Please submit a recertification application in order to re-activate your Transit Benefits.

Suspended Transit Benefit Account

Your Current Application Status: **Change Request Completed (01/29/2021)**

Your current transit benefit certification will expire on Feb 28, 2021.
Failure to recertify by the expiration date will result in the suspension of your transit benefits.

Reminder emails will be sent to the participant leading up to the expiration date. If the participant does not submit an application on or before the expiration date the account will be put in suspended status. If the submitted application has been disapproved and sent back to the participant, the online account will remain in suspended status until the application is resubmitted. If the account is suspended the participant will need to submit via the Certify/Enroll/Change page. The available reasons for certification are Annual Certification/Recertification and New Transit Benefit Participant. Selecting Annual Certification/Recertification and submitting an application will reactive the online account. The application will need to be fully processed to finalize the reactivation. An email will be sent to the participant with the next recertification date.

Use the following steps to submit an Annual Recertification application:

1. From the Select an Action to Continue page; select the **Annual Recertification** radio button.
2. Click the **Continue** button. The Warning page is displayed.
3. After reading the message, click the **I Agree** button. The Transit Benefit Application Worksheet is displayed.

WARNING !

This certification concerns a matter within the jurisdiction of an agency of the United States. Making a false, fictitious, or fraudulent certification may constitute criminal violations punishable under Title 18, United States Code, Section 1001, by imprisonment up to five years and fines up to \$10,000 for each offense, and/or agency disciplinary actions up to and including dismissal.

☐ I certify that I am employed by the U.S. Federal Government...

☐ I certify that I am not named on a federally subsidized parking permit with any other federal agency.

☐ I certify that I am eligible for a public transportation fare benefit, will use it for my daily commute to and from work by public transit or vanpool, and will not give, sell, or transfer it to anyone else.

☐ I certify that in any given month, I will not use the Government-provided transit benefit in excess of the statutory limit. If my commuting costs per month on public transit exceed the month statutory limit, then I will supplement those additional costs with my own funds rather than use a Government-provided transit benefit designated for use in a future month.

☐ I certify that I will not claim the transit benefit in excess of my actual monthly commuting expense. If at anytime during a given month I am out of work due to sickness, vacation or any other reason, on official travel, or use a private vehicle for commuting, I will claim less and adjust the amount of my transit benefit the following month if appropriate.

☐ I certify that my parking fees are not included in the computation of the daily, weekly or monthly commuting costs for my transit benefit.
