GENERAL TERMS AND CONDITIONS

The Infrastructure Investment and Jobs Act (IIJA; Pub. L. 117–58, November 15, 2021) established the Safe Streets and Roads for All (SS4A) Discretionary Grant Program (BIL Section 24112) and appropriated funds to the United States Department of Transportation (the “USDOT”) under Division J, Title VIII of IIJA to implement the program. The funds are available to provide Federal financial assistance to support local initiatives to prevent death and serious injury on roads and streets, commonly referred to as “Vision Zero” or “Toward Zero Deaths” initiatives.

The USDOT published a Notice of Funding Opportunity (the “NOFO”) to solicit applications for Federal financial assistance in Fiscal Year 2022 for the SS4A Discretionary Grant Program (87 Fed. Reg. 31606 (May 24, 2022; subsequently amended in 87 Fed. Reg. 47818 on August 4, 2022)).

These general terms and conditions are incorporated by reference in a project-specific grant agreement under the fiscal year 2022 SS4A grant program. Articles 1–6 are in the project-specific portion of the agreement. The term “Recipient” is defined in the project-specific portion of the agreement. Attachments A through D are project-specific attachments.

ARTICLE 7 PURPOSE

7.1 Purpose. The purpose of this award is to improve roadway safety by significantly reducing or eliminating roadway fatalities and serious injuries through safety action plan development or projects focused on all users, including pedestrians, bicyclists, public transportation users, motorists, personal conveyance and micromobility users, and commercial vehicle operators. The parties will accomplish that purpose by achieving the following objectives:

- (1) timely completing the Project; and
- (2) ensuring that this award does not substitute for non-Federal investment in the Project, except as proposed in the Grant Application, as modified by section 3.3 and Attachment B.

ARTICLE 8 USDOT ROLE

8.1 Division of USDOT Responsibilities.

- (a) The Office of the Secretary of Transportation is ultimately responsible for the USDOT’s administration of the SS4A Grant Program.

- (b) The Federal Highway Administration (the “FHWA”) will administer this grant agreement on behalf of the USDOT. In this agreement, the “**Administering Operating Administration**” means the FHWA.

- (3) it has the capacity, including institutional, managerial, and financial capacity, to comply with its obligations under this agreement;

- (4) not less than the difference between the “Total Eligible Project Cost” and the “SS4A Grant Amount” listed in section 3.3 are committed to fund the Project;
- (5) it has sufficient funds available, or an agreement with the agency that has ownership and/or maintenance responsibilities for the roadway within the recipient’s jurisdiction, to ensure that infrastructure completed or improved under this agreement will be operated and maintained in compliance with this agreement and applicable Federal law; and
- (6) the individual executing this agreement on behalf of the Recipient has authority to enter this agreement and make the statements in this article 9 and in section 24.7 on behalf of the Recipient.

9.3 USDOT Reliance. The Recipient acknowledges that:

- (1) the USDOT relied on statements of fact in the Grant Application to select the Project to receive this award;
- (2) the USDOT relied on statements of fact in both the Grant Application and this agreement to determine that the Recipient and the Project are eligible under the terms of the NOFO;
- (3) the USDOT relied on statements of fact in both the Grant Application and this agreement to establish the terms of this agreement; and
- (4) the USDOT’s selection of the Project to receive this award prevented awards under the NOFO to other eligible applicants.

9.4 Project Delivery.

- (a) The Recipient shall complete the Project under the terms of this agreement.
- (b) The Recipient shall ensure that the Project is financed, constructed, operated, and maintained in accordance with all applicable Federal laws, regulations, and policies.

- (b) The Recipient shall act, in a manner acceptable to the USDOT, promptly to acquire, extinguish, or modify any outstanding rights or claims of right of others that would interfere with the Recipient's performance under this agreement.

9.6 Notification of Changes to Key Personnel. The Recipient shall notify all USDOT representatives who are identified in Section 4.4 in writing within 30 calendar days of any change in key personnel who are identified in Section 4.3.

ARTICLE 10

AWARD AMOUNT, OBLIGATION, AND TIME PERIODS

10.1 Federal Award Amount. The USDOT hereby awards a SS4A Grant to the Recipient in the amount listed in Section 2.2 as the SS4A Grant Amount.

10.2 Federal Obligations.

This agreement obligates for the budget period listed in section 2.5 of the grant agreement.

(a) If the Federal Obligation Type identified in section 2.3 is "Single," then the project-specific agreement obligates for the budget period the amount listed in section 2.2. as the Grant Amount and sections 10.2 (c)–10.2(f) do not apply to the project specific agreement.

(b) If the Federal Obligation Type identified in section 2.3 is "Multiple," then an amount up to the Grant Amount listed in section 2.2 will be obligated with one initial obligation and one or more subsequent, optional obligations, as described in sections 10.3(c)–10.3(f).

(c) The Obligation Condition Table in section 2.3 allocates the Grant among separate portions of the Project for the purpose of the Federal obligation of funds. The scope of each portion of the Project that is identified in that table is described in section 2.3.

(d) The project-specific agreement obligates for the budget period only the amounts allocated in the Obligation Condition Table in section 2.3 to portions of the Project for which that table does not list an obligation condition.

(e) The project-specific agreement does not obligate amounts allocated in the Obligation Condition Table in section 2.3 to portions of the Project for which that table lists an obligation condition. The parties may obligate the amounts allocated to those portions of the Project only by modifying the project specific agreement under section 21.

(f) For each portion of the Project for which the Obligation Condition Table in section 2.3 lists an obligation condition, the amount allocated in that table to that portion of the Project will be obligated if, not later than the statutory lapse date identified in the project-specific agreement as applicable to the Grant Program.

(g) For any portion of the Project for which the Obligation Condition Table in section 2.3 lists an obligation condition, if the obligation condition is satisfied, the parties amend this agreement documenting that:

(1) the FHWA determines that the obligation condition listed in that table for that portion of the Project is satisfied; and

(2) the FHWA determines that all applicable Federal requirements for obligating the amount are satisfied.

(h) The Recipient shall not request reimbursement of costs for a portion of the Project for which the Obligation Condition Table in section 2.3 lists an obligation condition, unless the amount allocated in that table to that portion of the Project is obligated under section 10.2(c)-(f).

(i) Reserved.

(j) The Recipient acknowledges that:

(1) the FHWA is not liable for payments for a portion of the Project for which the Obligation Condition Table in section 2.3 lists an obligation condition, unless the amount allocated in that table to that portion of the Project is obligated under section 10.2(c)-(f);

(2) any portion of the Grant that is not obligated under this section 10.2 by the budget period end date identified in the project-specific agreement for those funds lapses on the day after that date and becomes unavailable for the Project; and

(3) the FHWA may consider the failure to obligate funds by the budget period end date identified in the project-specific agreement as applicable to the Grant Program for those funds to be a basis for terminating the project-specific agreement under section 16.

10.3 Budget Period

The budget period for this award begins on the date of this agreement and ends on the budget period end date that is listed in section 2.5, which shall be no later than 5 years from the date of grant execution. In this agreement, “budget period” is used as defined at 2 C.F.R. 200.1.

10.4 Period of Performance.

(a) The period of performance for this award begins on the effective date of award listed in page 1 item 2 and ends on the period of performance end date that is listed in page 1 item 6.

(b) In this agreement, “period of performance” is used as defined at 2 C.F.R. 200.1.

ARTICLE 11

STATEMENT OF WORK, SCHEDULE, AND BUDGET CHANGES

- 11.1 Notification Requirement.** The Recipient shall notify all USDOT representatives who are identified in section 4.4 in writing within 30 calendar days of any change in circumstances or commitments that adversely affect the Recipient's plan to complete the Project. In that notification, the Recipient shall describe the change and what actions the Recipient has taken or plans to take to ensure completion of the Project. This notification requirement under this section 11.1 is separate from any requirements under this article 11 that the Recipient request amendment of this agreement.
- 11.2 Statement of Work Changes.** If the Project's activities differ from the statement of work that is described in section 3.1 and Attachment B, then the Recipient shall request an amendment of this agreement to update section 3.1.
- 11.3 Schedule Changes.** If one or more of the following conditions are satisfied, then the Recipient shall request an amendment of this agreement to update the relevant dates:
- (1) a substantial completion date for the Project or a component of the Project is listed in section 3.2 and the Recipient's estimate for that milestone changes to a date that is more than six months after the date listed in section 3.2; or
 - (2) a schedule change would require the period of performance to continue after the period of performance end date listed in page 1 item 6 (i.e., for projects with multiple phases, changes to the base phase budget period end date for projects with two phases, or changes to base or secondary phase budget period end dates for projects with three phases, etc., will not trigger notification/modification requirements)..

For other schedule changes, the Recipient shall request an amendment of this agreement unless the USDOT has consented, in writing consistent with applicable requirements, to the change.

11.4 Budget Changes.

- (a) The Recipient acknowledges that if the cost of completing the Project increases:
 - (1) that increase does not affect the Recipient's obligation under this agreement to complete the Project; and
 - (2) the USDOT will not increase the amount of this award to address any funding shortfall.
- (b) The Recipient shall request an amendment of this agreement to update section 3.3 and Attachment B if, in comparing the Project's budget to the amounts listed in section 3.3:
 - (1) the "Non-Federal Funds" amount decreases; or

- (2) the “Total Eligible Project Cost” amount decreases.
- (c) For budget changes that are not identified in section 11.4(b), the Recipient shall request an amendment of this agreement to update section 3.3 and Attachment B unless the USDOT has consented, in writing consistent with applicable requirements, to the change.
- (d) If the actual eligible project costs are less than the “Total Eligible Project Cost” that is listed in section 3.3, then the Recipient may propose to the USDOT, in writing consistent with applicable requirements, specific additional activities that are within the scope of this award, as defined in sections 7.1 and 3.1, and that the Recipient could complete with the difference between the “Total Eligible Project Cost” that is listed in section 3.3 and the actual eligible project costs.
- (e) If the actual eligible project costs are less than the “Total Eligible Project Cost” that is listed in section 3.3 and either the Recipient does not make a proposal under section 11.4(d) or the USDOT does not accept the Recipient’s proposal under section 11.4(d), then:
 - (1) in a request under section 11.4(b), the Recipient shall reduce the Federal Share by the difference between the “Total Eligible Project Cost” that is listed in section 3.3 and the actual eligible project costs; and
 - (2) if that amendment reduces this award and the USDOT had reimbursed costs exceeding the revised award, the Recipient shall request to add additional project work that is within the scope of this project.

In this agreement, “**Federal Share**” means the sum of the “SS4A Action Plan or Implementation Grant Amount” and the “Other Federal Funds” amounts that are listed in section 3.3.

- (f) The Recipient acknowledges that amounts that are required to be refunded under section 11.4(e)(2) constitute a debt to the Federal Government that the USDOT may collect under 2 C.F.R. 200.346 and the Standards for Administrative Collection of Claims (31 C.F.R. part 901).

11.5 USDOT Acceptance of Changes. The USDOT may accept or reject amendments requested under this article 11, and in doing so may elect to consider only the interests of the SS4A grant program and the USDOT. The Recipient acknowledges that requesting an amendment under this article 11 does not amend, modify, or supplement this agreement unless the USDOT accepts that amendment request and the parties modify this agreement under section 21.1.

ARTICLE 12 GENERAL REPORTING TERMS

- 12.1 Report Submission.** The Recipient shall send all reports required by this agreement to all USDOT contacts who are listed in section 4.4. Reports will be added to a central repository maintained by FHWA.
- 12.2 Alternative Reporting Methods.** FHWA may establish processes for the Recipient to submit reports required by this agreement, including electronic submission processes. If the Recipient is notified of those processes in writing, the Recipient shall use the processes required by the FHWA.
- 12.3 Paperwork Reduction Act Notice.**

Under 5 C.F.R. 1320.6, the Recipient is not required to respond to a collection of information that does not display a currently valid control number issued by the Office of Management and Budget (the “OMB”). Collections of information conducted under this agreement are approved under OMB Control No. 2125-0675.

ARTICLE 13 PROGRESS AND FINANCIAL REPORTING

- 13.1 Quarterly Program Performance Reports.** Quarterly, on or before the 20th day of the first month of each calendar year (e.g., reports due on or before January 20th, April 20th, July 20th, and October 20th) and until the end of the period of performance, the Recipient shall submit to the USDOT a Quarterly Project Progress Report in the format and with the content described in Exhibit C (SF-PPR). If the date of this agreement is in the final month of a calendar year, then the Recipient shall submit the first Quarterly Project Progress Report in the second calendar year quarter that begins after the date of this agreement.
- 13.2 Quarterly Financial Status.** Quarterly, on or before the 20th day of the first month of each calendar year, the Recipient shall submit a Federal Financial Report using SF-425.

ARTICLE 14 PERFORMANCE REPORTING

- 14.1 Baseline Performance Measurement.** If the Designation in Section 2.5 is “Implementation,” then:
- (1) the Recipient shall collect data for each performance measure that is identified in the Performance Measure Table in Attachment A, accurate as of the Baseline Measurement Date that is identified in Attachment A; and

- (2) on or before the Baseline Report Date that is stated in Attachment A, the Recipient shall submit a Baseline Performance Measurement Report that contains the data collected under this section 14.1 and a detailed description of the data sources, assumptions, variability, and estimated levels of precision for each performance measure that is identified in the Performance Measure Table in Attachment A.

14.2 Section 24112(h) Report: The Recipient shall submit to the USDOT, not later than 120 days after the end of the period of performance, a report that describes, consistent with section 24112(h) of IIIA:

- (1) the costs of carrying out the project;
- (2) the outcomes and benefits that each eligible project generated as identified in the grant application and measured by data to the maximum extent practicable (i.e. number of fatalities and serious injuries that occurred within the limits of the project location); and
- (3) the lessons learned, and any recommendations related to future projects or strategies to prevent death and serious injuries on roads and streets.

14.3 Performance Measurement Information.

For each performance measure that is identified in the Performance Measure Table in Attachment A, not later than January 31 of each year that follows a calendar year within the period of performance during which data was collected, the Recipient shall submit to the USDOT a Performance Measurement Report containing the data collected in the previous calendar year and stating the dates when the data was collected.

14.4 Performance Reporting Survival.

The data collection and reporting requirements in this article 14 survive the termination of this agreement which is three years post period of performance.

14.5 Program Evaluation.

As a condition of grant award, the recipient may be required to participate in an evaluation undertaken by USDOT, or another agency or partner. The evaluation may take different forms such as an implementation assessment across grant recipients, an impact and/or outcomes analysis of all or selected sites within or across grant recipients, or a benefit/cost analysis or assessment of return on investment. The Department may require applicants to collect data elements to aid the evaluation. As a part of the evaluation, as a condition of award, grant recipients must agree to: (1) make records available to the evaluation contractor; (2) provide access to program records, and any other relevant documents to calculate costs and benefits; (3) in the case of an impact analysis, facilitate the access to relevant information as requested; and (4) follow evaluation procedures as specified by the evaluation contractor or USDOT staff.

ARTICLE 15

NONCOMPLIANCE AND REMEDIES

15.1 Noncompliance Determinations.

- (a) If the USDOT determines that the Recipient may have failed to comply with the United States Constitution, Federal law, or the terms and conditions of this agreement, the USDOT may notify the Recipient of a proposed determination of noncompliance. For the notice to be effective, it must be written and the USDOT must include an explanation of the nature of the noncompliance, describe a remedy, state whether that remedy is proposed or effective at an already determined date, and describe the process through and form in which the Recipient may respond to the notice.
- (b) If the USDOT notifies the Recipient of a proposed determination of noncompliance under section 15.1(a), the Recipient may, not later than 7 calendar days after the notice, respond to that notice in the form and through the process described in that notice. In its response, the Recipient may:
 - (1) accept the remedy;
 - (2) acknowledge the noncompliance, but propose an alternative remedy; or
 - (3) dispute the noncompliance.

To dispute the noncompliance, the Recipient must include in its response documentation or other information supporting the Recipient's compliance.

- (c) The USDOT may make a final determination of noncompliance only:
 - (1) after considering the Recipient's response under section 15.1(b); or
 - (2) if the Recipient fails to respond under section 15.1(b), after the time for that response has passed.
- (d) To make a final determination of noncompliance, the USDOT must provide a notice to the Recipient that states the bases for that determination.

15.2 Remedies.

- (a) If the USDOT makes a final determination of noncompliance under section 15.1(d), the USDOT may impose a remedy, including:
 - (1) additional conditions on the award;
 - (2) any remedy permitted under 2 C.F.R. 200.339–200.340, including withholding of payments; disallowance of previously reimbursed costs, requiring refunds from the Recipient to USDOT; suspension or termination of the award; or suspension and disbarment under 2 C.F.R. part 180; or

- (3) any other remedy legally available.
- (b) To impose a remedy, the USDOT must provide a written notice to the Recipient that describes the remedy, but the USDOT may make the remedy effective before the Recipient receives that notice.
- (c) If the USDOT determines that it is in the public interest, the USDOT may impose a remedy, including all remedies described in section 15.2(a), before making a final determination of noncompliance under section 15.1(d). If it does so, then the notice provided under section 15.1(d) must also state whether the remedy imposed will continue, be rescinded, or modified.
- (d) In imposing a remedy under this section 15.2 or making a public interest determination under section 15.2(c), the USDOT may elect to consider the interests of only the USDOT.
- (e) The Recipient acknowledges that amounts that the USDOT requires the Recipient to refund to the USDOT due to a remedy under this section 15.2 constitute a debt to the Federal Government that the USDOT may collect under 2 C.F.R. 200.346 and the Standards for Administrative Collection of Claims (31 C. F. R. part 901).

15.3 Other Oversight Entities.

Nothing in this article 15 limits any party's authority to report activity under this agreement to the United States Department of Transportation Inspector General or other appropriate oversight entities.

ARTICLE 16 AGREEMENT TERMINATION

16.1 USDOT Termination.

- (a) The USDOT may terminate this agreement and all of its obligations under this agreement if any of the following occurs:
 - (1) the Recipient fails to obtain or provide any non-SS4A Grant contribution (all eligible project costs other than the SS4A Grant Amount, as described in section 3.2 table (a) of the grant agreement) or alternatives approved by the USDOT as provided in this agreement and consistent with article 3;
 - (2) a construction start date for the Project or Strategy is listed in section 3.2 and the Recipient fails to meet that milestone by six months after the date listed in section 3.2;

- (3) a substantial completion date for the Project or Strategy is listed in section 3.2 and the Recipient fails to meet that milestone by six months after the date listed in section 3.2;
 - (4) the Recipient fails to comply with the terms and conditions of this agreement, including a material failure to comply with the schedule in section 3.2 even if it is beyond the reasonable control of the Recipient; or,
 - (5) the USDOT determines that termination of this agreement is in the public interest.
 - (6) the Recipient fails to expend the funds within 5 years after the date on which the government executes the grant agreement, which is the date funds are provided for the project.
- (b) In terminating this agreement under this section, the USDOT may elect to consider only the interests of the USDOT.
 - (c) This section 16.1 does not limit the USDOT's ability to terminate this agreement as a remedy under section 15.2.
 - (d) The Recipient may request that the USDOT terminate the agreement under this section 16.1.

16.2 Closeout Termination.

- (a) This agreement terminates on Project Closeout.
- (b) In this agreement, "**Project Closeout**" means the date that the USDOT notifies the Recipient that the award is closed out. Under 2 C.F.R. 200.344, Project Closeout should occur no later than one year after the end of the period of performance.

16.3 Post-Termination Adjustments. The Recipient acknowledges that under 2 C.F.R. 200.345–200.346, termination of the agreement does not extinguish the USDOT's authority to disallow costs, including costs that USDOT reimbursed before termination, and recover funds from the Recipient.

16.4 Non-Terminating Events.

- (a) The end of the period of performance described under section 10.4 does not terminate this agreement or the Recipient's obligations under this agreement.
- (b) The liquidation of funds under section 20.1 does not terminate this agreement or the Recipient's obligations under this agreement.

16.5 Other Remedies. The termination authority under this article 16 supplements and does not limit the USDOT's remedial authority under article 15 or 2 C.F.R. part 200, including 2 C.F.R. 200.339–200.340.

ARTICLE 17
MONITORING, FINANCIAL MANAGEMENT, CONTROLS, AND RECORDS

17.1 Recipient Monitoring and Record Retention.

- (a) The Recipient shall monitor activities under this award, including activities under subawards and contracts, to ensure:
 - (1) that those activities comply with this agreement; and

ARTICLE 18 CONTRACTING AND SUBAWARDS

- 18.1 Build America, Buy America.** This award term implements § 70914(a) of the Build America, Buy America Act, Pub. L. No. 117-58, div. G, tit. IX, subtitle A, 135 Stat. 429, 1294 (2021), 2 CFR part 184 and Office of Management and Budget (OMB) Memorandum M-24-02, “Initial Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure.”

Requirement to Use Iron, Steel, Manufactured Products, and Construction Materials Produced in the United States.

The Recipient shall not use funds provided under this award for a project for infrastructure unless:

- (1) all iron and steel used in the project are produced in the United States—this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;
- (2) all manufactured products used in the project are produced in the United States—this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product; and
- (3) all construction materials are manufactured in the United States—this means that all manufacturing processes for the construction material occurred in the United States.

Inapplicability.

The domestic content procurement preference in this award term only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

Waivers.

When necessary, the Recipient may apply for, and the USDOT may grant, a waiver from the domestic content procurement preference in this award term.

A request to waive the application of the domestic content procurement preference must be in writing. The USDOT will provide instructions on the waiver process and on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the Office of Management and Budget (OMB) Made in America Office.

When the USDOT has made a determination that one of the following exceptions applies, the awarding official may waive the application of the domestic content procurement preference in any case in which the USDOT determines that:

- (1) applying the domestic content procurement preference would be inconsistent with the public interest;
- (2) the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or
- (3) the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent.

There may be instances where an award qualifies, in whole or in part, for an existing waiver described at <https://www.transportation.gov/office-policy/transportation-policy/made-in-america>.
