GENERAL TERMS AND CONDITIONS

The Consolidated Appropriations Act, 2021, Pub. L. No. 116-260 (Dec. 27, 2020) appropriated funds to the United States Department of Transportation (the “**USDOT**”) under the heading “National Infrastructure Investments.” The funds are available to provide Federal financial assistance for surface transportation infrastructure projects that will have a significant local or regional impact. The USDOT program administering those funds is the RAISE grant program.

The USDOT published a “Notice of Funding Opportunity for the Department of Transportation’s National Infrastructure Investments (i.e., the Rebuilding American Infrastructure With Sustainability and Equity (RAISE) Grant Program) Under the Consolidated Appropriations Act, 2021,” 86 Fed. Reg. 21,794 (April 23, 2021) (the “**NOFO**”) to solicit applications for Federal financial assistance.

These general terms and conditions are incorporated by reference in a project-specific agreement under the fiscal year 2021 RAISE grant program. Articles 1–7 are in the project-specific portion of the agreement. The term “Recipient” is defined in the project-specific portion of the agreement. Attachments A through E are project-specific attachments.

ARTICLE 8 PURPOSE

8.1 Purpose.

The purpose of this award is to advance capital investments in surface transportation infrastructure that will have a significant local or regional impact. The parties will accomplish that purpose by achieving the following objectives:

- (1) timely completing the Project; and
- (2) ensuring that this award does not substitute for non-Federal investment in the Project, except as proposed in the Technical Application, as modified by section 3.3 and Attachment B.

ARTICLE 9 USDOT ROLE

9.1 Division of USDOT Responsibilities.

- (a) The Office of the Secretary of Transportation is responsible for the USDOT’s overall administration of the RAISE grant program, the approval of this agreement, and any modifications to this agreement under section 22.1.
- (b) The Federal Highway Administration (the “**FHWA**”) will administer this agreement on behalf of the USDOT. In this agreement, the “**Administering Operating Administration**” means the FHWA.

10.2 Statements on Authority and Capacity.

The Recipient states that:

- (1) it has the authority to receive Federal financial assistance under this agreement;
- (2) it has the legal authority to complete the Project;
- (3) it has the capacity, including institutional, managerial, and financial capacity, to comply with its obligations under this agreement;
- (4) not less than the difference between the “Total Eligible Project Cost” and the “RAISE Grant Amount” listed in section 3.3 are committed to fund the Project;

10.3 USDOT Reliance.

The Recipient acknowledges that:

- (1) the USDOT relied on statements of fact in the Technical Application to select the Project to receive this award;
- (2) the USDOT relied on statements of fact in both the Technical Application and this agreement to determine that the Recipient and the Project are eligible under the terms of the NOFO;
- (3) the USDOT relied on statements of fact in both the Technical Application and this agreement to establish the terms of this agreement; and
- (4) the USDOT's selection of the Project to receive this award prevented awards under the NOFO to other eligible applicants.

10.4 Project Delivery.

- (a) The Recipient shall complete the Project under the terms of this agreement.
- (b) The Recipient shall ensure that the Project is financed, constructed, operated, and maintained in accordance with all Federal laws, regulations, and policies that are applicable to projects of the Administering Operating Administration.

ARTICLE 11
AWARD AMOUNT, OBLIGATION, AND TIME PERIODS

11.1 Federal Award Amount.

The USDOT hereby awards a RAISE Grant to the Recipient in the amount listed in section 2.2 as the RAISE Grant Amount.

11.2 Federal Obligations.

- (a) If the Federal Obligation Type identified in section 2.2 is “Single,” then this agreement obligates for the budget period the amount listed in section 2.2 as the RAISE Grant Amount and sections 11.2(c)–11.2(h) do not apply to this agreement.
- (b) If the Federal Obligation Type identified in section 2.2 is “Multiple,” then an amount up to the RAISE Grant Amount listed in section 2.2 will be obligated with one initial obligation and one or more subsequent, optional obligations, as described in sections 11.2(c)–11.2(h).
- (c) The RAISE Grant Allocation Table in section 2.2 allocates the RAISE Grant among separate portions of the Project for the purpose of obligations. The scope of each portion of the Project that is identified in that table is described in Attachment A.
- (d) This agreement obligates for the budget period only the amounts allocated in the RAISE Grant Allocation Table in section 2.2 to the portions of the Project that are not listed in the Future Obligation Conditions Table in section 2.2.
- (e) This agreement does not obligate amounts allocated in the RAISE Grant Allocation Table in section 2.2 to the portions of the Project that are listed in the Future Obligation Conditions Table in section 2.2. The parties may obligate the amounts allocated to those portions of the Project only as described in section 11.2(f) or by modifying this agreement under article 22.
- (f) For each portion of the Project that is listed in the Future Obligation Conditions Table in section 2.2, the amount allocated to that portion of the Project in RAISE Grant Allocation Table in section 2.2 is obligated if, not later than September 30, 2024, the parties execute an instrument, in the form provided in Exhibit D, documenting that:
 - (1) the USDOT determines that all of the conditions associated with that portion in the Future Obligation Conditions Table are satisfied;
 - (2) the USDOT determines that all applicable Federal requirements for obligating the amount are satisfied; and
 - (3) the Recipient states that it is not required to request a modification of this agreement under article 12.
- (g) The Recipient shall not request reimbursement of costs for a portion of the Project that is listed in the Future Obligation Conditions Table in section 2.2 unless the amount

allocated to that portion of the Project in the RAISE Grant Allocation Table in section 2.2 is obligated under section 11.2(f).

(h) The Recipient acknowledges that:

- (1) the USDOT is not liable for payments for a portion of the Project that is listed in the Future Obligation Conditions Table in section 2.2 unless the amount allocated to that portion of the Project in the RAISE Grant Allocation Table in section 2.2 is obligated under section 11.2(f);
- (2) any portion of the RAISE Grant that is not obligated under this section 11.2 before October 1, 2024, lapses on that date and becomes unavailable for the Project; and
- (3) the USDOT may consider the failure to obligate funds before October 1, 2024, to be a basis for terminating this agreement under section 17.1.

11.3 Budget Period.

The budget period for this award begins on the date of this agreement and ends on the budget period end date that is listed in section 2.3. In this agreement, “budget period” is used as defined at 2 CFR 200.1.

11.4 Period of Performance.

- (a) If the USDOT Payment System identified in section 6.1 is “FMIS,” then the period of performance for this award begins on the date of this agreement and ends on project end date in FMIS.
- (b) If the USDOT Payment System identified in section 6.1 is “DELPHI eInvoicing,” then the period of performance for this award begins on the date of this agreement and ends on the period of performance end date that is listed in section 2.3.
- (c) In this agreement, “period of performance” is used as defined at 2 CFR 200.1.

ARTICLE 12 STATEMENT OF WORK, SCHEDULE, AND BUDGET CHANGES

12.1 Notification Requirement.

The Recipient shall notify all USDOT representatives who are identified in section 5.4 in writing within 30 calendar days of any change in circumstances or commitments that adversely affect the Recipient’s plan to complete the Project. In that notification, the Recipient shall describe the change and what actions the Recipient has taken or plans to take to ensure completion of the Project. This notification requirement under this section 12.1 is separate from any requirements under this article 12 that the Recipient request modification of this agreement.

12.2 Statement of Work Changes.

If the Project's activities differ from the statement of work that is described in section 3.1 and Attachment A, then the Recipient shall request a modification of this agreement to update section 3.1 and Attachment A.

12.3 Schedule Changes.

If one or more of the following conditions are satisfied, then the Recipient shall request a modification of this agreement to update the relevant dates:

- (1) a substantial completion date for the Project or a component of the Project is listed in section 3.2 and the Recipient's estimate for that milestone changes to a date that is more than six months after the date listed in section 3.2;
- (2) a schedule change would require the budget period to continue after the final budget period end date listed in section 2.3 (i.e., for projects with multiple phases, changes to the base phase budget period end date for projects with two phases, or changes to base or secondary phase budget period end dates for projects with three phases, etc., will not trigger notification/modification requirements); or
- (3) the USDOT Payment System identified in section 6.1 is "DELPHI eInvoicing" and a schedule change would require the period of performance to continue after the period of performance end date listed in section 2.3.

For other schedule changes, the Recipient shall request a modification of this agreement unless the USDOT has consented, in writing consistent with the Administering Operating Administration's requirements, to the change.

12.4 Budget Changes.

- (a) The Recipient acknowledges that if the cost of completing the Project increases:
 - (1) that increase does not affect the Recipient's obligation under this agreement to complete the Project; and
 - (2) the USDOT will not increase the amount of this award to address any funding shortfall.
- (b) The Recipient shall request a modification of this agreement to update section 3.3 and Attachment B if, in comparing the Project's budget to the amounts listed in section 3.3:
 - (1) the "Non-Federal Funds" amount decreases; or
 - (2) the "Total Eligible Project Cost" amount decreases.
- (c) For budget changes that are not identified in section 12.4(b), the Recipient shall request a modification of this agreement to update section 3.3 and Attachment B unless the USDOT has consented, in writing consistent with the Administering Operating

Administration's requirements, to the change.

- (d) If the actual eligible project costs are less than the "Total Eligible Project Cost" that is listed in section 3.3, then the Recipient may propose to the USDOT, in writing consistent with the Administering Operating Administration's requirements, specific additional activities that are within the scope of this award, as defined in sections 8.1 and 3.1, and that the Recipient could complete with the difference between the "Total Eligible Project Cost" that is listed in section 3.3 and the actual eligible project costs.
- (e) If the actual eligible project costs are less than the "Total Eligible Project Cost" that is listed in section 3.3 and either the Recipient does not make a proposal under section 12.4(d) or the USDOT does not accept the Recipient's proposal under section 12.4(d), then:
 - (1) in a request under section 12.4(b), the Recipient shall reduce the Federal Share by the difference between the "Total Eligible Project Cost" that is listed in section 3.3 and the actual eligible project costs; and
 - (2) if that modification reduces this award and the USDOT had reimbursed costs exceeding the revised award, the Recipient shall refund to the USDOT the difference between the reimbursed costs and the revised award.

In this agreement, "**Federal Share**" means the sum of the "RAISE Grant Amount" and the "Other Federal Funds" amounts that are listed in section 3.3.

- (f) The Recipient acknowledges that amounts that are required to be refunded under section 12.4(e)(2) constitute a debt to the Federal Government that the USDOT may collect under 2 CFR 200.346 and the Standards for Administrative Collection of Claims (31 CFR parts 901).

12.5 USDOT Acceptance of Changes.

The USDOT may accept or reject modifications requested under this article 12, and in doing so may elect to consider only the interests of the RAISE grant program and the USDOT. The Recipient acknowledges that requesting a modification under this article 12 does not amend, modify, or supplement this agreement unless the USDOT accepts that modification request and the parties modify this agreement under section 22.1.

ARTICLE 13 GENERAL REPORTING TERMS

13.1 Report Submission.

The Recipient shall send all reports required by this agreement to all USDOT contacts who are listed in section 5.4 and all USDOT contacts who are listed in section 9.2.

13.2 Alternative Reporting Methods.

The Administering Operating Administration may establish processes for the Recipient to submit reports required by this agreement, including electronic submission processes. If the Recipient is notified of those processes in writing, the Recipient shall use the processes required by the Administering Operating Administration.

13.3 Paperwork Reduction Act Notice.

Under 5 CFR 1320.6, the Recipient is not required to respond to a collection of information that does not display a currently valid control number issued by the Office of Management and Budget (the “OMB”). Collections of information conducted under this agreement are approved under OMB Control No. 2105- 0563.

ARTICLE 14 PROGRESS AND FINANCIAL REPORTING

14.1 Quarterly Project Progress Reports and Recertifications.

On or before the 20th day of the first month of each calendar year quarter and until the end of the period of performance, the Recipient shall submit to the USDOT a Quarterly Project Progress Report and Recertification in the format and with the content described in Exhibit C. If the date of this agreement is in the final month of a calendar year quarter, then the Recipient shall submit the first Quarterly Project Progress Report and Recertification in the second calendar year quarter that begins after the date of this agreement.

14.2 Final Progress Reports and Financial Information.

No later than 120 days after the end of the period of performance, the Recipient shall submit

- (1) a Final Project Progress Report and Recertification in the format and with the content described in Exhibit C for each Quarterly Project Progress Report and Recertification, including a final Federal Financial Report (SF-425); and
- (2) any other information required under the Administering Operating Administration’s award closeout procedures.

ARTICLE 15 PERFORMANCE REPORTING

15.1 Baseline Performance Measurement.

If the Capital-Planning Designation in section 2.5 is “Capital,” then:

- (1) the Recipient shall collect data for each performance measure that is identified in the Performance Measure Table in Attachment C, accurate as of the Baseline Measurement Date that is identified in Attachment C; and

- (2) on or before the Baseline Report Date that is stated in Attachment C, the Recipient shall submit a Baseline Performance Measurement Report that contains the data collected under this section 15.1 and a detailed description of the data sources, assumptions, variability, and estimated levels of precision for each performance measure that is identified in the Performance Measure Table in Attachment C.

15.2 Post-construction Performance Measurement.

If the Capital-Planning Designation in section 2.5 is “Capital,” then

- (1) for each performance measure that is identified in the Performance Measure Table in Attachment C with quarterly measurement frequency, for each of 12 consecutive calendar quarters, beginning with the first calendar quarter that begins after the Project substantial completion date, at least once during the quarter, the Recipient shall collect data for that performance measure;
- (2) for each performance measure that is identified in the Performance Measure Table in Attachment C with annual measurement frequency, the Recipient shall collect data for that performance measure on at least three separate occasions: (i) once during the four consecutive calendar quarters that begin after the Project substantial completion date; (ii) once during the fourth calendar quarter after the first collection; and (iii) once during the eighth calendar quarter after the first collection; and
- (3) not later than January 31 of each year that follows a calendar year during which data was collected under this section 15.2, the Recipient shall submit to the USDOT a Post-construction Performance Measurement Report containing the data collected under this section 15.2 in the previous calendar year and stating the dates when the data was collected.

If an external factor significantly affects the value of a performance measure collected under this section 15.2, then the Recipient shall identify that external factor in the Post-construction Performance Measurement Report and discuss its influence on the performance measure.

15.3 Project Outcomes Report.

If the Capital-Planning Designation in section 2.5 is “Capital,” then the Recipient shall submit to the USDOT, not later than January 31 of the year that follows the final calendar year during which data was collected under section 15.2, a Project Outcomes Report that contains:

- (1) a narrative discussion detailing project successes and the influence of external factors on project expectations;
- (2) all baseline and post-construction performance measurement data that the Recipient reported in the Baseline Performance Measurement Report and the Post-construction Performance Measurement Reports; and

- (3) an *ex post* examination of project effectiveness relative to the baseline data that the Recipient reported in the Baseline Performance Measurement Report.

15.4 Performance Reporting Survival.

The data collection and reporting requirements in this article 15 survive the termination of this agreement.

ARTICLE 16 NONCOMPLIANCE AND REMEDIES

16.1 Noncompliance Determinations.

- (a) If the USDOT determines that the Recipient may have failed to comply with the United States Constitution, Federal law, or the terms and conditions of this agreement, the USDOT may notify the Recipient of a proposed determination of noncompliance. For the notice to be effective, it must be written and the USDOT must include an explanation of the nature of the noncompliance, describe a remedy, state whether that remedy is proposed or effective at an already determined date, and describe the process through and form in which the Recipient may respond to the notice.
- (b) If the USDOT notifies the Recipient of a proposed determination of noncompliance under section 16.1(a), the Recipient may, not later than 7 calendar days after the notice, respond to that notice in the form and through the process described in that notice. In its response, the Recipient may:
 - (1) accept the remedy;
 - (2) acknowledge the noncompliance, but propose an alternative remedy; or
 - (3) dispute the noncompliance.

To dispute the noncompliance, the Recipient must include in its response documentation or other information supporting the Recipient's compliance.

- (c) The USDOT may make a final determination of noncompliance only:
 - (1) after considering the Recipient's response under section 16.1(b); or
 - (2) if the Recipient fails to respond under section 16.1(b), after the time for that response has passed.
- (d) To make a final determination of noncompliance, the USDOT must provide a notice to the Recipient that states the bases for that determination.

16.2 Remedies.

- (a) If the USDOT makes a final determination of noncompliance under section 16.1, the USDOT may impose a remedy, including:

- (1) additional conditions on the award;
 - (2) any remedy permitted under 2 CFR 200.339–200.340, including withholding of payments; disallowance of previously reimbursed costs, requiring refunds from the Recipient to USDOT; suspension or termination of the award; or suspension and disbarment under 2 CFR part 180; or
 - (3) any other remedy legally available.
- (b) To impose a remedy, the USDOT must provide a written notice to the Recipient that describes the remedy, but the USDOT may make the remedy effective before the Recipient receives that notice.
- (c) If the USDOT determines that it is in the public interest, the USDOT may impose a remedy, including all remedies described in section 16.2(a), before making a final determination of noncompliance under section 16.1. If it does so, then the notice provided under section 16.1(d) must also state whether the remedy imposed will continue, be rescinded, or modified.
- (d) In imposing a remedy under this section 16.2 or making a public interest determination under section 16.2(c), the USDOT may elect to consider the interests of only the USDOT.
- (e) The Recipient acknowledges that amounts that the USDOT requires the Recipient to refund to the USDOT due to a remedy under this section 16.2 constitute a debt to the Federal Government that the USDOT may collect under 2 CFR 200.346 and the Standards for Administrative Collection of Claims (31 CFR parts 901).

16.3 Other Oversight Entities.

Nothing in this article 16 limits any party’s authority to report activity under this agreement to the United States Department of Transportation Inspector General or other appropriate oversight entities.

ARTICLE 17 AGREEMENT TERMINATION

17.1 USDOT Termination.

- (a) The USDOT may terminate this agreement and all of its obligations under this agreement if any of the following occurs:
- (1) the Recipient fails to obtain or provide any non-RAISE Grant contribution or alternatives approved by the USDOT as provided in this agreement and consistent with article 3;
 - (2) a construction start date for the Project or a component of the Project is listed in section 3.2 and the Recipient fails to meet that milestone by six months after the date listed in section 3.2;

- (3) a substantial completion date for the Project or a component of the Project is listed in section 3.2 and the Recipient fails to meet that milestone by six months after the date listed in section 3.2;
 - (4) the Recipient fails to meet a milestone listed in section 4.1 by the deadline date listed in that section for that milestone;
 - (5) the Recipient fails to comply with the terms and conditions of this agreement, including a material failure to comply with the schedule in section 3.2 even if it is beyond the reasonable control of the Recipient; or,
 - (6) the USDOT determines that termination of this agreement is in the public interest.
- (b) In terminating this agreement under this section, the USDOT may elect to consider only the interests of the USDOT.
 - (c) This section 17.1 does not limit the USDOT's ability to terminate this agreement as a remedy under section 16.2.
 - (d) The Recipient may request that the USDOT terminate the agreement under this section 17.1.

17.2 Closeout Termination.

- (a) This agreement terminates on Project Closeout.
- (b) In this agreement, "**Project Closeout**" means the date that the USDOT notifies the Recipient that the award is closed out. Under 2 CFR 200.344, Project Closeout should occur no later than one year after the end of the period of performance.

17.3 Post-Termination Adjustments.

The Recipient acknowledges that under 2 CFR 200.345–200.346, termination of the agreement does not extinguish the USDOT's authority to disallow costs, including costs that USDOT reimbursed before termination, and recover funds from the Recipient.

17.4 Non-Terminating Events.

- (a) The end of the budget period described under section 11.3 does not terminate this agreement or the Recipient's obligations under this agreement.
- (b) The end of the period of performance described under section 11.4 does not terminate this agreement or the Recipient's obligations under this agreement.
- (c) The cancellation of funds under section 21.2 does not terminate this agreement or the Recipient's obligations under this agreement.

17.5 Other Remedies.

The termination authority under this article 17 supplements and does not limit the USDOT's remedial authority under article 16 or 2 CFR part 200, including 2 CFR 200.339–200.340.

ARTICLE 18

MONITORING, FINANCIAL MANAGEMENT, CONTROLS, AND RECORDS

18.1 Recipient Monitoring and Record Retention.

- (a) The Recipient shall monitor activities under this award, including activities under subawards and contracts, to ensure:
 - (1) that those activities comply with this agreement; and
 - (2) that funds provided under this award are not expended on costs that are not allowable under this award or not allocable to this award.
- (b) If the Recipient makes a subaward under this award, the Recipient shall monitor the activities of the subrecipient in compliance with 2 CFR 200.332(e).
- (c) The Recipient shall retain records relevant to the award as required under 2 CFR 200.334.

18.2 Financial Records and Audits.
