GENERAL TERMS AND CONDITIONS

The Infrastructure Investment and Jobs Act, Pub. L. No. 117-58 (Nov. 15, 2021), and the Consolidated Appropriations Act, 2023, Pub. L. No. 117-328 (Dec. 29, 2022) appropriated funds to the United States Department of Transportation (the “USDOT”) for fiscal year 2023 under the heading “National Infrastructure Investments.” The funds are available to carry out 49 U.S.C. 6702 by providing Federal financial assistance for surface transportation infrastructure projects that will have a significant local or regional impact. The USDOT program administering those funds is the Rebuilding American Infrastructure with Sustainability and Equity Program (the “RAISE Program”).

On December 14, 2022, the USDOT posted a funding opportunity at Grants.gov with funding opportunity title “FY 2023 National Infrastructure Investments” and funding opportunity number DTOS59-23-RA-RAISE. The notice of funding opportunity posted at Grants.gov, as amended on January 5, 2023, and February 3, 2023, (the “NOFO”) solicited applications for Federal financial assistance under the fiscal year 2023 RAISE Program. On June 28, 2023, the USDOT announced application selections under the NOFO.

These general terms and conditions are incorporated by reference in a project-specific agreement under the fiscal year 2023 RAISE Program. The term “Recipient” is defined in the project-specific portion of the agreement. The project-specific portion of the agreement includes schedules A through H. The project-specific portion of the agreement may include special terms and conditions in project-specific articles.

ARTICLE 1 PURPOSE

1.1 Purpose.

The purpose of this award is to fund an eligible project that will have a significant local or regional impact and improve transportation infrastructure. The parties will accomplish that purpose by achieving the following objectives:

- (1) timely completing the Project; and
- (2) ensuring that this award does not substitute for non-Federal investment in the Project, except as proposed in the Technical Application, as modified by schedule D.

ARTICLE 2 USDOT ROLE

2.1 Division of USDOT Responsibilities.

- (a) The Office of the Secretary of Transportation is responsible for the USDOT’s overall administration of the RAISE Program, the approval of this agreement, and any

modifications to this agreement under section 20.1.

- (b) The Federal Highway Administration (the “**FHWA**”) will administer this agreement on behalf of the USDOT. In this agreement, the “**Administering Operating Administration**” means the FHWA.

2.2 USDOT Program Contacts.

ARTICLE 3 RECIPIENT ROLE

3.1 Statements on the Project.

The Recipient states that:

- (1) all material statements of fact in the Technical Application were accurate when that application was submitted; and
- (2) schedule E documents all material changes in the information contained in that application.

3.2 Statements on Authority and Capacity.

The Recipient states that:

- (1) it has the authority to receive Federal financial assistance under this agreement;
- (2) it has the legal authority to complete the Project;

- (3) it has the capacity, including institutional, managerial, and financial capacity, to comply with its obligations under this agreement;
- (4) not less than the difference between the total eligible project costs listed in section 3 of schedule D and the RAISE Grant Amount listed in section 1 of schedule D is committed to fund the Project;
- (5) it has sufficient funds available to ensure that infrastructure completed or improved under this agreement will be operated and maintained in compliance with this agreement and applicable Federal law; and
- (6) the individual executing this agreement on behalf of the Recipient has authority to enter this agreement and make the statements in this article 3 and in section 21.7 on behalf of the Recipient.

3.3 USDOT Reliance.

The Recipient acknowledges that:

- (1) the USDOT relied on statements of fact in the Technical Application to select the Project to receive this award;
- (2) the USDOT relied on statements of fact in both the Technical Application and this agreement to determine that the Recipient and the Project are eligible under the terms of the NOFO;
- (3) the USDOT relied on statements of fact in both the Technical Application and this agreement to establish the terms of this agreement; and
- (4) the USDOT's selection of the Project to receive this award prevented awards under the NOFO to other eligible applicants.

3.4 Project Delivery.

- (a) The Recipient shall complete the Project under the terms of this agreement.
- (b) The Recipient shall ensure that the Project is financed, constructed, operated, and maintained in accordance with all Federal laws, regulations, and policies that are applicable to projects of the Administering Operating Administration.

3.5 Rights and Powers Affecting the Project.

- (a) The Recipient shall not take or permit any action that deprive it of any rights or powers necessary to the Recipient's performance under this agreement without written approval of the USDOT.
- (b) The Recipient shall act promptly, in a manner acceptable to the USDOT, to acquire, extinguish, or modify any outstanding rights or claims of right of others that would interfere with the Recipient's performance under this agreement.

3.6 Notification of Changes to Key Personnel.

The Recipient shall notify USDOT within 30 calendar days of any change in key personnel who are identified in section 4 of schedule A.

3.7 Subaward to Designated Subrecipient.

If section 9 of schedule A identifies a Designated Subrecipient:

- (1) the Recipient hereby awards a subaward to the Designated Subrecipient for the purpose described in section 1.1;
- (2) the Recipient and the Designated Subrecipient may enter into a separate agreement, to which the USDOT is not a party, assigning responsibilities, including administrative and oversight responsibilities, among the Recipient and the Designated Subrecipient; and
- (3) for the purpose of 2 CFR parts 200 and 1201, the Recipient is a pass-through entity.

3.8 Designated Subrecipient Statements and Responsibilities.

If section 9 of schedule A identifies a Designated Subrecipient:

- (1) the Designated Subrecipient affirms all statements and acknowledgments that are attributed to the Recipient under sections 3.1 and 3.2; and
- (2) the Designated Subrecipient assumes the Recipient's reporting obligations under articles 7 and 8.

3.9 Title 23 Oversight Responsibilities for Subawards.

If section 9 of schedule A identifies a Designated Subrecipient, then for the purpose of 23 U.S.C. 106(g), the Recipient shall act as if funds under this award are Federal funds under title 23, United States Code.

ARTICLE 4 AWARD AMOUNT AND FEDERAL OBLIGATION

4.1 Federal Award Amount.

The USDOT hereby awards a RAISE Grant to the Recipient in the amount listed in section 1 of schedule D as the RAISE Grant Amount.

4.2 Federal Funding Source.

- (a) If section 4 of schedule F identifies the Funding Act as "IIJA," then the RAISE Grant is from RAISE Program funding that was appropriated in division J of the Infrastructure Investment and Jobs Act, Pub. L. No. 117-58 (Nov. 15, 2021).

- (b) If section 4 of schedule F identifies the Funding Act as “FY2023,” then the RAISE Grant is from RAISE Program funding that was appropriated in the Consolidated Appropriations Act, 2023, Pub. L. No. 117-328 (Dec. 29, 2022).
- (c) If section 4 of schedule F contains a table that lists separate amounts for “IIJA” and “FY2023,” then the amount listed for “IIJA” is from RAISE Program funding that was appropriated in division J of the Infrastructure Investment and Jobs Act, Pub. L. No. 117-58 (Nov. 15, 2021) and the amount listed for “FY2023” is from RAISE Program funding that was appropriated in the Consolidated Appropriations Act, 2023, Pub. L. No. 117-328 (Dec. 29, 2022).

4.3 Federal Obligations.

- (a) If the Federal Obligation Type identified in section 2 of schedule D is “Single,” then this agreement obligates for the budget period the amount listed in section 1 of schedule D as the RAISE Grant Amount and sections 4.3(c)–4.3(h) do not apply to this agreement.
- (b) If the Federal Obligation Type identified in section 2 of schedule D is “Multiple,” then an amount up to the RAISE Grant Amount listed in section 1 of schedule D will be obligated with one initial obligation and one or more subsequent, optional obligations, as described in sections 4.3(c)–4.3(h).
- (c) The Obligation Condition Table in section 2 of schedule D allocates the RAISE Grant among separate portions of the Project for the purpose of the Federal obligation of funds. The scope of each portion of the Project that is identified in that table is described in section 2 of schedule B.
- (d) This agreement obligates for the budget period only the amounts allocated in the Obligation Condition Table in section 2 of schedule D to portions of the Project for which that table does not list an obligation condition.
- (e) This agreement does not obligate amounts allocated in the Obligation Condition Table in section 2 of schedule D to portions of the Project for which that table lists an obligation condition. The parties may obligate the amounts allocated to those portions of the Project only as described in section 4.3(f) or by modifying this agreement under article 20.
- (f) For each portion of the Project for which the Obligation Condition Table in section 2 of schedule D lists an obligation condition, the amount allocated in that table to that portion of the Project is obligated if, not later than the statutory lapse date identified in section 4.3(h) for that portion of the Project, the parties execute an instrument, in the form provided in Exhibit D, documenting that:
 - (1) the USDOT determines that the obligation condition listed in that table for that portion of the Project is satisfied;
 - (2) the USDOT determines that all applicable Federal requirements for obligating the amount are satisfied; and
 - (3) the Recipient states that it is not required to request a modification of this agreement under article 5.

- (g) The Recipient shall not request reimbursement of costs for a portion of the Project for which the Obligation Condition Table in section 2 of schedule D lists an obligation condition, unless the amount allocated in that table to that portion of the Project is obligated under section 4.3(f).
- (h) RAISE Program funding that was appropriated in division J of the Infrastructure Investment and Jobs Act, Pub. L. No. 117-58 (Nov. 15, 2021), lapses and is unavailable for obligation, by statute, after September 30, 2027. RAISE Program funding that was appropriated in the Consolidated Appropriations Act, 2023, Pub. L. No. 117-328 (Dec. 29, 2022) will not lapse and remains available for obligation until expended. Section 4.2 identifies the specific source or sources of funding for this award.
- (i) The Recipient acknowledges that:
 - (1) the USDOT is not liable for payments for a portion of the Project for which the Obligation Condition Table in section 2 of schedule D lists an obligation condition, unless the amount allocated in that table to that portion of the Project is obligated under section 4.3(f);
 - (2) any portion of the RAISE Grant that is not obligated under this section 4.3 by the statutory lapse date identified in section 4.3(h) for those funds lapses on the day after that date and becomes unavailable for the Project; and
 - (3) the USDOT may consider the failure to obligate funds by the statutory lapse date identified in section 4.3(h) for those funds to be a basis for terminating this agreement under section 17.1.

ARTICLE 5

STATEMENT OF WORK, SCHEDULE, AND BUDGET CHANGES

5.1 Change Notification Requirement.

The Recipient shall notify USDOT within 30 calendar days of any change in circumstances or commitments that adversely affect the Recipient's capacity or intent to complete the Project in compliance with this agreement. In that notice, the Recipient shall describe the change and what actions the Recipient has taken or plans to take to ensure completion of the Project. The notification requirement under this section 5.1 is separate from any requirements under this article 5 that the Recipient request modification of this agreement.

5.2 Scope and Statement of Work Changes.

If the Project's activities differ from the activities described in schedule B, then the Recipient shall request a modification of this agreement to update schedule B.

5.3 Schedule Changes.

If one or more of the following conditions are satisfied, then the Recipient shall request a modification of this agreement to update schedule C:

- (1) a completion date for the Project or a component of the Project is listed in section 2 of schedule C and the Recipient's estimate for that milestone changes to a date that is more than six months after the date listed in section 2 of schedule C;
- (2) a schedule change would require the budget period to continue after the final budget period end date listed in section 1 of schedule C (i.e., for projects with multiple phases, changes to the base phase budget period end date for projects with two phase, or changes to base or secondary phase budget period end dates for projects with three phases, etc., will not trigger notification/modification requirements); or
- (3) the USDOT Payment System identified in section 6 of schedule A is "DELPHI eInvoicing" and a schedule change would require the period of performance to continue after the period of performance listed on page 1, line 6 of the project-specific agreement.

For other schedule changes, the Recipient shall follow the applicable procedures of the Administering Operating Administration and document the changes in writing.

5.4 **Budget Changes.**

- (a) The Recipient acknowledges that if the cost of completing the Project increases:
 - (1) that increase does not affect the Recipient's obligation under this agreement to complete the Project; and
 - (2) the USDOT will not increase the amount of this award to address any funding shortfall.
- (b) The Recipient shall request a modification of this agreement to update schedule D if, in comparing the Project's budget to the amounts listed in section 3 of schedule D:
 - (1) the total "Non-Federal Funds" amount decreases; or
 - (2) the total eligible project costs amount decreases.
- (c) For budget changes that are not identified in section 5.4(b), the Recipient shall follow the applicable procedures of the Administering Operating Administration and document the changes in writing.
- (d) If there are Project Cost Savings, then the Recipient may propose to the USDOT, in writing consistent with the Administering Operating Administration's requirements, to include in the Project specific additional activities that are within the scope of this award, as defined in section 1.1 and schedule B, and that the Recipient could complete with the Project Cost Savings.

In this agreement, "**Project Cost Savings**" means the difference between the actual eligible project costs and the total eligible project costs that are listed in section 3 of schedule D, but only if the actual eligible project costs are less than the total eligible project costs that are listed in section 3 of schedule D. There are no Project Cost

Savings if the actual eligible project costs are equal to or greater than the total eligible project costs that are listed in section 3 of schedule D.

(e) If there are Project Cost Savings and either the Recipient does not make a proposal under section 5.4(d) or the USDOT does not accept the Recipient's proposal under section 5.4(d), then:

- (1) in a request under section 5.4(b), the Recipient shall reduce the Federal Share by the Project Cost Savings; and
- (2) if that modification reduces this award and the USDOT had reimbursed costs exceeding the revised award, the Recipient shall refund to the USDOT the difference between the reimbursed costs and the revised award.

In this agreement, "**Federal Share**" means the sum of the total "RAISE Funds" and "Other Federal Funds" amounts that are listed in section 3 of schedule D.

(f) The Recipient acknowledges that amounts that are required to be refunded under section 5.4(e)(2) constitute a debt to the Federal Government that the USDOT may collect under 2 CFR 200.346 and the Standards for Administrative Collection of Claims (31 CFR parts 901).

5.5 USDOT Acceptance of Changes.

The USDOT may accept or reject modifications requested under this article 5, and in doing so may elect to consider only the interests of the RAISE Program and the USDOT. The Recipient acknowledges that requesting a modification under this article 5 does not amend, modify, or supplement this agreement unless the USDOT accepts that modification request and the parties modify this agreement under section 20.1.

ARTICLE 6 GENERAL REPORTING TERMS

6.1 Report Submission.

The Recipient shall send all reports required by this agreement to all USDOT contacts who are listed in section 5 of schedule A and all USDOT contacts who are listed in section 2.2.

6.2 Alternative Reporting Methods.

The Administering Operating Administration may establish processes for the Recipient to submit reports required by this agreement, including electronic submission processes. If the Administering Operating Administration informs the Recipient of those processes in writing, the Recipient shall use the processes identified by the Administering Operating Administration.

6.3 Paperwork Reduction Act Information.

Under 5 CFR 1320.6, the Recipient is not required to respond to a collection of information that does not display a currently valid control number issued by the Office of Management

and Budget (the “OMB”). Collections of information conducted under this agreement are approved under OMB Control No. 2105-0563.

ARTICLE 7 PROGRESS AND FINANCIAL REPORTING

7.1 Quarterly Project Progress Reports and Recertifications.

On or before the 20th day of the first month of each calendar year quarter and until the end of the period of performance, the Recipient shall submit to the USDOT a Quarterly Project Progress Report and Recertification in the format and with the content described in exhibit C. If the date of this agreement is in the final month of a calendar year quarter, then the Recipient shall submit the first Quarterly Project Progress Report and Recertification in the second calendar year quarter that begins after the date of this agreement.

7.2 Final Progress Reports and Financial Information.

No later than 120 days after the end of the period of performance, the Recipient shall submit:

- (1) a Final Project Progress Report and Recertification in the format and with the content described in exhibit C for each Quarterly Project Progress Report and Recertification, including a final Federal Financial Report (SF-425); and
- (2) any other information required under the Administering Operating Administration’s award closeout procedures.

ARTICLE 8 PERFORMANCE REPORTING

8.1 Baseline Performance Measurement.

If the Capital-Planning Designation in section 2 of schedule F is “Capital,” then

- (1) the Recipient shall collect data for each performance measure that is identified in the Performance Measure Table in schedule G, accurate as of the Baseline Measurement Date that is identified in schedule G; and
- (2) on or before the Baseline Report Date that is stated in schedule G, the Recipient shall submit a Baseline Performance Measurement Report that contains the data collected under this section 8.1 and a detailed description of the data sources, assumptions, variability, and estimated levels of precision for each performance measure that is identified in the Performance Measure Table in schedule G.

8.2 Post-construction Performance Measurement.

If the Capital-Planning Designation in section 2 of schedule F is “Capital,” then

- (1) for each performance measure that is identified in the Performance Measure Table in schedule G with quarterly measurement frequency, for each of 12 consecutive calendar quarters, beginning with the first calendar quarter that begins after the Project substantial completion date, at least once during the quarter, the Recipient shall collect data for that performance measure;
- (2) for each performance measure that is identified in the Performance Measure Table in schedule G with annual measurement frequency, the Recipient shall collect data for that performance measure on at least three separate occasions: (i) once during the four consecutive calendar quarters that begin after the Project substantial completion date; (ii) once during the fourth calendar quarter after the first collection; and (iii) once during the eighth calendar quarter after the first collection; and
- (3) not later than January 31 of each year that follows a calendar year during which data was collected under this section 8.2, the Recipient shall submit to the USDOT a Post-construction Performance Measurement Report containing the data collected under this section 8.2 in the previous calendar year and stating the dates when the data was collected.

If an external factor significantly affects the value of a performance measure collected under this section 8.2, then the Recipient shall identify that external factor in the Post-construction Performance Measurement Report and discuss its influence on the performance measure.

8.3 Project Outcomes Report.

If the Capital-Planning Designation in section 2 of schedule F is “Capital,” then the Recipient shall submit to the USDOT, not later than January 31 of the year that follows the final calendar year during which data was collected under section 8.2, a Project Outcomes Report that contains:

- (1) a narrative discussion detailing project successes and the influence of external factors on project expectations;
- (2) all baseline and post-construction performance measurement data that the Recipient reported in the Baseline Performance Measurement Report and the Post-construction Performance Measurement Reports; and
- (3) an *ex post* examination of project effectiveness relative to the baseline data that the Recipient reported in the Baseline Performance Measurement Report.

8.4 Performance Reporting Survival.

The data collection and reporting requirements in this article 8 survive the termination of this agreement.

**ARTICLE 9
RESERVED**

**ARTICLE 10
RESERVED**

**ARTICLE 11
LABOR AND WORK**

11.1 Labor and Work.

Schedule H documents the consideration of job quality and labor rights, standards, and protections related to the Project.

**ARTICLE 12
CIVIL RIGHTS AND TITLE VI**

12.1 Civil Rights and Title VI.

- (a) The purpose of sections 12.1(b)–12.1(c) is to ensure that the Recipient has a plan to comply with civil rights obligations and nondiscrimination laws, including Title VI and 49 CFR part 21, including any amendments thereto.
- (b) If the Recipient is an “Existing” Recipient then the Recipient shall submit to the USDOT either:
 - (1) not later than one month after the date of this agreement, documentation showing that the Recipient has complied with all reporting requirements under the Administering Operating Administration’s implementation of Title VI; or
 - (2) not later than six months after the date of this agreement, both a Title VI Plan and a Community Participation Plan, as those plans are described in chapter II, sections 3–4 of DOT Order 1000.12C, including any amendments or updates thereto.
- (c) If the Recipient is a “New” Recipient then the Administering Operating Administration completed a Title VI Assessment of the Recipient, as described in chapter II, section 2 of DOT Order 1000.12C, including any amendments or updates thereto.
- (d) In this section 12.1,
 - (1) “**Title VI**” means Title VI of the Civil Rights Act of 1964, Pub. L. No. 88-352 (codified at 42 U.S.C. 2000d to 2000d-4a).
 - (2) “**Existing**” means a prior recipient of DOT federal financial assistance since the publication of DOT Order 1000.12C on June 11, 2021.

- (3) “New” means a recipient who has not received DOT federal financial assistance since the publication of DOT Order 1000.12C on June 11, 2021.

12.2 Legacy Infrastructure and Facilities.

In furtherance of the Americans with Disabilities Act of 1990 (ADA), Pub. L. No. 101-336 (codified at 42 U.S.C. 12101–12213), and Section 504 of the Rehabilitation Act of 1973, Pub. L. No. 93-112 (codified at 29 U.S.C. 794), not later than one year after the date of this agreement, the Recipient shall develop a plan to address any legacy infrastructure or facilities that are not compliant with ADA standards and are involved in, or closely associated with, the Project. Consistent with 49 CFR part 27, even in the absence of prior discriminatory practice or usage, a Recipient administering a program or activity receiving Federal financial assistance is expected to take action to ensure that no person is excluded from participation in or denied the benefits of the program or activity on the basis of disability.

ARTICLE 13 CRITICAL INFRASTRUCTURE SECURITY AND RESILIENCE

13.1 Critical Infrastructure Security and Resilience.

ARTICLE 16

NONCOMPLIANCE AND REMEDIES

16.1 Noncompliance Determinations.

- (a) If the USDOT determines that the Recipient may have failed to comply with the United States Constitution, Federal law, or the terms and conditions of this agreement, the USDOT may notify the Recipient of a proposed determination of noncompliance. For that notice to be effective, USDOT must include an explanation of the nature of the noncompliance, describe a remedy, state whether that remedy is proposed or effective at an already determined date, and describe the process through and form in which the Recipient may respond to the notice.
- (b) If the USDOT notifies the Recipient of a proposed determination of noncompliance under section 16.1(a), the Recipient may, not later than 7 calendar days after the notice, respond to that notice in the form and through the process described in that notice. In its response, the Recipient may:

 - (1) additional conditions on the award;
 - (2) any remedy permitted under 2 CFR 200.339–200.340, including withholding of payments; disallowance of previously reimbursed costs, requiring refunds from the Recipient to the USDOT; suspension or termination of the award; or suspension and disbarment under 2 CFR part 180; or
 - (3) any other remedy legally available.
- (b) To impose a remedy, the USDOT must provide to the Recipient a notice that describes the remedy, but the USDOT may make the remedy effective before the Recipient receives that notice.
- (c) If the USDOT determines that it is in the public interest, the USDOT may impose a remedy, including all remedies described in section 16.2(a), before making a final determination of noncompliance under section 16.1. If it does so, then the notice provided under section 16.1(d) must also state whether the remedy imposed will continue, be rescinded, or modified.
- (d) In imposing a remedy under this section 16.2 or making a public interest determination under section 16.2(c), the USDOT may elect to consider the interests of only the USDOT.
- (e) The Recipient acknowledges that amounts that the USDOT requires the Recipient to refund to the USDOT due to a remedy under this section 16.2 constitute a debt to the Federal Government that the USDOT may collect under 2 CFR 200.346 and the Standards for Administrative Collection of Claims (31 CFR parts 901).

16.3 Other Oversight Entities.

Nothing in this article 16 limits any party’s authority to report activity under this agreement to the United States Department of Transportation Inspector General or other appropriate oversight entities.
