Docket Number 21-0036

Syress Gillens Oliver
Certification Program Manager
South Carolina Department of Transportation
Post Office Box 191
Columbia, SC 29202-0191

Dear Ms. Oliver,

As you know, D & T Trucking (DTT) has appealed your office's December 7, 2020 removal of the firm's Disadvantaged Business Enterprise (DBE) certification.

At your request, we remand the matter for reconsideration. We ask that you include in your review any new information you may have and that you provide DTT a new decision letter (restoring or removing certification) by February 26, 2021, with a courtesy copy to us.

This decision resolves the current appeal. It is administratively final.

We appreciate your willingness to give this matter additional scrutiny and your initiative in requesting the remand.

With kind regards,

Samuel F. Brooks
DBE Team Lead
Disadvantaged Business Enterprise Division
