Re: Certification under Section 1201 of the American Recovery and Reinvestment Act of 2009

Dear Secretary LaHood:

Pursuant to Title XII, Section 1201 of the American Recovery and Reinvestment Act of 2009 (PL 111-5 (February 17, 2009)) ("ARRA") and the clarifying guidance issued by the United States Department of Transportation and the Federal Highway Administration on, June 26, July 1, and September 24, 2009, I, Mitchell E. Daniels, Governor of the State of Indiana, hereby certify that the State of Indiana will maintain its effort with regard to State of Indiana funding for the types of projects in DOT "covered programs" that are funded under ARRA. The enclosed list of DOT "covered programs" identifies the amount of funds the State plans to expend from State sources from February 17, 2009 to September 30, 2010, for the types of projects under the DOT "covered programs" funded under ARRA. The expenditures from State sources as described herein have been calculated in good faith and are accurate to the best of my knowledge, information and belief.

I understand that if the State of Indiana is unable to maintain the level of funding identified in the attached list of the types of projects under the DOT "covered programs" funded under ARRA, the State of Indiana will thereafter be prohibited by the Secretary of Transportation from receiving additional limitations on obligations for Federal-aid highway and highway safety construction programs that occur after August 1 for fiscal year 2011.

Respectfully,

Enclosure
