Re: Certification under Section 1201 of the American Recovery and Reinvestment Act

Dear Mr. Secretary,

Pursuant to Title XII, section 1201 of the American Recovery and Reinvestment Act (Pub. L.111-5[February 17, 2009]) (ARRA), I hereby certify that the State of Georgia will maintain its efforts regarding State funding for the types of projects in U.S. Department of Transportation (DOT) "covered programs" funded under ARRA. The enclosed list of DOT "covered programs" identifies the amount of funds the State plans to expend from State sources from February 17, 2009 to September 30, 2010, for the types of projects under the DOT "covered programs" funds under ARRA.

I understand that, if the State of Georgia is unable to maintain the level of funding identified in this list, the Secretary of Transportation will thereafter prohibit the State of Georgia from receiving additional limitation on obligations for federal aid highway and highway safety construction programs that occur after August 1 for Fiscal Year 2011.

Sincerely,

A handwritten signature in black ink that reads "Sonny Perdue".
