CERTIFICATION UNDER SECTION 1201 OF
THE AMERICAN RECOVERY AND REINVESTMENT ACT:

Pursuant to Title XII, section 1201 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009)) ("ARRA"), I Jim Gibbons, the Governor of the State of Nevada, hereby certify to the Secretary of Transportation that the State of Nevada will maintain its effort with regard to State funding for the types of projects in DOT “covered programs” funded under ARRA. The attached list of DOT “covered programs” identifies the amount of funds the State plans to expend from State sources from February 17, 2009 to September 30, 2010, for the types of projects under the DOT “covered programs” funded under ARRA.

I understand that if the State of Nevada is unable to maintain the level of funding identified in this list of the types of projects under the DOT “covered programs” funded under ARRA, the State of Nevada will thereafter be prohibited by the Secretary of Transportation from receiving additional limitation on obligations for Federal-aid highway and highway safety construction programs that occur after August 1 for fiscal year 2011.

Signed this 17th day of March, 2009.

Jim Gibbons
Governor, State of Nevada
State of Nevada Department of Transportation

Attachment to Certification under Section 1201

The following is an estimate of state expenditure amounts under ARRA “covered programs.”
These estimates represent the planned non-bond expenditures for the types of projects under the
ARRA “covered programs” and are based on the best information available at this time:

- Highway Infrastructure Investment – Federal Highway Administration - $71.3 million
- Transit Capital Assistance – Federal Transit Administration - $504,000
