Dear Mr. Szabat:

Pursuant to Title XII, section 1201 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009)) ("ARRA"), I, Theodore R. Kulongoski, the Governor of the State of Oregon, hereby certify to the Secretary of Transportation that the State of Oregon will maintain its effort with regard to State funding for the types of projects in U.S. Department of Transportation (DOT) "covered programs" funded under ARRA. The enclosed list of DOT "covered programs" identifies the amount of funds the State plans to expend from State sources from February 17, 2009 to September 30, 2010, for projects under the DOT "covered programs" funded under ARRA. The enclosed list is an update of a previously submitted list and includes planned bond expenditures for types of projects funded under DOT "covered programs".

I understand that if the State of Oregon is unable to maintain the level of funding identified in this list of the types of projects under the DOT "covered programs" funded under ARRA, the State of Oregon will thereafter be prohibited by the Secretary of Transportation from receiving additional limitation on obligations for Federal-aid highway and highway safety construction programs that occurs after August 1 for fiscal year 2011.

Sincerely,

THEODORE R. KULONGOSKI
Governor

Signed this 22nd day of May 2009
