January 26, 2010

Mr. Joel Szabat
Deputy Assistant Secretary for Transportation Policy
U.S. Department of Transportation
1200 New Jersey Avenue, SE
Washington DC 20590

Dear Deputy Assistant Secretary Szabat:

In accordance with Section 1511 of P.L. 111-5, "The American Recovery and Reinvestment Act of 2009" (ARRA), enclosed please find two (2) certifications that \$432,624,777 in highway and \$152,250,072 in transit infrastructure investments for Maryland included in the attached lists totaling \$584,874,849 have received the full review and vetting required by law and are an appropriate use of taxpayer dollars. The list is inclusive of \$427,729,772 in highway and \$151,727,472 in transit investments that have already been certified by the State of Maryland.

These certifications are provided for the Maryland Department of Transportation's (MDOT) ARRA projects that have been approved by the appropriate Metropolitan Planning Organization (MPO) to meet the obligation deadlines for all of its transportation projects funded under ARRA highway and transit formula funds. Therefore, no further certifications will need to be provided for such projects. Additional certifications will be provided at a later date to account for transportation projects receiving discretionary grant program awards that have not been announced as of January 19, 2010.

I thank you for your support for transportation infrastructure needs in Maryland. If you need further assistance, please do not hesitate to contact Ms. Beverley K. Swaim-Staley, Secretary of Transportation. She can be reached at (410) 865-1001 or at bswaim-staley@mdot.state.md.us. Of course, please feel free to contact me directly.

Sincerely,
