ADDITION TO RHODE ISLAND’S 1511 CERTIFICATION FOR TRANSPORTATION PROJECTS

CERTIFICATION UNDER SECTION 1511 OF THE AMERICAN RECOVERY AND REINVESTMENT ACT

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5, Feb. 17, 2009) ("ARRA"), I, Donald L. Carcieri, hereby certify that the attached infrastructure investments funded with amounts appropriated by ARRA under the headings: "Highway Infrastructure Investment" to the Federal Highway Administration, or "Transit Capital Assistance," "Fixed Guideway Infrastructure Investment," and "Capital Investment Grants" to the Federal Transit Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided on the attached list.

The attached list provides three additional projects. All projects are included in the Transportation Improvement Program for the State of Rhode Island ("TIP"). The TIP can be viewed at http://www.planning.ri.gov/transportation/TIPamendment2.pdf. The State may be submitting additional certifications to address subsequent transit projects.

I understand that the State of Rhode Island may not receive ARRA infrastructure investment funding unless this certification is made and posted.
