GENERAL TERMS AND CONDITIONS

The Infrastructure Investment and Jobs Act, Pub. L. No. 117-58 (Nov. 15, 2021) (the “**IJA**”) made funds available to the United States Department of Transportation (the “**USDOT**”) for fiscal years 2023-24 to carry out 23 U.S.C. 117 by providing Federal financial assistance for projects of national or regional significance. The USDOT program administering those funds is the INFRA program.

On June 26, 2023, the USDOT posted a funding opportunity at Grants.gov with funding opportunity title “INFRA Grants” and funding opportunity number NSMFHP-23-24-INFRA. The notice of funding opportunity posted at Grants.gov, (the “**NOFO**”) solicited applications for Federal financial assistance under the fiscal years 2023-24 INFRA program. Because the NOFO also made funding available for two other programs, DOT also collected Mega applications under funding opportunity numbers NIPA-23-34-MEGA and RSTGP-23-24-RURAL. On January 25, 2024, the USDOT announced application selections under the NOFO for the INFRA program.

These general terms and conditions are incorporated by reference in a project-specific agreement under the fiscal years 2023-24 INFRA program. The term “Recipient” is defined in the project-specific portion of the agreement. The project-specific portion of the agreement includes schedules A through I. The project-specific portion of the agreement may include special terms and conditions in project-specific articles.

ARTICLE 1 PURPOSE

1.1 Purpose.

The purpose of this award is to fund an eligible project of national or regional significance to help achieve the goals identified at 23 U.S.C. 117(a)(2). The parties will accomplish that purpose by achieving the following objectives:

- (1) timely completing the Project; and
- (2) ensuring that this award does not substitute for non-Federal investment in the Project, except as proposed in the Technical Application, as modified by schedule D.

ARTICLE 2 USDOT ROLE

2.1 Division of USDOT Responsibilities.

- (a) The Office of the Secretary of Transportation is responsible for the USDOT's overall administration of the INFRA program, the approval of this agreement, and any modifications to this agreement under section 15.1.
- (b) The Federal Highway Administration (the “**FHWA**”) will administer this agreement on behalf of the USDOT. In this agreement, the “**Administering Operating Administration**” means the FHWA.

ARTICLE 3 RECIPIENT ROLE

3.1 Statements on the Project.

The Recipient states that:

- (1) all material statements of fact in the Technical Application were accurate when that application was submitted; and
- (2) schedule E documents all material changes in the information contained in that application.

3.2 Statements on Authority and Capacity.

The Recipient states that:

- (1) it has the authority to receive Federal financial assistance under this agreement;
- (2) it has the legal authority to complete the Project;
- (3) it has the capacity, including institutional, managerial, and financial capacity, to comply with its obligations under this agreement;
- (4) not less than the difference between the total eligible project costs listed in section 3 of schedule D and the INFRA Grant Amount listed in section 1 of schedule D is committed to fund the Project;
- (5) it has sufficient funds available to ensure that infrastructure completed or improved under this agreement will be operated and maintained in compliance with this agreement and applicable Federal law; and
- (6) the individual executing this agreement on behalf of the Recipient has authority to enter this agreement and make the statements in this article 3 and in section 21.7 on behalf of the Recipient.

3.3 USDOT Reliance.

The Recipient acknowledges that:

- (1) the USDOT relied on statements of fact in the Technical Application to select the Project to receive this award;
- (2) the USDOT relied on statements of fact in both the Technical Application and this agreement to determine that the Recipient and the Project are eligible under the terms of the NOFO;
- (3) the USDOT relied on statements of fact in both the Technical Application and this agreement to establish the terms of this agreement; and
- (4) the USDOT's selection of the Project to receive this award prevented awards under the NOFO to other eligible applicants.

3.4 Project Delivery.

- (a) The Recipient shall complete the Project under the terms of this agreement.
- (b) The Recipient shall ensure that the Project is financed, constructed, operated, and maintained in accordance with all Federal laws, regulations, and policies that are applicable to projects of the Administering Operating Administration.

3.5 Rights and Powers Affecting the Project.

- (a) The Recipient shall not take or permit any action that deprive it of any rights or powers necessary to the Recipient's performance under this agreement without written approval of the USDOT.
- (b) The Recipient shall act promptly, in a manner acceptable to the USDOT, to acquire, extinguish, or modify any outstanding rights or claims of right of others that would interfere with the Recipient's performance under this agreement.

3.6 Notification of Changes to Key Personnel.

The Recipient shall notify all USDOT representatives who are identified in section 5 of schedule A in writing within 30 calendar days of any change in key personnel who are identified in section 4 of schedule A.

3.7 Subaward to Designated Subrecipient.

If section 9 of schedule A identifies a Designated Subrecipient:

- (1) the Recipient hereby awards a subaward to the Designated Subrecipient for the purpose described in section 1.1;
- (2) the Recipient and the Designated Subrecipient may enter into a separate agreement, to which the USDOT is not a party, assigning responsibilities, including administrative and oversight responsibilities, among the Recipient and the Designated Subrecipient; and
- (3) for the purpose of 2 CFR parts 200 and 1201, the Recipient is a pass-through entity.

3.8 Designated Subrecipient Statements and Responsibilities.

If section 9 of schedule A identifies a Designated Subrecipient:

- (1) the Designated Subrecipient affirms all statements and acknowledgments that are attributed to the Recipient under sections 3.1 and 3.2; and
- (2) the Designated Subrecipient assumes the Recipient's reporting obligations under article 7.

ARTICLE 4 AWARD AMOUNT, OBLIGATION, AND TIME PERIODS

4.1 Federal Award Amount.

The USDOT hereby awards an INFRA Grant to the Recipient in the amount listed in section 1 of schedule D as the INFRA Grant Amount.

4.2 Federal Funding Source and Year.

- (a) If section 3 of schedule F identifies the Funding Source as “Trust Fund,” then the INFRA Grant is from INFRA program funding that was made available at IJJA div. A § 11101(a)(5)(B) and (C).
- (b) If section 3 of schedule F identifies the Funding Source as “General Fund,” then the INFRA Grant is from INFRA program funding that was appropriated in IJJA div. J for fiscal years 2023-24.
- (c) If section 3 of schedule F contains a table that lists separate amounts for “Trust Fund” and “General Fund,” then the amount listed for “Trust Fund” is from INFRA program funding that was made available at IJJA div. A § 11101(a)(5)(A) and the amount listed for “General Fund” is from INFRA program funding that was appropriated in IJJA div. J for fiscal years 2023-24.
- (d) If section 3 of schedule F selects FY 23, FY 24, or both for funding year, this designates which year(s) of funding were awarded.

4.3 Federal Obligations.

- (a) If the Federal Obligation Type identified in section 2 of schedule D is “Single,” then this agreement obligates for the budget period the amount listed in section 1 of schedule D as the INFRA Grant Amount and sections 4.3(c)–4.3(h) do not apply to this agreement.
- (b) If the Federal Obligation Type identified in section 2 of schedule D is “Multiple,” then an amount up to the INFRA Grant Amount listed in section 1 of schedule D will be obligated with one initial obligation and one or more subsequent, optional obligations, as described in sections 4.3(c)–4.3(h).
- (c) The Obligation Condition Table in section 2 of schedule D allocates the INFRA Grant among separate portions of the Project for the purpose of the Federal obligation of funds. The scope of each portion of the Project that is identified in that table is described in section 2 of schedule B.
- (d) This agreement obligates for the budget period only the amounts allocated in the Obligation Condition Table in section 2 of schedule D to portions of the Project for which that table does not list an obligation condition.
- (e) This agreement does not obligate amounts allocated in the Obligation Condition Table in section 2 of schedule D to portions of the Project for which that table lists an obligation condition. The parties may obligate the amounts allocated to those portions of the Project only as described in section 4.3(f) or by modifying this agreement under article 15.

- (f) For each portion of the Project for which the Obligation Condition Table in section 2 of schedule D lists an obligation condition, the amount allocated in that table to that portion of the Project is obligated if, not later than the statutory lapse date identified in section 4.3(h) for that portion of the Project, the parties execute an instrument, in the form provided in Exhibit D, documenting that:
 - (1) the USDOT determines that the obligation condition listed in that table for that portion of the Project is satisfied;
 - (2) the USDOT determines that all applicable Federal requirements for obligating the amount are satisfied; and
 - (3) the Recipient states that it is not required to request a modification of this agreement under article 5.
- (g) The Recipient shall not request reimbursement of costs for a portion of the Project for which the Obligation Condition Table in section 2 of schedule D lists an obligation condition, unless the amount allocated in that table to that portion of the Project is obligated under section 4.3(f).
- (h) INFRA program funding for this award lapses and is unavailable for obligation, by statute, after September 30, 2026 and September 30, 2027, for FY 23 and FY 24 funds, respectively.
- (i) The Recipient acknowledges that:
 - (1) the USDOT is not liable for payments for a portion of the Project for which the Obligation Condition Table in section 2 of schedule D lists an obligation condition, unless the amount allocated in that table to that portion of the Project is obligated under section 4.3(f);
 - (2) any portion of the INFRA Grant that is not obligated under this section 4.3 by the statutory lapse date identified in section 4.3(h) for those funds lapses on the day after that date and becomes unavailable for the Project; and
 - (3) the USDOT may consider the failure to obligate funds by the statutory lapse date identified in section 4.3(h) for those funds to be a basis for terminating this agreement under section 10.1.

4.4 Budget Period.

The budget period for this award begins on the date of this agreement and ends on the budget period end date that is listed in section 1 of schedule C. In this agreement, “budget period” is used as defined at 2 CFR 200.1.

4.5 Period of Performance.

- (a) If the USDOT Payment System identified in section 6 of schedule A is “FMIS,” then the period of performance for this award begins on the date of this agreement and ends on project end date in FMIS.
- (b) If the USDOT Payment System identified in section 6 of schedule A is “DELPHI eInvoicing,” then the period of performance for this award is listed on page 1, line 6 of the project-specific agreement.
- (c) In this agreement, “period of performance” is used as defined at 2 CFR 200.1.

ARTICLE 5 STATEMENT OF WORK, SCHEDULE, AND BUDGET CHANGES

5.1 Notification Requirement.

The Recipient shall notify all USDOT representatives who are identified in section 5 of schedule A in writing within 30 calendar days of any change in circumstances or commitments that adversely affect the Recipient’s plan to complete the Project. In that notification, the Recipient shall describe the change and what actions the Recipient has taken or plans to take to ensure completion of the Project. This notification requirement under this section 5.1 is separate from any requirements under this article 5 that the Recipient request modification of this agreement.

5.2 Scope and Statement of Work Changes.

If the Project’s activities differ from the activities described in schedule B, then the Recipient shall request a modification of this agreement to update schedule B.

5.3 Schedule Changes.

If one or more of the following conditions are satisfied, then the Recipient shall request a modification of this agreement to update schedule C:

- (1) a completion date for the Project or a component of the Project is listed in section 2 of schedule C and the Recipient’s estimate for that milestone changes to a date that is more than six months after the date listed in section 2 of schedule C;
- (2) a schedule change would require the final budget period of the project to continue after the final budget period end date listed in section 1 of schedule C (i.e., for projects with multiple phases, changes to the base phase budget period end date for projects with two phases, or changes to base or secondary phase budget period end dates for projects with three phases, etc. will not trigger notification/modification requirements); or

- (3) the USDOT Payment System identified in section 6 of schedule A is “DELPHI eInvoicing” and a schedule change would require the period of performance to continue after the period of performance listed on page 1, line 6 of the project-specific agreement.

For other schedule changes, the Recipient shall follow the applicable procedures of the Administering Operating Administration and document the changes in writing.

5.4 Budget Changes.

- (a) The Recipient acknowledges that if the cost of completing the Project increases:
 - (1) that increase does not affect the Recipient’s obligation under this agreement to complete the Project; and
 - (2) the USDOT will not increase the amount of this award to address any funding shortfall.
- (b) The Recipient shall request a modification of this agreement to update schedule D if, in comparing the Project’s budget to the amounts listed in section 3 of schedule D:
 - (1) the total “Non-Federal Funds” amount decreases; or
 - (2) the total eligible project costs amount decreases.
- (c) For budget changes that are not identified in section 5.4(b), the Recipient shall follow the applicable procedures of the Administering Operating Administration and document the changes in writing.
- (d) If there are Project Cost Savings, then the Recipient may propose to the USDOT, in writing consistent with the Administering Operating Administration’s requirements, to include in the Project specific additional activities that are within the scope of this award, as defined in section 1.1 and schedule B, and that the Recipient could complete with the Project Cost Savings.

In this agreement, “**Project Cost Savings**” means the difference between the actual eligible project costs and the total eligible project costs that are listed in section 3 of schedule D, but only if the actual eligible project costs are less than the total eligible project costs that are listed in section 3 of schedule D. There are no Project Cost Savings if the actual eligible project costs are equal to or greater than the total eligible project costs that are listed in section 3 of schedule D.

- (e) If there are Project Cost Savings and either the Recipient does not make a proposal under section 5.4(d) or the USDOT does not accept the Recipient’s proposal under section 5.4(d), then:
 - (1) in a request under section 5.4(b), the Recipient shall reduce the Federal Share by the Project Cost Savings; and

- (2) if that modification reduces this award and the USDOT had reimbursed costs exceeding the revised award, the Recipient shall refund to the USDOT the difference between the reimbursed costs and the revised award.

In this agreement, “**Federal Share**” means the sum of the total “INFRA Funds” and “Other Federal Funds” amounts that are listed in section 3 of schedule D.

- (f) The Recipient acknowledges that amounts that are required to be refunded under section 5.4(e)(2) constitute a debt to the Federal Government that the USDOT may collect under 2 CFR 200.346 and the Federal Claims Collection Standards (31 CFR parts 900–999).

5.5 USDOT Acceptance of Changes.

The USDOT may accept or reject modifications requested under this article 5, and in doing so may elect to consider only the interests of the INFRA grant program and the USDOT. The Recipient acknowledges that requesting a modification under this article 5 does not amend, modify, or supplement this agreement unless the USDOT accepts that modification request and the parties modify this agreement under section 15.1.

ARTICLE 6 GENERAL REPORTING TERMS

6.1 Report Submission.

The Recipient shall send all reports required by this agreement to all USDOT contacts who are listed in section 5 of schedule A and all USDOT contacts who are listed in section 2.2.

6.2 Alternative Reporting Methods.

The Administering Operating Administration may establish processes for the Recipient to submit reports required by this agreement, including electronic submission processes. If the Recipient is notified of those processes in writing, the Recipient shall use the processes required by the Administering Operating Administration.

6.3 Paperwork Reduction Act Notice.

Under 5 CFR 1320.6, the Recipient is not required to respond to a collection of information that does not display a currently valid control number issued by the Office of Management and Budget (the “OMB”). Notwithstanding any other term of this agreement, the due date for any information collections required under this agreement, including the reporting requirements in article 7, is the later of (1) the due date stated with the requirement and (2) the 30th day after OMB approves an information collection titled “Discretionary Grants for Nationally Significant Freight and Highway Projects (FASTLANE/INFRA) Program.”

ARTICLE 7 PROGRESS AND FINANCIAL REPORTING

7.1 Quarterly Project Progress Reports and Recertifications.

On or before the 20th day of the first month of each calendar year quarter and until the end of the period of performance, the Recipient shall submit to the USDOT a Quarterly Project Progress Report and Recertification in the format and with the content described in exhibit C. If the date of this agreement is in the final month of a calendar year quarter, then the Recipient shall submit the first Quarterly Project Progress Report and Recertification in the second calendar year quarter that begins after the date of this agreement.

7.2 Final Progress Reports and Financial Information.

No later than 120 days after the end of the period of performance, the Recipient shall submit

- (1) a Final Project Progress Report and Recertification in the format and with the content described in exhibit C for each Quarterly Project Progress Report and Recertification, including a final Federal Financial Report (SF-425); and
- (2) any other information required under the Administering Operating Administration's award closeout procedures.

ARTICLE 8 PERFORMANCE MEASUREMENT AND REPORTING

8.1 Optional Applicability.

Article 8 applies only if the Recipient opted into the Performance Measurement and Reporting Pilot as described in the NOFO, Section F.3.

- (a) If Schedule G is populated, follow instructions 8.2-8.5.
- (b) If Schedule G is not populated, this Article does not apply.

8.2 Baseline Performance Measurement.

- (a) Before the start of construction on the Project but not earlier than one year before the start of construction on the Project, the Recipient shall collect baseline data for each performance measure that is enumerated in schedule G.
- (b) Not later than January 31 of the calendar year that begins after the Recipient collects baseline data under section 8.1(a), the Recipient shall submit a Baseline Performance Measurement Report containing the data collected under section 8.1(a), stating the dates when the data was collected, and describing, in detail, the data sources, assumptions,

variability, and estimated levels of precision for each performance measure that is enumerated in schedule G.

8.3 Post-construction Performance Measurement.

- (a) For each performance measure that is enumerated in schedule G and has a quarterly measurement frequency, for each of 19 consecutive calendar quarters, beginning with the first calendar quarter that begins after the Project substantial completion date, at least once during the quarter, the Recipient shall collect data for that performance measure.
- (b) For each performance measure that is that is enumerated in schedule G and has an annual measurement frequency, the Recipient shall collect data for that performance measure on at least five separate occasions: (i) once during the three consecutive calendar quarters that begin after the Project substantial completion date; (ii) once during the fourth calendar quarter after the first collection; (iii) once during the eighth calendar quarter after the first collection; (iv) once during the twelfth calendar quarter after the first collection; and (v) once during the sixteenth calendar quarter after the first collection.
- (c) Not later than January 31 of each year that follows a calendar year during which data was collected under this section 8.2, the Recipient shall submit to the USDOT a Post-construction Performance Measurement Report containing the data collected under this section 8.2 in the previous calendar year and stating the dates when the data was collected.
- (d) If an external factor significantly affects the value of a performance measure collected under this section 8.2, then the Recipient shall identify that external factor in the Post-construction Performance Measurement Report described in section 8.2(c) and discuss the external factor's influence on the performance measure.

8.4 Project Outcomes Report.

The Recipient shall submit to the USDOT, not later than January 31 of the year that follows the final calendar year during which data was collected under section 8.2, a Project Outcomes Report that contains:

- (1) an analysis of the impacts of the project, including a comparison of the baseline performance measurement data collected under section 8.1 with the post-construction performance measurement data that the Recipient reported in the final Post-construction Performance Measurement Report required under section 8.2(c);
- (2) for each performance measure that is enumerated in schedule G, an analysis of the accuracy of the projected outcome listed in schedule G; and
- (3) all data collected under sections 8.1 and 8.2.

8.5 General Performance Measurements.

For each performance measure that is enumerated in schedule G, the Recipient shall ensure that all data collections under this article 8 are completed in a manner consistent with the description, location, and other attributes associated with that performance measure in schedule G.

ARTICLE 9 NONCOMPLIANCE AND REMEDIES

9.1 Noncompliance Determinations.

- (a) If the USDOT determines that the Recipient may have failed to comply with the United States Constitution, Federal law, or the terms and conditions of this agreement, the USDOT may notify the Recipient of a proposed determination of noncompliance. For the notice to be effective, it must be written and the USDOT must include an explanation of the nature of the noncompliance, describe a remedy, state whether that remedy is proposed or effective at an already determined date, and describe the process through and form in which the Recipient may respond to the notice.
- (b) If the USDOT notifies the Recipient of a proposed determination of noncompliance under section 9.1(a), the Recipient may, not later than 7 calendar days after the notice, respond to that notice in the form and through the process described in that notice. In its response, the Recipient may:
 - (1) accept the remedy;
 - (2) acknowledge the noncompliance, but propose an alternative remedy; or
 - (3) dispute the noncompliance.

To dispute the noncompliance, the Recipient must include in its response documentation or other information supporting the Recipient's compliance.

- (c) The USDOT may make a final determination of noncompliance only:
 - (1) after considering the Recipient's response under section 9.1(b); or
 - (2) if the Recipient fails to respond under section 9.1(b), after the time for that response has passed.
- (d) To make a final determination of noncompliance, the USDOT must provide a notice to the Recipient that states the bases for that determination.

9.2 Remedies.

- (a) If the USDOT makes a final determination of noncompliance under section 9.1, the USDOT may impose a remedy, including:

- (1) additional conditions on the award;
 - (2) any remedy permitted under 2 CFR 200.339–200.340, including withholding of payments; disallowance of previously reimbursed costs, requiring refunds from the Recipient to the USDOT; suspension or termination of the award; or suspension and disbarment under 2 CFR part 180; or
 - (3) any other remedy legally available.
- (b) To impose a remedy, the USDOT must provide a written notice to the Recipient that describes the remedy, but the USDOT may make the remedy effective before the Recipient receives that notice.
- (c) If the USDOT determines that it is in the public interest, the USDOT may impose a remedy, including all remedies described in section 9.2(a), before making a final determination of noncompliance under section 9.1. If it does so, then the notice provided under section 9.1(d) must also state whether the remedy imposed will continue, be rescinded, or modified.
- (d) In imposing a remedy under this section 9.2 or making a public interest determination under section 9.2(c), the USDOT may elect to consider the interests of only the USDOT.
- (e) The Recipient acknowledges that amounts that the USDOT requires the Recipient to refund to the USDOT due to a remedy under this section 9.2 constitute a debt to the Federal Government that the USDOT may collect under 2 CFR 200.346 and the Federal Claims Collection Standards (31 CFR parts 900–999).
