Washington, DC 20590

Office of the Secretary  
of Transportation

---

**MEMORANDUM TO:** Department of Transportation (DOT) Chiefs of the Contracting  
Offices (COCOs)

**FROM:** Chrishaun Jones  
Senior Procurement Executive  
Office of the Senior Procurement Executive

**SUBJECT:** Transportation Acquisition Regulation (TAR) Class Deviation  
(CD) No. 2025-02 Amendment No. 1 – TAR 1252.232-70

- I. Purpose:** This class deviation (CD) is issued in accordance with Transportation Acquisition Regulation (TAR) 1201.404 to revise the following TAR subpart. This CD provides procurement guidance to implement Executive Order (E.O.) 14173, *Ending Illegal Discrimination and Restoring Merit-Based Opportunity*.

**TAR Parts impacted: 1252**

- a. TAR Part 1252 - Solicitation Provisions and Contract Clauses
- Clause 1252.232-70 - Electronic Submission of Payment Requests
    - Status: Revised to comply with the E.O.

- II. Effective Date:** Immediately.

- III. Background:** On January 20, 2025, President Trump issued E.O 14173, *Ending Illegal Discrimination and Restoring Merit-Based Opportunity*. This E.O. directs all executive departments and agencies to “terminate all discriminatory and illegal preferences, mandates, policies, programs, activities, guidance, regulations, enforcement actions, consent orders, and requirements” and to enforce civil rights laws by ending illegal diversity, equity, and inclusion (DEI) or diversity, equity, inclusion, and accessibility (DEIA) activities across both the Federal Government and the private sector. The order revokes several prior DEI- and affirmative action–related executive orders and includes specific requirements affecting Federal acquisition and financial assistance practices.

Section 3(b)(iv) of E.O. 14173 states that:

- “The head of each agency shall include in every contract or grant award:
  - (A) *‘A term requiring the contractual counterparty or grant recipient to agree that its compliance in all respects with all applicable Federal anti-discrimination laws*

- is material to the government's payment decisions for purposes of section 3729(b)(4) of title 31, United States Code;'* and
- (B) *'A term requiring such counterparty or recipient to certify that it does not operate any programs promoting DEI that violate any applicable Federal anti-discrimination laws.'*

As a result of the issuance of E.O. 14173, DOT is revising TAR Part 1252 by deviating the currently published clause at TAR 1252.232-70, *Electronic Submission of Payment Requests*, to incorporate these new terms and ensure that DOT contracting and financial assistance actions align with the order's requirements.

- IV. **Required Action:** Contracting Officers shall insert the TAR Deviation text in Attachment A in solicitations and contracts exceeding the micro-purchase threshold, except those for which the contracting officer has directed or approved otherwise under 1232.7002, and those paid with a Governmentwide commercial purchase card. Please refer to DOT DASH 2025-03 for certification instructions applicable to purchase card transactions, classified contracts, and paper payment requests, which are excluded from this TAR Deviation.
- V. **Applicability:** This CD applies to all DOT Operating Administrations (OAs), the Office of the Secretary of Transportation (OST), and the Office of the Inspector General (OIG), excluding the Federal Aviation Administration (FAA) per TAR 1201.104(d), and applies to all DOT solicitations and contracts, as appropriate.
- VI. **Expiration Date:** This CD remains in effect until the requirements are incorporated into the TAR, or are otherwise rescinded, whichever occurs first.
- VII. **Point of Contact:** Questions or comments regarding this CD may be directed to [DOTAcquisitionPolicy@dot.gov](mailto:DOTAcquisitionPolicy@dot.gov).
