

GROW AMERICA Act: Estimated FY 2016 Federal Highway and Transit Apportionment for:

NEBRASKA

NEBRASKA

The **GROW AMERICA Act** is a six-year transportation reauthorization proposal transmitted to Congress by the Administration that provides increased and stable funding for our Nation’s highways, bridges, transit, and rail systems. The **GROW AMERICA Act** will allow States and local governments to effectively plan and start construction on projects that will support millions of good paying jobs over the next several years and improve our economy and global competitiveness.

As displayed in the tables below, the Administration’s proposed **GROW AMERICA Act** would put **more resources into Nebraska’s highway and transit systems** than a scenario of continued short-term patches at flat funding levels:

FY 2016 Federal-Aid Highway Apportionment to Nebraska under Extensions with Flat Funding	Estimated FY 2016 Federal-Aid Highway Apportionment to Nebraska under the Administration’s GROW AMERICA Act
\$281,687,138	\$343,716,495

FY 2016 Federal Transit Administration Apportionments and Allocations to Nebraska under Extensions with Flat Funding	Estimated FY 2016 Federal Transit Administration Apportionments and Allocations to Nebraska under the Administration’s GROW AMERICA Act
\$23,694,146	\$36,534,170
