

GROW AMERICA Act:

Estimated FY 2016 Federal Highway and Transit Apportionment for:

WASHINGTON

WASHINGTON

The **GROW AMERICA Act** is a six-year transportation reauthorization proposal transmitted to Congress by the Administration that provides increased and stable funding for our Nation’s highways, bridges, transit, and rail systems. The **GROW AMERICA Act** will allow States and local governments to effectively plan and start construction on projects that will support millions of good paying jobs over the next several years and improve our economy and global competitiveness.

As displayed in the tables below, the Administration’s proposed **GROW AMERICA Act** would put **more resources into Washington’s highway and transit systems** than a scenario of continued short-term patches at flat funding levels:

FY 2016 Federal-Aid Highway Apportionment to Washington under Flat Funding	Estimated FY 2016 Federal-Aid Highway Apportionment to Washington under the Administration’s GROW AMERICA Act
\$660,662,044	\$802,896,951

FY 2016 Federal Transit Administration Apportionments and Allocations to Washington under Flat Funding	Estimated FY 2016 Federal Transit Administration Apportionments and Allocations to Washington under the Administration’s GROW AMERICA Act
\$230,962,992	\$356,123,457
