

# Facilitator's Draft – Approved by IFEWG in concept only

## DRAFT IFE/IFC ISSUE LIST WITH ANALYSIS

Distributed for discussion at the Second Plenary Meeting of the ACCESS Committee

June 15, 2016

### IFE Systems

1. **Applicability:** Should the rule's closed captioning/audio description requirements apply to:
  - a) "new" aircraft orders of new models for which an inflight entertainment system (IFES) is purchased?
  - b) "new" aircraft orders of existing models?
  - c) "new" IFE installations in aircraft already in use?
  - d) upgraded IFE installations in aircraft already in use?
  - e) existing IFC installations in aircraft already in use

If so, on what timetable in each case and how should "new" be defined?

**Leader(s):**

**Background discussion:**

**Possible/Proposed technical solutions:**

**Constraints or obstacles:**

2. **Seatback displays:** Should the rule require closed captioning on seatback displays?

**Leader(s):**

**Background discussion:**

**Possible/Proposed technical solutions:**

**Constraints or obstacles:**

3. **Portable displays:** Should the rule require carriers who offer IFE content to offer it in a format that will display with closed captioning on portable displays (e.g., tablet, smartphone or laptop)?

**ETC.**
