¹Pursuant to Title 46 U.S.C section 3507(g)(4)(A):

"The Secretary shall maintain a statistical compilation of all incidents described [above] on an Internet site that **provides a numerical accounting of the missing persons and alleged crimes recorded in each report filed [above] that are no longer under investigation by the Federal Bureau of Investigation.** The data shall be updated no less than quarterly, aggregated by cruise line, each cruise line shall be identified by name, and each crime shall be identified as to whether it was committed by a passenger or a crew member." (emphasis added)

Note:

The number of matters "no longer under investigation" provided on this Internet site is necessarily different than the aggregate number of matters required to be reported to the FBI per the above. A matter may be reported but not opened as a full investigation if, for example, there is insufficient evidence of a federal crime within FBI jurisdiction or prosecution is declined.

The "matters no longer under investigation" provided herein do not include:

- 1) open investigations or pending prosecutions;
- 2) reported matters other than homicide, suspicious death, a missing United States national, kidnapping, assault with serious bodily injury, sexual assault, firing or tampering with a vessel, or theft of money and property in excess of \$10,000;
- 3) any matters that were reported that did not result in open investigations, e.g., lack of federal jurisdiction.
