

**Date/Time:** 5/18/2009

**Registered Lobbyist/Client Names:**

Rich Juliano, American Road and Transportation Builders Association

**General Subject Involved:**

Meeting with ARTBA's Contract Administration Committee

**Summary of discussion:**

On Monday, May 18, 2009 Jeff Zaharewicz and Jerry Yakowenko with FHWA's Office of Program Administration met with Rich Juliano (registered lobbyist for the American Road and Transportation Builders Association – ARTBA) and approximately 30 other members of ARTBA's Contract Administration Committee. We were invited to meet with ARTBA's membership to discuss various issues relating to Federal-aid highway construction contracting including value engineering, innovative contracting, Recovery Act construction contracting requirements, price adjustment clauses, Buy America, Davis-Bacon and other issues of interest to the highway construction industry.

**DOT Participants (name, title, OA/office):**

Gerald Yakowenko, Contract Administration Group Leader, and Jeff Zaharewicz, Value Engineering and Utilities Coordinator, FHWA's Office of Program Administration HIPA-10 and HIPA-30.
