SUPPLEMENTARY INFORMATION:

Preparing for the Future of Transportation: Automated Vehicles 3.0 (AV 3.0) builds upon *Automated Driving Systems 2.0: A Vision for Safety*, expands the scope to all surface on-road transportation systems, and was developed through the input from a diverse set of stakeholder

engagements^{1,2} throughout the Nation. *AV 3.0* is structured around three key areas: 1) Advancing multi-modal safety, 2) Reducing policy uncertainty, and 3) Outlining a process for working with DOT. The *AV 3.0* document is available at: www.transportation.gov/av.

The U.S. DOT sees *AV 3.0* as the beginning of a national discussion about the future of our on-road surface transportation system. The U.S. DOT is seeking public comments on the document, *Preparing for the Future of Transportation: Automated Vehicles 3.0* [ISBN 978-0-16-094944-9]. This document will necessarily evolve over time, changing based on public comment, the experience of the Department, manufacturers, suppliers, consumers, and others, and further technological innovation. The Department intends to revise and refine its approach to automation, as needed, to reflect such public input, experience, and innovation, and will address significant comments received in the next revision of this document.

How do I prepare and submit comments?

Your comments must be written and in English. To ensure that your comments are filed correctly in the docket, please include the docket number of this document in your comments. Please submit one copy (two copies if submitting by mail or hand delivery) of your comments, including the attachments, to the docket following the instructions given above under ADDRESSES. Please note, if you are submitting comments electronically as a PDF (Adobe) file, we ask that the documents submitted be scanned using an Optical Character Recognition (OCR) process, thus allowing the agency to search and copy certain portions of your submissions.

How do I submit confidential business information?

¹ <https://www.transportation.gov/av/publicnotices>

² <https://www.transportation.gov/av/events>

Any submissions containing Confidential Information must be delivered to OST in the following manner:

- Submitted in a sealed envelope marked “confidential treatment requested”;
- Accompanied by an index listing the document(s) or information that the submitter would like the Department to withhold. The index should include information such as numbers used to identify the relevant document(s) or information, document title and description, and relevant page numbers and/or section numbers within a document; and
- Submitted with a statement explaining the submitter's grounds for objecting to disclosure of the information to the public.

OST also requests that submitters of Confidential Information include a non-confidential version (either redacted or summarized) of those confidential submissions in the public docket. In the event that the submitter cannot provide a non-confidential version of its submission, OST requests that the submitter post a notice in the docket stating that it has provided OST with Confidential Information. Should a submitter fail to docket either a non-confidential version of its submission or to post a notice that Confidential Information has been provided, we will note the receipt of the submission on the docket, with the submitter's organization or name (to the degree permitted by law) and the date of submission.

Will the agency consider late comments?

The U.S. DOT will consider all comments received before the close of business on the comment closing date indicated above under DATES. To the extent possible, the agency will also consider comments received after that date. Given that we intend for the policy document to be a living document and to be developed in an iterative fashion, subsequent opportunities to comment will also be provided periodically.

How can I read the comments submitted by other people?

You may read the comments received at the address given above under COMMENTS.

The hours of the docket are indicated above in the same location. You may also see the comments on the Internet, identified by the docket number at the heading of this notice, at <http://www.regulations.gov>.

Issued in Washington, D.C. on October 3, 2018, under authority delegated at 49 USC 1.25a.

Finch Fulton,

Deputy Assistant Secretary for Transportation Policy
